Representative Bullard offered the following:

**Amendment (with title amendment)**

Between lines 1362 and 1363, insert:

Section 28. If the Legislature fails to provide sufficient funds to compensate instructional personnel and school administrators under the performance salary schedule pursuant to 1012.22(1)(c)5., Florida Statutes, by July 1, 2014, school districts may award professional service contracts to instructional personnel and school administrators who are rated "effective" or "highly effective" as an alternative means of rewarding them.
