or s. 316.70, or violated safety regulations pursuant to s.

out-of-service orders shall have the effect of prohibiting the
operations of any motor vehicles owned, leased, or otherwise
operated by the motor carrier upon the roadways of this state,
until such time as the violations have been corrected or
penalties have been paid. Out-of-service orders issued under

the Florida Highway Patrol Secretary of Transportation or his or
her designee. An administrative hearing pursuant to s. 120.569

(3) In addition to the sanctions found in subsections (1) and (2), the Department of Highway Safety and Motor Vehicles Transportation may petition the circuit courts of this state to enjoin any motor carrier from operating when it fails to comply with out-of-service orders issued by a competent authority within or outside this state.

(1) Any law enforcement officer, as prescribed in s. 316.640, or any weight inspector and safety officer of the Department of Transportation, as prescribed in s. 316.545(1), who has reason to believe that the width, height, or length of a
vehicle or combination of vehicles and the load thereon is not in conformance with s. 316.515 is authorized to require the driver to stop and submit such vehicle and load to measurement of its width, height, or length.

Section 13. Subsection (1), paragraphs (a) and (b) of subsection (2), paragraph (b) of subsection (4), and subsections (5), (9), and (10) of section 316.545, Florida Statutes, are amended to read:

316.545 Weight and load unlawful; special fuel and motor fuel tax enforcement; inspection; penalty; review.—

(1) Any officer of the Florida Highway Patrol weight and safety officer of the Department of Transportation having reason to believe that the weight of a vehicle and load is unlawful is authorized to require the driver to stop and submit to a weighing of the same by means of either portable or fixed scales and may require that such vehicle be driven to the nearest weigh station or public scales, provided such a facility is within 5 highway miles. Upon a request by the vehicle driver, the officer shall weigh the vehicle at fixed scales rather than by portable scales if such a facility is available within 5 highway miles. Anyone who refuses to submit to such weighing obstructs an officer pursuant to s. 843.02 and is guilty of a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083. Anyone who knowingly and willfully resists, obstructs, or opposes a weight and safety officer while refusing to submit to such weighing by resisting the officer with violence to the officer’s person pursuant to s. 843.01 is guilty of a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084.
(2)(a) Whenever an officer of the Florida Highway Patrol or a weight inspector of the Department of Transportation, upon weighing a vehicle or combination of vehicles with load, determines that the axle weight or gross weight is unlawful, the officer may require the driver to stop the vehicle in a suitable place and remain standing until a determination can be made as to the amount of weight thereon and, if overloaded, the amount of penalty to be assessed as provided herein. However, any gross weight over and beyond 6,000 pounds beyond the maximum herein set shall be unloaded and all material so unloaded shall be cared for by the owner or operator of the vehicle at the risk of such owner or operator. Except as otherwise provided in this chapter, to facilitate compliance with and enforcement of the weight limits established in s. 316.535, weight tables published pursuant to s. 316.535(7) shall include a 10-percent scale tolerance and shall thereby reflect the maximum scaled weights allowed any vehicle or combination of vehicles. As used in this section, scale tolerance means the allowable deviation from legal weights established in s. 316.535. Notwithstanding any other provision of the weight law, if a vehicle or combination of vehicles does not exceed the gross, external bridge, or internal bridge weight limits imposed in s. 316.535 and the driver of such vehicle or combination of vehicles can comply with the requirements of this chapter by shifting or equalizing the load on all wheels or axles and does so when requested by the proper authority, the driver shall not be held to be operating in violation of said weight limits.

(b) The officer or inspector shall inspect the license plate or registration certificate of the commercial vehicle, as
defined in s. 316.003(66), to determine if its gross weight is in compliance with the declared gross vehicle weight. If its gross weight exceeds the declared weight, the penalty shall be 5 cents per pound on the difference between such weights. In those cases when the commercial vehicle, as defined in s. 316.003(66), is being operated over the highways of the state with an expired registration or with no registration from this or any other jurisdiction or is not registered under the applicable provisions of chapter 320, the penalty herein shall apply on the basis of 5 cents per pound on that scaled weight which exceeds 35,000 pounds on laden truck tractor-semitrailer combinations or tandem trailer truck combinations, 10,000 pounds on laden straight trucks or straight truck-trailer combinations, or 10,000 pounds on any unladen commercial motor vehicle. If the license plate or registration has not been expired for more than 90 days, the penalty imposed under this paragraph may not exceed $1,000. In the case of special mobile equipment as defined in s. 316.003(48), which qualifies for the license tax provided for in s. 320.08(5)(b), being operated on the highways of the state with an expired registration or otherwise not properly registered under the applicable provisions of chapter 320, a penalty of $75 shall apply in addition to any other penalty which may apply in accordance with this chapter. A vehicle found in violation of this section may be detained until the owner or operator produces evidence that the vehicle has been properly registered. Any costs incurred by the retention of the vehicle shall be the sole responsibility of the owner. A person who has been assessed a penalty pursuant to this paragraph for failure to have a valid vehicle registration certificate pursuant to the
provisions of chapter 320 is not subject to the delinquent fee authorized in s. 320.07 if such person obtains a valid registration certificate within 10 working days after such penalty was assessed.

(4)

(b) In addition to the penalty provided for in paragraph (a), the vehicle may be detained until the owner or operator of the vehicle furnishes evidence that the vehicle has been properly registered pursuant to s. 207.004. Any officer of the Florida Highway Patrol or agent of the Department of Transportation may issue a temporary fuel use permit and collect the appropriate fee as provided for in s. 207.004(4).

Notwithstanding the provisions of subsection (6), all permit fees collected pursuant to this paragraph shall be transferred to the Department of Highway Safety and Motor Vehicles to be allocated pursuant to s. 207.026.

(5) Whenever any person violates the provisions of this chapter and becomes indebted to the state because of such violation in the amounts aforesaid and refuses to pay said penalty, in addition to the provisions of s. 316.3026, such penalty shall become a lien upon the motor vehicle, and the same may be foreclosed by the state in a court of equity. It shall be presumed that the owner of the motor vehicle is liable for the sum. Any person, firm, or corporation claiming an interest in the seized motor vehicle may, at any time after the lien of the state attaches to the motor vehicle, obtain possession of the seized vehicle by filing a good and sufficient forthcoming bond with the officer having possession of the vehicle, payable to the Governor of the state in twice the amount of the state’s...
lien, with a corporate surety duly authorized to transact business in this state as surety, conditioned to have the motor vehicle or combination of vehicles forthcoming to abide the result of any suit for the foreclosure of such lien. It shall be presumed that the owner of the motor vehicle is liable for the penalty imposed under this section. Upon the posting of such bond with the officer making the seizure, the vehicle shall be released and the bond shall be forwarded to the Department of Highway Safety and Motor Vehicles for safekeeping. The lien of the state against the motor vehicle aforesaid shall be foreclosed in equity, and the ordinary rules of court relative to proceedings in equity shall control. The task force shall submit to the President of the Senate and the Speaker of the House of Representatives the plan by February 1, 2012. The plan must include recommendations on the methodology to be used in creating a consolidated law enforcement entity by June 30, 2013. The task force expires June 30, 2012.
