Bill No. CS/CS/HB 1123

Amendment No.

17	a long-term sand management program designed to mitigate impacts
18	on adjacent sandy beaches consistent with s. 161.142. For the
19	purposes of this subsection, "reopening" means the creation of
20	an inlet on a coastal barrier island or between two coastal
21	barrier islands, upon demonstration that an inlet previously
22	existed, but no longer exists, on or between such coastal
23	barrier islands and is not limited to inlet recreation within
24	the same location or with the same configuration as the
25	preexisting inlet.
