The Committee on Transportation (Evers) recommended the following:

Senate Amendment (with title amendment)

Between lines 3560 and 3561
insert:

Section 70. Road marking materials.—

(1) A county, municipality, local governing authority, or other political subdivision of this state may not cause or allow markings to be placed on a street, roadway, or highway under its jurisdiction which are made with paint that has been mixed, in whole or in part, with reflective glass beads that contain 75 parts per million or more of inorganic arsenic as determined using EPA Method 6010B in conjunction with EPA Method 3052 for

161740

13 sample preparation.

14 (2) A person may not manufacture, sell, offer for sale, or
15 offer for promotional purposes in this state reflective glass
16 beads that are used to reflect light when applied to markings on
17 a street, roadway, or highway in this state if the glass beads
18 contain 75 parts per million or more of inorganic arsenic as
19 determined by using EPA Method 6010B in conjunction with EPA
20 Method 3052 for sample preparation.

21 (3) A person who violates this section is subject to a
22 civil penalty of at least \$500 but not more than \$1,000 for each
23 violation. If the violation is of a continuing nature, each day
24 of continuing violation is a separate offense.
