SUMMARY ANALYSIS

SB 1036 passed the House on April 6, 2011. The bill was approved by the Governor on May 2, 2011, chapter 2011-28, Laws of Florida, and becomes effective July 1, 2011.

The bill re-creates and renames the Operations Trust Fund, FLAIR number 73-2-510, within the Department of Revenue. This trust fund serves as a depository for funds to be used for program operations funded by program revenues. The Operations Trust Fund is renamed the Operating Trust Fund to be consistent and similarly titled as other trust funds in other agencies across state government. In addition, the name change will reflect the fund name in the legislative budgeting system.

This bill repeals section 215.198(3), Florida Statutes, which provided for the termination of this trust fund on July 1, 2012.

The bill has no fiscal impact.
