Section 455.2281, Florida Statutes, is amended 40 41 to read: 42 455.2281 Unlicensed activities; fees; disposition.--In 43 order to protect the public and to ensure a consumer-oriented 44 department, it is the intent of the Legislature that vigorous 45 enforcement of regulation for all professional activities is a 46 state priority. All enforcement costs should be covered by 47 professions regulated by the department. Therefore, the 48 department may shall impose, upon initial licensure and each 49 renewal thereof, a special fee not to exceed of \$5 per licensee. 50 Such fee shall be set by department rule for each profession and 51 shall be in addition to all other fees collected from each licensee and shall fund efforts to combat unlicensed activity. 52 53 Any profession regulated by the department which offers services 54 that are not subject to regulation when provided by an unlicensed 55 person may use funds in its unlicensed activity account to inform 56 the public of such situation. The board with concurrence of the 57 department, or the department when there is no board, may earmark 58 up to \$5 of the current licensure fee for this purpose, if such

59 board, or profession regulated by the department, is not in a 60 deficit and has a reasonable cash balance. A board or profession 61 regulated by the department may authorize the transfer of funds 62 from the operating fund account to the unlicensed activity 63 account of that profession if the operating fund account is not 64 in a deficit and has a reasonable cash balance. The department 65 may adopt rules to waive the unlicensed activity special fee for 66 a period not to exceed 2 years if both the operating account and 67 the unlicensed activity account have an excess cash balance. The 68 department shall make direct charges to this fund by profession 69 and shall not allocate indirect overhead. The department shall 70 seek board advice regarding enforcement methods and strategies 71 prior to expenditure of funds; however, the department may, 72 without board advice, allocate funds to cover the costs of 73 continuing education compliance monitoring under s. 455.2177. The 74 department shall directly credit, by profession, revenues 75 received from the department's efforts to enforce licensure 76 provisions. The department shall include all financial and 77 statistical data resulting from unlicensed activity enforcement 78 and from continuing education compliance monitoring as separate 79 categories in the quarterly management report provided for in s. 80 455.219. The department shall not charge the account of any 81 profession for the costs incurred on behalf of any other 82 profession. For an unlicensed activity account, a balance which 83 remains at the end of a renewal cycle may, with concurrence of 84 the applicable board and the department, be transferred to the 85 operating fund account of that profession. For the 2008-2009 86 fiscal year, for each profession subject to fees imposed by this section, the department shall waive fees if the long-range 87

175 or demolition of any public lodging or public food service 176 establishment. It is the intent of the Legislature to preempt 177 that function to the Florida Building Commission and the State Fire Marshal through adoption and maintenance of the Florida 178 179 Building Code and the Florida Fire Prevention Code. The division 180 shall provide technical assistance to the commission and the 181 State Fire Marshal in updating the construction standards of the 182 Florida Building Code and the Florida Fire Prevention Code which 183 govern public lodging and public food service establishments. Further, the division shall enforce the provisions of the Florida 184 185 Building Code and the Florida Fire Prevention Code which apply to 186 public lodging and public food service establishments in 187 conducting any inspections authorized by this part.
