If the receiver is unable 2.4 to produce the loss history, the employer may, in lieu of the 25 loss history, submit an affidavit from the employer and the 26 27 employer's insurance agent setting forth the loss history. 2.8 (E) The employer is not a new business. (III) Premiums.--The premiums for Tier One insureds 29 shall be set at a premium level 25 percent above the 30 comparable voluntary market premiums until the plan has 31

1 sufficient experience as determined by the board to establish 2 an actuarially sound rate for Tier One, at which point the board shall, subject to paragraph (e), adjust the rates, if 3 necessary, to produce actuarially sound rates, provided such 4 5 rate adjustment shall not take effect prior to January 1, б 2007. 7 b. Tier Two.--8 (I) Criteria; rated employers.--An employer that has an experience modification rating shall be included in Tier 9 Two if the employer meets all of the following: 10 (A) The experience modification is equal to or greater 11 12 than 1.00 but not greater than 1.10. 13 (B) The employer had no lost-time claims subsequent to the applicable experience modification rating period. 14 (C) The total of the employer's medical-only claims 15 subsequent to the applicable experience modification rating 16 17 period did not exceed 20 percent of premium. 18 (II) Criteria; non-rated employers. -- An employer that does not have any experience modification rating shall be 19 included in Tier Two if the employer is a new business. An 20 21 employer shall be included in Tier Two if the employer has 22 less than 3 years of loss experience in the 3-year period 23 immediately preceding the inception date or renewal date of the employer's coverage under the plan and the employer meets 2.4 all of the following: 25 (A) The employer had no lost-time claims for the 26 27 3-year period immediately preceding the inception date or 2.8 renewal date of the employer's coverage under the plan. 29 (B) The total of the employer's medical-only claims 30 for the 3-year period immediately preceding the inception date 31

11

1 or renewal date of the employer's coverage under the plan did 2 not exceed 20 percent of premium. 3 (C) The employer is able to provide the plan with a 4 loss history generated by the workers' compensation insurer that provided coverage for the portion or portions of such 5 6 period during which the employer had secured workers' 7 compensation coverage, except if the employer is not able to 8 produce a loss history due to the insolvency of an insurer, the receiver shall provide to the plan, upon the request of 9 the employer or the employer's agent, a copy of the employer's 10 loss history from the records of the insolvent insurer if the 11 12 loss history is contained in records of the insurer which are 13 in the possession of the receiver. If the receiver is unable to produce the loss history, the employer may, in lieu of the 14 loss history, submit an affidavit from the employer and the 15 employer's insurance agent setting forth the loss history. 16 17 (III) Premiums.--The premiums for Tier Two insureds shall be set at a rate level 50 percent above the comparable 18 voluntary market premiums until the plan has sufficient 19 experience as determined by the board to establish an 20 21 actuarially sound rate for Tier Two, at which point the board 22 shall, subject to paragraph (e), adjust the rates, if 23 necessary, to produce actuarially sound rates, provided such rate adjustment shall not take effect prior to January 1, 2.4 2007. 25 c. Tier Three.--26 27 (I) Eligibility.--An employer shall be included in

Tier Three if the employer does not meet the criteria for Tier

1 (II) Rates.--The board shall establish, subject to 2 paragraph (e), and the plan shall charge, actuarially sound rates for Tier Three insureds. 3 4 23. For Tier One or Tier Two employers which employ no 5 nonexempt employees or which report payroll which is less than б the minimum wage hourly rate for one full-time employee for 1 7 year at 40 hours per week, the plan shall establish 8 actuarially sound premiums, provided, however, that the premiums may not exceed \$2,500. These premiums shall be in 9 addition to the fee specified in subparagraph 26. When the 10 plan establishes actuarially sound rates for all employers in 11 12 Tier One and Tier Two, the premiums for employers referred to 13 in this paragraph are no longer subject to the \$2,500 cap. 24. Provide for a depopulation program to reduce the 14 number of insureds in the plan. If an employer insured through 15 the plan is offered coverage from a voluntary market carrier: 16 17 a. During the first 30 days of coverage under the 18 plan; b. Before a policy is issued under the plan; 19 c. By issuance of a policy upon expiration or 20 21 cancellation of the policy under the plan; or 22 d. By assumption of the plan's obligation with respect 23 to an in-force policy, 2.4 that employer is no longer eligible for coverage through the 25 plan. The premium for risks assumed by the voluntary market 26 27 carrier must be no greater than the premium the insured would 2.8 have paid under the plan, and shall be adjusted upon renewal 29 to reflect changes in the plan rates and the tier for which the insured would qualify as of the time of renewal. The 30 insured may be charged such premiums only for the first 3 31

