17 eligible elderly individuals who choose to participate into an  
18 integrated-care management model designed to serve Medicaid  
19 recipients in the community. The integrated program must combine  
20 all funding for Medicaid services provided to individuals 60  
21 years of age or older into the integrated program system,  
22 including funds for Medicaid home and community-based waiver  
23 services; all Medicaid services authorized in ss. 409.905 and  
24 409.906, excluding funds for Medicaid nursing home services  
25 ~~unless the agency is able to demonstrate how the integration of~~  
26 ~~the funds will improve coordinated care for these services in a~~  
27 ~~less costly manner~~; and Medicare coinsurance and deductibles for  
28 persons dually eligible for Medicaid and Medicare as prescribed  
29 in s. 409.908(13).

30 (a) Individuals who are 60 years of age or older and  
31 enrolled in the developmental disabilities waiver program, the  
32 family and supported-living waiver program, the project AIDS  
33 care waiver program, the traumatic brain injury and spinal cord  
34 injury waiver program, the consumer-directed care waiver  
35 program, and the program of all-inclusive care for the elderly  
36 program, and residents of institutional care facilities for the  
37 developmentally disabled, must be excluded from the integrated  
38 program system.

39 (b) The integrated program must use a competitive
