3 **Amendment (with title amendment)**

4 Between lines 5707 and 5708, insert:

5 Section 105. The Florida Public Service Commission shall
6 conduct a study of each municipal electric utility's rates, the
7 rates charged by the utility to state and local governments,
8 public schools, community colleges, and state universities
9 operating within its service territory, and how the rates
10 compare with those of the utility's other ratepayers. In its
11 study, the commission shall identify the costs associated with
12 the generation, transmission, and distribution of electricity,
13 as well as operating and maintenance costs and other costs
14 generally incurred in the operation of an electric utility, and
15 shall compare the costs with each municipal electric utility's
16 rates. The commission may request from each municipal electric