years of coverage in the voluntary market. A premium under
 this subparagraph is deemed approved and is not an excess
 premium for purposes of s. 627.171.

25. Require that policies issued and applications must 4 include a notice that the policy could be replaced by a policy 5 6 issued from a voluntary market carrier and that, if an offer 7 of coverage is obtained from a voluntary market carrier, the 8 policyholder is no longer eligible for coverage through the 9 plan. The notice must also specify that acceptance of coverage under the plan creates a conclusive presumption that the 10 applicant or policyholder is aware of this potential. 11

12 26. Require that each application for coverage and 13 each renewal premium be accompanied by a nonrefundable fee of \$475 to cover costs of administration and fraud prevention. 14 The board may, with the prior approval of the office, increase 15 the amount of the fee pursuant to a rate filing to reflect 16 17 increased costs of administration and fraud prevention. The 18 fee is not subject to commission and is fully earned upon commencement of coverage. 19

20 (d)1. The funding of the plan shall include premiums
21 as provided in subparagraph (c)22. and assessments as provided
22 in this paragraph.

23 2.a. If the board determines that a deficit exists in Tier One or Tier Two or that there is any deficit remaining 2.4 attributable to any of the plan's former subplans and that the 25 deficit cannot be <u>fully</u> funded <u>by using policyholder surplus</u> 26 27 attributable to former subplan C or, if the surplus in the 2.8 former subplan C does not fully fund the deficit without the use of deficit assessments, the board shall request the office 29 to levy, by order, a deficit assessment against premiums 30 charged to insureds for workers' compensation insurance by 31

1 insurers as defined in s. 631.904(5). The office shall issue 2 the order after verifying the amount of the deficit. The assessment shall be specified as a percentage of future 3 premium collections, as recommended by the board and approved 4 by the office. The same percentage shall apply to premiums on 5 6 all workers' compensation policies issued or renewed during 7 the 12-month period beginning on the effective date of the 8 assessment, as specified in the order.

9 b. With respect to each insurer collecting premiums that are subject to the assessment, the insurer shall collect 10 the assessment at the same time as the insurer collects the 11 12 premium payment for each policy and shall remit the 13 assessments collected to the plan as provided in the order issued by the office. The office shall verify the accurate and 14 timely collection and remittance of deficit assessments and 15 16 shall report such information to the board. Each insurer 17 collecting assessments shall provide such information with 18 respect to premiums and collections as may be required by the office to enable the office to monitor and audit compliance 19 with this paragraph. 20

21 c. Deficit assessments are not considered part of an 22 insurer's rate, are not premium, and are not subject to the 23 premium tax, to the assessments under ss. 440.49 and 440.51, to the surplus lines tax, to any fees, or to any commissions. 2.4 The deficit assessment imposed shall become plan funds at the 25 26 moment of collection and shall not constitute income to the 27 insurer for any purpose, including financial reporting on the 2.8 insurer's income statement. An insurer is liable for all 29 assessments that the insurer collects and must treat the 30 failure of an insured to pay an assessment as a failure to pay 31

