At the end of existing proviso language, following Specific Appropriation 174, INSERT:

From the funds in Specific Appropriation 174, the Agency for Health Care Administration, pursuant to Paragraph 69 of the Special Terms and Conditions for the Florida Medicaid Reform Section 1115 Demonstration waiver, as approved by the federal Centers for Medicare & Medicaid Services on December 15, 2011, shall develop a cost reimbursement methodology to utilize certified public expenditures as a funding mechanism for the Medicaid program, including a detailed explanation of the process by which the state would identify those costs eligible under the Medicaid program for purposes of certifying the public expenditures. The methodology must adhere to all requirements of state law and federal regulations or waiver authority. The agency, through a competitive procurement under chapter 287, Florida Statutes, may engage a consultant to develop the methodology. The agency shall submit a report containing the methodology and the policy implications of implementing the methodology no later than January 31, 2013, to the Governor, the President of the Senate, and the Speaker of the House of Representatives.

Line item amendments are accepted as part of the amendatory process. However, due to the necessity of using computerized systems this may entail a different placement within a budget entity or the renumbering of the specific appropriation items.
