11	The Committee on Health Care (Peaden) recommended the
12	following amendment:
13	
14	Senate Amendment (with title amendment)
15	On page 4, between lines 19 and 20,
16	
17	insert:
18	Section 2. (1) The Department of Health in
19	partnership with the Department of Education shall award
20	grants to local school districts to implement a 3-year pilot
21	program that targets students in the fourth and fifth grades
22	in 10 geographically and demographically diverse counties. The
23	pilot program must:
24	(a) Have a program provider. The program provider
25	shall:
26	1. Have a nutrition-education program currently in use
27	throughout the school districts in this state in order to
28	receive funds under the grants provided by the pilot program;
29	2. Promote the "Fresh 2-U" campaign by the Department
30	of Agriculture and Consumer Services;
31	3. Have an established partnership with the Produce

COMMITTEE AMENDMENT

Bill No. <u>SB 1324</u>

1	for Better Health Foundation and promote its "5 A Day the				
2	Color Way" campaign; and				
3	<u>4. Work with school districts to use multimedia</u>				
4	methods and awareness events and promote healthful nutrition				
5	and physical activity opportunities throughout the school year				
6	targeting students, staff, parents, and caregivers.				
7	(b) Establish a school-based program in elementary				
8	schools for purposes of promoting healthy eating habits,				
9	increasing physical activity, and improving fitness, and				
10	include formal curriculum on physical activity and nutrition				
11	which is consistent with recommendations from the Governor's				
12	Task Force on the Obesity Epidemic, February 2004.				
13	(c) Provide education and professional-development				
14	training to teachers on how to implement the program to model				
15	physical activity and healthy eating behavior, and on the				
16	importance of building positive physical habits during school				
17	and away from school.				
18	(d) Empower teachers to facilitate educational				
19	opportunities to support and sustain lifelong physical				
20	activity and healthy eating.				
21	(e) Incorporate physical activity and nutrition				
22	education into core classroom subject areas and various				
23	curricula, including, but not limited to, math, science, home				
24	economics, and language arts and be linked to the Sunshine				
25	State Standards.				
26	(f) Integrate nutrition and physical activities into				
27	other educational opportunities both inside and outside of the				
28	classroom. Teachers, administrators, school food service				
29	personnel, other school personnel, and parents and students				
30	shall collaborate on creating a positive physical activity and				
31	healthy nutrition environment. The program must also include

1	resources and activities that engage and involve parents and				
2	caregivers.				
3	(g) Provide resources and education for core classroom				
4	teachers to promote collaboration between the physical				
5	education and core classroom teachers and create a				
6	comprehensive educational experience for the students to				
7	develop the skills, knowledge, and attitudes to make healthy				
8	decisions using critical thinking skills throughout their				
9	lives, while enhancing students' reading and academic skills.				
10	(h) Provide resources that are sustainable and provide				
11	open, web-based resources to teachers and students across the				
12	state.				
13	(i) Be compliant with applicable state education				
14	standards.				
15	(j) Have nutrition-education activities that are				
16	developed in partnership with the Produce for Better Health				
	Foundation.