15

1 premium. An insurer is not liable for uncollectible 2 assessments. 3 d. When an insurer is required to return unearned premium, the insurer shall also return any collected 4 assessments attributable to the unearned premium. 5 б e. Deficit assessments as described in this 7 subparagraph shall not be levied after July 1, 2012 2007. 8 3.a. All policies issued to Tier Three insureds shall be assessable. All Tier Three assessable policies must be 9 clearly identified as assessable by containing, in contrasting 10 color and in not less than 10-point type, the following 11 12 statement: 13 "This is an assessable policy. If the plan is 14 unable to pay its obligations, policyholders 15 will be required to contribute on a pro rata 16 17 earned premium basis the money necessary to 18 meet any assessment levied." 19 b. The board may from time to time assess Tier Three 20 21 insureds to whom the plan has issued assessable policies for 22 the purpose of funding plan deficits. Any such assessment 23 shall be based upon a reasonable actuarial estimate of the amount of the deficit, taking into account the amount needed 2.4 to fund medical and indemnity reserves and reserves for 25 26 incurred but not reported claims, and allowing for general 27 administrative expenses, the cost of levying and collecting 2.8 the assessment, a reasonable allowance for estimated uncollectible assessments, and allocated and unallocated loss 29 30 adjustment expenses. 31

16

1 c. Each Tier Three insured's share of a deficit shall 2 be computed by applying to the premium earned on the insured's policy or policies during the period to be covered by the 3 assessment the ratio of the total deficit to the total 4 5 premiums earned during such period upon all policies subject 6 to the assessment. If one or more Tier Three insureds fail to 7 pay an assessment, the other Tier Three insureds shall be 8 liable on a proportionate basis for additional assessments to 9 fund the deficit. The plan may compromise and settle individual assessment claims without affecting the validity of 10 or amounts due on assessments levied against other insureds. 11 12 The plan may offer and accept discounted payments for 13 assessments which are promptly paid. The plan may offset the amount of any unpaid assessment against unearned premiums 14 which may otherwise be due to an insured. The plan shall 15 16 institute legal action when necessary and appropriate to 17 collect the assessment from any insured who fails to pay an 18 assessment when due. d. The venue of a proceeding to enforce or collect an 19 assessment or to contest the validity or amount of an 20 21 assessment shall be in the Circuit Court of Leon County. 22 e. If the board finds that a deficit in Tier Three 23 exists for any period and that an assessment is necessary, the board shall certify to the office the need for an assessment. 2.4 No sooner than 30 days after the date of such certification, 25 the board shall notify in writing each insured who is to be 26 27 assessed that an assessment is being levied against the 2.8 insured, and informing the insured of the amount of the 29 assessment, the period for which the assessment is being levied, and the date by which payment of the assessment is 30 due. The board shall establish a date by which payment of the 31

17

assessment is due, which shall be no sooner than 30 days nor
 later than 120 days after the date on which notice of the
 assessment is mailed to the insured.

f. Whenever the board makes a determination that the 4 5 plan does not have a sufficient cash basis to meet 6 3 months б of projected cash needs due to a deficit in Tier Three, the 7 board may request the department to transfer funds from the 8 Workers' Compensation Administration Trust Fund to the plan in an amount sufficient to fund the difference between the amount 9 available and the amount needed to meet a 6-month 3-month 10 projected cash need as determined by the board and verified by 11 12 the office, subject to the approval of the Legislative Budget 13 Commission. If the Legislative Budget Commission approves a transfer of funds under this sub-subparagraph, the plan shall 14 report to the Legislature the transfer of funds and the 15 Legislature shall review the plan during the next legislative 16 17 session or the current legislative session, if the transfer 18 occurs during a legislative session. This sub-subparagraph shall not apply until the plan determines and the office 19 verifies that assessments collected by the plan pursuant to 20 sub-subparagraph b. are insufficient to fund the deficit in 21 22 Tier Three and to meet  $\underline{6}$   $\underline{3}$  months of projected cash needs. 23 4. The plan may offer rating, dividend plans, and other plans to encourage loss prevention programs. 24 25 (e) For rates and rating plans effective on or after January 1, 2008, the plan shall establish and use its rates 26 27 and rating plans, and the plan may establish and use changes 2.8 in rating plans at any time, but no more frequently than two 29 times per any rating class for any calendar year. By December 1, 1993, and December 1 of each year thereafter, except as 30 provided in subparagraph (c)22., the board shall establish and 31

