Florida Senate - 2006 22-500B-06

1 2 WHEREAS, Governor Jeb Bush convened the Governor's Task Force on the Obesity Epidemic in fall 2003, and 3 4 WHEREAS, the Governor's Task Force on the Obesity Epidemic recommended that families and other caregivers 5 б coordinate with schools, community organizations, and 7 policymakers to support and sustain healthy lifestyles among 8 youth, and 9 WHEREAS, the Governor's task force recommended that 10 every school district be required to maintain independent nutrition, physical activity, and physical fitness advisory 11 12 panels, which would be charged with meeting at least annually 13 to review and determine strong school district policies with respect to all nutritional, physical activity, and physical 14 fitness offerings at schools and to report on compliance to 15 the Department of Education and district school boards, and 16 17 WHEREAS, the Secretary of Health hosted obesity summits 18 in 2004-2005, including one on Solutions in the School Setting, and 19 WHEREAS, the Governor's task force and the obesity 20 21 summits showed that schools are logical partners in preventing 22 and reducing childhood obesity, and 23 WHEREAS, the majority of our children are enrolled in school, and 2.4 WHEREAS, school health programs can improve knowledge, 25 attitudes, behaviors, and outcomes, and 26 27 WHEREAS, 25 percent of children ages 5 to 10 have high 2.8 cholesterol, high blood pressure, or other early warning signs 29 of heart disease, and 30 31

SB 2602

1 WHEREAS, newly completed research shows a significant 2 relationship between academic achievement and physical fitness and healthful nutrition, and 3 4 WHEREAS, the majority of food and beverage choices at 5 schools are high-fat, high-sodium snacks and high-fat, 6 high-sugar baked goods, and 7 WHEREAS, approximately one-third of high school 8 students are not getting enough physical activity, and 9 WHEREAS, many of the youth ages 9-12 have no physical 10 activity outside of the school day, and WHEREAS, healthful eating and physical activity lead to 11 12 improved academics, improved behavior, improved short-term and 13 long-term health, and reduced health care costs, and WHEREAS, the Centers for Disease Control and Prevention 14 (CDC) recommends that schools offer nutritious food and 15 16 beverages in all venues, and 17 WHEREAS, the CDC encourages schools to adopt 18 comprehensive nutrition and physical activity policies, and WHEREAS, the CDC says that standards for physical 19 education and activity should be set to promote healthful 20 21 lifestyles and healthful behaviors, and 22 WHEREAS, schools should inform parents and the 23 community of activities that promote healthful eating and physical activity, and 2.4 25 WHEREAS, parents should be solicited for involvement in promoting healthful eating and physically active living, and 26 27 WHEREAS, promoting healthful lifestyles at the 2.8 elementary, middle, and high school levels will reduce the rate of childhood obesity, improve patient outcomes, and save 29 lives, NOW, THEREFORE, 30 31

3

Florida Senate - 2006 22-500B-06

1 Be It Enacted by the Legislature of the State of Florida: 2 3 Section 1. Section 1003.453, Florida Statutes, is created to read: 4 5 1003.453 School wellness and physical education 6 policies; nutrition guidelines.--7 (1) By September 1, 2006, each school district shall submit to the Department of Education a copy of its school 8 wellness policy as required by the Child Nutrition and WIC 9 Reauthorization Act of 2004 and a copy of its physical 10 education policy required under s. 1003.455. Each school 11 12 district shall annually review its school wellness policy and 13 physical education policy and provide a procedure for public input and revisions. In addition, each school district shall 14 send an updated copy of its wellness policy and physical 15 education policy to the department when a change or revision 16 17 is made. (2) By December 1, 2006, the department shall post 18 links to each school district's school wellness policy and 19 20 physical education policy on its website so that the policies 21 can be accessed and reviewed by the public. Each school 2.2 district shall provide the most current versions of its school 23 wellness policy and physical education policy on the district's website. 2.4 (3) The department must provide on its website links 25 to a wide array of resources that may be accessed and reviewed 26 27 by school districts and the public. The resources must include 2.8 information regarding: (a) Classroom instruction on the benefits of exercise 29 30 and healthful eating. 31

4

SB 2602

1 (b) Classroom instruction on the health hazards of 2 using tobacco and being exposed to tobacco smoke. 3 (c) The eight components of a coordinated school 4 health program, including health education, physical 5 education, health services, and nutrition services. б (d) The core measures for school health and wellness, 7 such as the School Health Index. (e) The nutritional content of foods and beverages. 8 9 (f) Information to ensure that each student has access 10 to healthful food choices in accordance with the dietary guidelines of the United States Department of Agriculture. 11 12 (q) Examples of wellness classes that provide nutrition education for teachers and school support staff. 13 Schools are encouraged to provide classes that are taught by a 14 licensed nutrition professional from the school nutrition 15 16 department. 17 (4) School districts are encouraged to provide basic 18 training in first aid, including cardiopulmonary resuscitation, for all students, beginning in grade 6 and 19 every 2 years thereafter. Private and public partnerships for 2.0 21 providing training or necessary funding are encouraged. 22 Section 2. Section 1003.455, Florida Statutes, is 23 amended to read: 1003.455 Physical education; assessment.--2.4 (1) It is the responsibility of each district school 25 26 board to develop a physical education program that stresses 27 physical fitness and encourages healthful healthy, active 2.8 lifestyles and to encourage all students in prekindergarten 29 through grade 12 to participate in physical education. Physical education shall consist of physical activities of at 30 least a moderate intensity level and for a duration sufficient 31

