4 Remove lines 460-486 and insert:

5 (e) Beginning July 1, 2010, and every 3 years thereafter,
6 state-owned lands with an approved land management plan shall be
7 monitored for land management activities by a monitoring team.
8 The Division of State Lands shall coordinate the activities of
9 the monitoring team, which shall consist of three members. One
10 member shall be selected by the Executive Director of the Fish
11 and Wildlife Conservation Commission or a designee, and shall
12 have experience with applied habitat management. One member
13 shall be selected by the Secretary of the Department of
14 Environmental Protection or a designee, and shall have
15 experience with public recreation or use administration. One
16 member shall be selected by the Commissioner of Agriculture or a

17 designee, and shall have experience with applied land
18 management. The Division of State Lands shall provide the
19 monitoring team with the operational report prepared pursuant to
20 s. 259.037(6). The monitoring team shall prepare a monitoring
21 report that assesses the progress towards achieving short-term
22 and long-term land management goals, as identified in the
23 operational report, and shall propose corrective actions for
24 identified deficiencies in management activities. The monitoring
25 report shall be submitted to the Acquisition and Restoration
26 Council and the managing agency. The Acquisition and Restoration
27 Council shall review the monitoring report and determine whether
28 the deficiencies warrant a corrective action plan or revisions
29 to the management plan. Significant and recurring deficiencies
30 shall be brought to the Board of Trustees, which shall determine
31 whether the corrective actions being proposed by the land
32 manager and the Acquisition and Restoration Council sufficiently
33 address the deficiencies. Corrective actions plans shall be
34 prepared and submitted in the same manner as land management
35 plans.

36 (f) Land management plans are to be updated every 10 years
37 on a rotating basis.

38 (g) In developing land management plans, at least one
39 public hearing shall be held in each affected county.

40 (h) ~~(a)~~ The Division of State Lands shall make available to
41 the public an electronic a copy of each land management plan for
42 parcels that exceed 160 acres in size. The Division of State
43 Lands ~~council~~ shall review each plan for compliance with the
44 requirements of this subsection, the requirements of chapter

45 259, and the requirements of the rules established by the board
46 pursuant to this section. The council shall also consider the
47 propriety of the recommendations of the managing entity with
48 regard to the future use of the property, the protection of
49 fragile or nonrenewable resources, the potential for alternative
50 or multiple uses not recognized by the managing entity, and the
51 possibility of disposal of the property by the board. After its
52 review, the council shall submit the plan, along with its
53 recommendations and comments, to the board. The council shall
54 specifically recommend to the board whether to approve the plan
55 as submitted, approve the plan with modifications, or reject the
56 plan. If the Acquisition and Restoration Council fails to make a
57 recommendation for a land management plan, the Secretary of the
58 Department of Environmental Protection, Commissioner of
59 Agriculture, or Executive Director of the Fish and Wildlife
60 Conservation Commission or their designees shall submit the land
61 management plan to the Board of Trustees.