18

1 use actuarially sound rates for use by the plan to assure that 2 the plan is self-funding while those rates are in effect. Such rates and rating plans must be filed with the office within 30 3 calendar days after their effective dates, and shall be 4 considered a "use and file" filing. Any disapproval by the 5 6 office must have an effective date that is at least 60 days 7 from the date of disapproval of the rates and rating plan and 8 must have prospective effect only. The plan shall may not be 9 subject to any order by the office to return to policyholders any portion of the rates disapproved by the office. The office 10 may not disapprove any rates or rating plans unless it 11 12 demonstrates that such rates and rating plans are excessive, 13 inadequate, or unfairly discriminatory. (f) No later than June 1 of each year, the plan shall 14

obtain an independent actuarial certification of the results 15 of the operations of the plan for prior years, and shall 16 17 furnish a copy of the certification to the office. If, after 18 the effective date of the plan, the projected ultimate incurred losses and expenses and dividends for prior years 19 exceed collected premiums, accrued net investment income, and 20 prior assessments for prior years, the certification is 21 22 subject to review and approval by the office before it becomes 23 final.

(g) Whenever a deficit exists, the plan shall, within 2.4 90 days, provide the office with a program to eliminate the 25 26 deficit within a reasonable time. The deficit may be funded 27 through increased premiums charged to insureds of the plan for 2.8 subsequent years, through the use of policyholder surplus attributable to any year, including policyholder surplus in 29 former subplan C as authorized in subparagraph (d)2., through 30 the use of assessments as provided in subparagraph (d)2., and 31

1 through assessments on assessable policies as provided in 2 subparagraph (d)3. Any entity that was a policyholder of former subplan C is not subject to any assessments that are 3 attributable to deficits in former subplan C. 4 5 (h) Any premium or assessments collected by the plan б in excess of the amount necessary to fund projected ultimate 7 incurred losses and expenses of the plan and not paid to 8 insureds of the plan in conjunction with loss prevention or dividend programs shall be retained by the plan for future 9 use. Any state funds received by the plan in excess of the 10 amount necessary to fund deficits in subplan D or any tier 11 12 shall be returned to the state. 13 (i) The decisions of the board of governors do not constitute final agency action and are not subject to chapter 14 120. 15 (j) Policies for insureds shall be issued by the plan. 16 17 (k) The plan created under this subsection is liable 18 only for payment for losses arising under policies issued by the plan with dates of accidents occurring on or after January 19 1, 1994. 20 21 (1) Plan losses are the sole and exclusive 22 responsibility of the plan, and payment for such losses must 23 be funded in accordance with this subsection and must not come, directly or indirectly, from insurers or any guaranty 2.4 association for such insurers. 25 (m) Senior managers and officers, as defined in the 26 27 plan of operation, and members of the board of governors are 2.8 subject to the provisions of ss. 112.313, 112.3135, 112.3143, 112.3145, 112.316, and 112.317. Senior managers, officers, and 29 board members are also required to file such disclosures with 30 the Commission on Ethics and the Office of Insurance 31

