The Committee on Health Regulation (Fasano) recommended the following:

Senate Amendment

Between lines 3412 and 3413
insert:

(c) A specialty plan, including a specialty plan formed to provide managed long-term care services by a community care for the elderly lead agency, whose target population includes no more than 10 percent of the enrollees of that region is not subject to the limitation on the number of plans in a region as provided in this section.
