7 (4) An Internet-based course may be approved by the board  
 8 as an option to classroom hours as satisfactory completion of  
 9 the education courses required by this section. The schools  
 10 authorized by this section have the option of providing  
 11 classroom courses, Internet-based courses, or both.

12 (a) An Internet-based course must utilize a delivery  
 13 method certified or approved by a board authorized independent  
 14 certifying organization.

15 (b) An Internet-based course intended for use as an  
 16 education course must include a written, closed-book final  
 17 examination proctored by an appropriate individual who  
 18 represents the public interest and is free from any conflicts of  
 19 interest. The term "written" as used herein refers to an exam