1 Regulation. The executive director of the plan or his or her 2 designee shall notify each newly appointed and existing appointed member of the board of governors, senior manager, 3 4 and officer of their duty to comply with the reporting requirements of s. 112.345. At least quarterly, the executive 5 6 director of the plan or his or her designee shall submit to 7 the Commission on Ethics a list of names of the senior managers, officers, and members of the board of governors who 8 are subject to the public disclosure requirements under s. 9 10 112.3145. Notwithstanding s. 112.313, an employee, officer, owner, or director of an insurance agency, insurance company, 11 12 or other insurance entity may be a member of the board of 13 governors unless such employee, officer, owner, or director of an insurance agency, insurance company, other insurance 14 entity, or an affiliate provides policy issuance, policy 15 administration, underwriting, claims handling, or payroll 16 17 audit services. Notwithstanding s. 112.3143, such board member 18 may not participate in or vote on a matter if the insurance agency, insurance company, or other insurance entity would 19 obtain a special or unique benefit that would not apply to 20 21 other similarly situated insurance entities. Each joint 2.2 underwriting plan or association created under this section is 23 not a state agency, board, or commission. However, for the purposes of s. 199.183(1) only, the joint underwriting plan is 2.4 a political subdivision of the state and is exempt from the 25 corporate income tax. 26 27 (n) On or before July 1 of each year, employees of the 2.8 plan shall sign and submit a statement to the plan attesting that they do not have a conflict of interest as defined in 29 part III of chapter 112. As a condition of employment, all 30 prospective employees shall sign and submit a 31

1 conflict-of-interest statement to the plan. Each joint 2 underwriting plan or association may elect to pay premium 3 taxes on the premiums received on its behalf or may elect to 4 have the member insurers to whom the premiums are allocated pay the premium taxes if the member insurer had written the 5 6 policy. The joint underwriting plan or association shall 7 notify the member insurers and the Department of Revenue by 8 January 15 of each year of its election for the same year. As used in this paragraph, the term "premiums received" means the 9 10 consideration for insurance, by whatever name called, but does 11 not include any policy assessment or surcharge received by the 12 joint underwriting association as a result of apportioning 13 losses or deficits of the association pursuant to this 14 section. (o) Any senior manager or officer of the plan who is 15 employed by the plan as of January 1, 2008, regardless of the 16 17 date of hire, and who subsequently retires or terminates 18 employment may not represent another person or entity before the plan for 2 years after retirement or termination of 19 employment from the plan. 20 21 (p) No part of the income of the plan may inure to the 2.2 benefit of any private person. (q) Notwithstanding ss. 112.3148 and 112.3149 or other 23 provision of law, an employee or board member may not 2.4 knowingly accept, directly or indirectly, any expenditure or 25 gift from a person or entity, or an employee or representative 26 27 of such person or entity, which has a contractual relationship 2.8 with the plan or is under consideration for a contract. An employee or board member who fails to comply with paragraph 29 (m) or this paragraph is subject to penalties provided under 30 <u>s. 112.317.</u> 31

22

1 (r) This section does not prohibit the plan from 2 providing insurance coverage to any employer with whom a former employee of the plan is affiliated or employing or 3 reemploying any former employee of the plan in a part-time, 4 full-time, temporary, or permanent capacity, so long as such 5 6 employment does not violate any provision of part III of 7 chapter 112. 8 (s) (o) Neither the plan nor any member of the board of 9 governors is liable for monetary damages to any person for any statement, vote, decision, or failure to act, regarding the 10 management or policies of the plan, unless: 11 12 1. The member breached or failed to perform her or his 13 duties as a member; and 2. The member's breach of, or failure to perform, 14 duties constitutes: 15 a. A violation of the criminal law, unless the member 16 17 had reasonable cause to believe her or his conduct was not 18 unlawful. A judgment or other final adjudication against a member in any criminal proceeding for violation of the 19 criminal law estops that member from contesting the fact that 20 21 her or his breach, or failure to perform, constitutes a 22 violation of the criminal law; but does not estop the member 23 from establishing that she or he had reasonable cause to believe that her or his conduct was lawful or had no 2.4 reasonable cause to believe that her or his conduct was 25 unlawful; 26 27 b. A transaction from which the member derived an 2.8 improper personal benefit, either directly or indirectly; or 29 c. Recklessness or any act or omission that was committed in bad faith or with malicious purpose or in a 30 manner exhibiting wanton and willful disregard of human 31 23

