CS for SB 1826

1	STATEMENT OF SUBSTANTIAL CHANGES CONTAINED IN COMMITTEE SUBSTITUTE FOR
2	Senate Bill 1826
3	
4	The committee substitute adds the Bankhead-Coley Cancer Research Program to the purposes of the Biomedical Research
5	Trust Fund. It appropriates \$9 million to the Biomedical Research Trust Fund for the Bankhead-Coley cancer research
6 7	program and authorizes up to 10 percent for administrative costs. The committee substitute adds cancer research grant procedures to the Bankhead-Coley Cancer Research Program.
8 9 10 11 12	The committee substitute adds two appointees from cancer programs approved by the American College of Surgeons to the Biomedical Research Advisory Council, one by the House Speaker, and one by the Senate President. The committee substitute requires the council to award cancer research grants under the Bankhead-Coley Cancer Research Program. The committee substitute deletes the requirement for the Center for Universal Research to Eradicate Disease (CURED) to award cancer research grants and deletes procedures for
13 14	members from the CURED advisory council because the entities they would represent no longer exist. It restores authority
15	for CURED to assist programs to prepare grant requests.
16	The committee substitute authorizes \$250,000 for operation of the CURED center from the \$6 million appropriated to the James and Esther King Biomedical Research Program.
