The Committee on General Government Appropriations (Baker)  
recommended the following amendment:

**Senate Amendment**

On page 2, lines 13 through 17, delete those lines  
and insert: valorem revenues established by county charter.  
If in any year the revenue growth of a county is less than the  
maximum rate provided in its charter, the next year's  
allowable revenue growth shall be based upon the previous  
year's maximum revenue instead of its actual revenue.