1 rights, safety, or property. For purposes of this 2 sub-subparagraph, the term "recklessness" means the acting, or omission to act, in conscious disregard of a risk: 3 (I) Known, or so obvious that it should have been 4 known, to the member; and 5 б (II) Known to the member, or so obvious that it should 7 have been known, to be so great as to make it highly probable that harm would follow from such act or omission. 8 (t) (p) No insurer shall provide workers' compensation 9 10 and employer's liability insurance to any person who is delinquent in the payment of premiums, assessments, penalties, 11 12 or surcharges owed to the plan or to any person who is an 13 affiliated person of a person who is delinquent in the payment of premiums, assessments, penalties, or surcharges owed to the 14 plan. For purposes of this paragraph, the term "affiliated 15 16 person" of another person means: 17 1. The spouse of such other natural person; 18 2. Any person who directly or indirectly owns or controls, or holds with the power to vote, 5 percent or more 19 of the outstanding voting securities of such other person; 20 21 3. Any person who directly or indirectly owns 5 22 percent or more of the outstanding voting securities that are 23 directly or indirectly owned or controlled, or held with the power to vote, by such other person; 2.4 4. Any person or group of persons who directly or 25 indirectly control, are controlled by, or are under common 26 27 control with such other person; 28 5. Any officer, director, trustee, partner, owner, manager, joint venturer, or employee, or other person 29 performing duties similar to persons in those positions, of 30 such other persons; or 31

24

1 6. Any person who has an officer, director, trustee, 2 partner, or joint venturer in common with such other person. (u)(q) Effective July 1, 2004, the plan is exempt from 3 4 the premium tax under s. 624.509 and any assessments under ss. 5 440.49 and 440.51. б (v) The Office of Insurance Regulation shall perform a 7 comprehensive market conduct examination of the plan 8 periodically to determine compliance with its plan of operation and internal operating policies and procedures. 9 10 (w) Upon dissolution, the assets of the plan shall be applied first to pay all debts, liabilities, and obligations 11 12 of the plan, including the establishment of reasonable 13 reserves for any contingent liabilities or obligations, and all remaining assets of the plan shall become property of the 14 state and shall be deposited in the Workers' Compensation 15 Administration Trust Fund. However, dissolution may not take 16 17 effect as long as the plan has financial obligations 18 outstanding unless adequate provision has been made for the payment of financial obligations pursuant to the documents 19 authorizing the financial obligations. 2.0 21 (6) Each joint underwriting plan or association 2.2 created under this section is not a state agency, board, or 23 commission. However, for the purposes of s. 199.183(1) only, the joint underwriting plan created under subsection (5) is a 2.4 political subdivision of the state and is exempt from the 25 corporate income tax. 26 27 (7) Each joint underwriting plan or association may 2.8 elect to pay premium taxes on the premiums received on its behalf or may elect to have the member insurers to whom the 29 premiums are allocated pay the premium taxes if the member 30 insurer had written the policy. The joint underwriting plan or 31

1 association shall notify the member insurers and the 2 Department of Revenue by January 15 of each year of its election for the same year. As used in this paragraph, the 3 term "premiums received" means the consideration for 4 insurance, by whatever name called, but does not include any 5 6 policy assessment or surcharge received by the joint 7 underwriting association as a result of apportioning losses or 8 deficits of the association pursuant to this section. (8) (6) As used in this section and ss. 215.555 and 9 10 627.351, the term "collateral protection insurance" means commercial property insurance of which a creditor is the 11 12 primary beneficiary and policyholder and which protects or 13 covers an interest of the creditor arising out of a credit transaction secured by real or personal property. Initiation 14 of such coverage is triggered by the mortgagor's failure to 15 16 maintain insurance coverage as required by the mortgage or 17 other lending document. Collateral protection insurance is not 18 residential coverage. 19 (9)(7)(a) The Florida Automobile Joint Underwriting Association created under this section shall be deemed to have 20 21 appointed its general manager as its agent to receive service 22 of all legal process issued against the association in any

23 civil action or proceeding in this state. Process so served 24 shall be valid and binding upon the insurer.

(b) Service of process upon the association's general manager as the association's agent pursuant to such an appointment shall be the sole method of service of process upon the association.
