20091868e3

1	A bill to be entitled
2	An act relating to the practice of pharmacy; amending
3	s. 627.4239, F.S.; revising the definition of the term
4	"standard reference compendium" for purposes of
5	regulating the insurance coverage of drugs used in the
6	treatment of cancer; amending s. 456.42, F.S.;
7	revising provisions specifying the information
8	required to be included in written prescriptions for
9	medicinal drugs; creating s. 465.1901, F.S.; providing
10	that provisions of ch. 468, F.S., relating to
11	orthotics and pedorthics do not apply to pharmacists;
12	requiring the Board of Pharmacy to develop rules
13	regarding the practice of orthotics and pedorthics by
14	a pharmacist; repealing s. 468.812(3), F.S., relating
15	to the practice of orthotics and pedorthics; amending
16	s. 893.04, F.S.; authorizing a pharmacist to dispense
17	a controlled substance and require photographic
18	identification without documenting certain
19	information; authorizing a pharmacist to dispense a
20	controlled substance without verification of certain
21	information by the prescriber under certain
22	circumstances; providing an effective date.
23	
24	Be It Enacted by the Legislature of the State of Florida:
25	
26	Section 1. Paragraph (b) of subsection (1) of section
27	627.4239, Florida Statutes, is amended to read:
28	627.4239 Coverage for use of drugs in treatment of cancer
29	(1) DEFINITIONSAs used in this section, the term:

30	(b) "Standard reference compendium" means an authoritative
31	compendium identified by the Secretary of the United States
32	Department of Health and Human Services and recognized by the
33	federal Centers for Medicare and Medicaid Services +
34	1. The United States Pharmacopeia Drug Information;
35	2. The American Medical Association Drug Evaluations; or
36	3. The American Hospital Formulary Service Drug
37	Information.
38	Section 2. Section 456.42, Florida Statutes, is amended to
39	read:
40	456.42 Written prescriptions for medicinal drugsA written
41	prescription for a medicinal drug issued by a health care
42	practitioner licensed by law to prescribe such drug must be
43	legibly printed or typed so as to be capable of being understood
44	by the pharmacist filling the prescription; must contain the
45	name of the prescribing practitioner, the name and strength of
46	the drug prescribed, the quantity of the drug prescribed in both
47	textual and numerical formats, and the directions for use of the
48	drug; must be dated with the month written out in textual
49	letters; and must be signed by the prescribing practitioner on
50	the day when issued. A written prescription for a controlled
51	substance listed in chapter 893 must have the quantity of the
52	drug prescribed in both textual and numerical formats and must
53	be dated with the abbreviated month written out on the face of
54	the prescription. However, a prescription that is electronically
55	generated and transmitted must contain the name of the
56	prescribing practitioner, the name and strength of the drug
57	prescribed, the quantity of the drug prescribed in numerical
58	format, and the directions for use of the drug and must be dated

manner as any other pharmacy practice. The Board of Pharmacy shall develop rules regarding the practice of orthotics and pedorthics by a pharmacist. Any pharmacist or person under the supervision of a pharmacist engaged in the practice of orthotics
shall develop rules regarding the practice of orthotics and pedorthics by a pharmacist. Any pharmacist or person under the supervision of a pharmacist engaged in the practice of orthotics
pedorthics by a pharmacist. Any pharmacist or person under the supervision of a pharmacist engaged in the practice of orthotics
supervision of a pharmacist engaged in the practice of orthotics
or pedorthics is not precluded from continuing that practice
pending adoption of these rules.
Section 4. Subsection (3) of section 468.812, Florida
Statutes, is repealed.
Section 5. Paragraph (d) of subsection (2) of section
893.04, Florida Statutes, is amended to read:
893.04 Pharmacist and practitioner
(2)
(d) Each written prescription prescribed by a practitioner
in this state for a controlled substance listed in Schedule II,
Schedule III, or Schedule IV must include both a written and a

Page 3 of 4

-	
88	numerical notation of the quantity of the controlled substance
89	prescribed on the face of the prescription and a notation of the
90	date, with the abbreviated month written out on the face of the
91	prescription. A pharmacist may, upon verification by the
92	prescriber, document any information required by this paragraph.
93	If the prescriber is not available to verify a prescription, the
94	pharmacist may dispense the controlled substance but may insist
95	that the person to whom the controlled substance is dispensed
96	provide valid photographic identification. If a prescription
97	includes a numerical notation of the quantity of the controlled
98	substance or date, but does not include the quantity or date
99	written out in textual format, the pharmacist may dispense the
100	controlled substance without verification by the prescriber of
101	the quantity or date if the pharmacy previously dispensed
102	another prescription for the person to whom the prescription was
103	written.
104	Section 6. This act shall take effect July 1, 2009.