1 to provide a significant health benefit to students, subject 2 to the differing capabilities of students. All physical education programs and curricula must be developed with the 3 4 involvement of and review by a certified physical education 5 instructor. 6 (2) Each district school board shall, no later than 7 December 1, 2004, adopt a written physical education policy 8 that details the school district's physical education program 9 and expected program outcomes. Each district school board 10 shall provide a copy of its written policy to the Department of Education by December 15, 2004. 11 12 (3) Each district school board is encouraged to 13 provide 150 minutes of physical education each week for students in kindergarten through grade 5 and 225 minutes each 14 week for students in grades 6 through 8. Any district that 15 does not adopt a physical education policy by December 1, 16 17 2004, shall, at a minimum, implement a mandatory physical 18 education program for kindergarten through grade 5 which provides students with 30 minutes of physical education each 19 day, 3 days a week. 20 21 Section 3. Subsections (2) and (5) of section 22 381.0056, Florida Statutes, are amended to read: 23 381.0056 School health services program. --(2) The Legislature finds that health services 2.4 conducted as a part of the total school health program should 25 be carried out to appraise, protect, and promote the health of 26 27 students. School health services supplement, rather than 2.8 replace, parental responsibility and are designed to encourage parents to devote attention to child health, to discover 29 health problems, and to encourage use of the services of their 30 physicians, dentists, and community health agencies. Each 31

б

1 school shall annually provide to the parents or quardians of each of its students information on ways that they can help 2 their children to be physically active and to eat healthful 3 4 foods. 5 (5)(a) Each county health department shall develop, б jointly with the district school board and the local school 7 health advisory committee, a school health services plan; and 8 the plan <u>must</u> shall include, at a minimum, provisions for: <u>1.(a)</u> Health appraisal; 9 10 2.(b) Records review; 3.(c) Nurse assessment; 11 12 4.(d) Nutrition assessment; 13 5.(e) A preventive dental program; <u>6.(f)</u> Vision screening; 14 <u>7.(g)</u> Hearing screening; 15 8.(h) Scoliosis screening; 16 17 9.(i) Growth and development screening; 18 <u>10.(j)</u> Health counseling; 11.(k) Referral and followup of suspected or confirmed 19 health problems by the local county health department; 20 21 12.(1) Meeting emergency health needs in each school; 22 13.(m) County health department personnel to assist 23 school personnel in health education curriculum development; 14.(n) Referral of students to appropriate health 2.4 25 treatment, in cooperation with the private health community whenever possible; 26 27 15.(o) Consultation with a student's parent or 2.8 guardian regarding the need for health attention by the family physician, dentist, or other specialist when definitive 29 30 diagnosis or treatment is indicated; 31

7

1	<u>16.(p)</u> Maintenance of records on incidents of health
2	problems, corrective measures taken, and such other
3	information as may be needed to plan and evaluate health
4	programs; except, however, that provisions in the plan for
5	maintenance of health records of individual students must be
б	in accordance with s. 1002.22;
7	$\frac{17.(q)}{17.(q)}$ Health information which will be provided by
8	the school health nurses, when necessary, regarding the
9	placement of students in exceptional student programs and the
10	reevaluation at periodic intervals of students placed in such
11	programs; and
12	<u>18.(r)</u> Notification to the local nonpublic schools of
13	the school health services program and the opportunity for
14	representatives of the local nonpublic schools to participate
15	in the development of the cooperative health services plan.
16	(b) Each school health advisory committee must, at a
17	minimum, include members who represent the eight component
18	areas of the coordinated school health model as defined by the
19	<u>Centers for Disease Control and Prevention. School health</u>
20	advisory committees are encouraged to address the eight
21	components of the coordinated school health model in the
22	school district's school wellness policy pursuant to s.
23	<u>1003.453.</u>
24	Section 4. This act shall take effect July 1, 2006.

SB 2602

1	* * * * * * * * * * * * * * * * * * * *
2	SENATE SUMMARY
3 4	Relates to health-related education in the public schools. Requires each school district to submit to the Department of Education, by a specified deadline, copies
5	of the district's school wellness policy and physical education policy. Requires the school district to review
6	those policies annually. Requires the department and the school districts to post links to those policies on their
7	websites. Requires the department to provide Internet links to resources for school districts and the public.
8	Prescribes the types of information that those resources must provide. Encourages school districts to provide
9	training in first aid. Requires school district physical education programs and curricula to be developed with the
10	involvement of and review by a certified physical education instructor. Encourages school districts to provide physical education for a specified amount of
11	time. Amends the "School Health Services Act." Requires schools to provide certain information to students'
12	parents or guardians. Provides requirements relating to the membership of school health advisory committees.
13	Encourages the committees to address specified matters.
