1	A bill to be entitled
2	An act relating to sand source management;
3	creating s. 161.144, F.S.; providing for the
4	development and maintenance of an inventory of
5	identified offshore sand sources by the
6	Department of Environmental Protection as part
7	of its comprehensive long-term beach management
8	plan; providing for public review of maps of
9	offshore sand sources; providing for boards of
10	county commissioners of coastal counties
11	adjacent to sand sources proposed for use
12	outside of the region or subregion to be
13	notified and given adequate opportunity to
14	comment during a project's planning and
15	permitting stages; providing for objections or
16	concerns of such coastal counties to be noted
17	by the department and transmitted to the
18	Legislature before funding considerations or
19	before final regulatory action; providing an
20	effective date.
21	
22	Be It Enacted by the Legislature of the State of Florida:
23	
24	Section 1. Section 161.144, Florida Statutes, is
25	created to read:
26	161.144 Policy quidance related to sand source
27	managementThe Legislature recognizes that beach-guality
28	sand for the nourishment of the state's critically eroded
29	beaches is an exhaustible resource, in ever-decreasing supply,
30	and must be carefully managed for the systemwide benefit of
31	the state's beaches. Therefore, the Department of
