Florida Senate - 2008 Bill No. SB 1544

18	agreements may best be used in these situations in order for the
19	state to earn a monetary return on energy-related products or
20	processes that are ultimately prohibited upon commercialization.
21	The department shall submit its study to the Governor, the
22	President of the Senate, and the Speaker of the House of
23	Representatives by February 1, 2009.
24	
25	========== TITLE AMENDMENT===========
26	And the title is amended as follows:
27	On line(s) 2310 after the first semicolon,
28	insert:
29	authorizing the Department of Environmental Protection to
30	require certain agreements to contain a stipulation
31	requiring the return to the state of a portion of the
32	profit resulting from commercialization of an energy-
33	related product or process; requiring the department to
34	conduct a study relating to the state earning a monetary
35	return on energy-related products or processes through the
36	use of negotiated or licensing agreements; requiring the
37	department to submit the study to the Governor and the
38	Legislature;
