The Committee on Regulated Industries (Hill) recommended the following amendment:

Senate Amendment (with title amendment)

Delete everything after the enacting clause

and insert:

Section 1. Subsection (5) is added to section 509.211, Florida Statutes, to read:

509.211 Safety regulations.--

(5) Every enclosure with boilers or other machinery generating carbon monoxide in a public lodging establishment shall be equipped with one or more carbon monoxide sensor devices that bear the label of a nationally recognized testing laboratory and have been tested and listed as complying with the most recent Underwriters Laboratories, Inc., Standard 2034, or its equivalent, unless it is determined that no potential carbon monoxide hazard exists for a unit. Such devices shall be integrated with the public lodging establishment's fire detection system. Any such installation or determination shall be made in accordance with rules
