Senate . House

.

.

Floor: 1/AD/3R .

04/26/2013 10:03 AM .

.

Senator Legg moved the following:

Senate Amendment (with title amendment)

Delete lines 176 - 182

and insert:

such construction, the utility may not recover any further rate of return under this section. The utility must provide written notice of this election to the commission within 14 days after making the election. Failure by the utility to timely notify the commission is a violation of this section and punishable under s. 350.127. Any cost recovery after the date of the election not to complete construction of the plant may not include a rate of return.

664710

14 ===== T I T L E A M E N D M E N T =====

15 And the title is amended as follows:

16 Delete lines 15 - 16

17 and insert:

18 nuclear power plant may not recover any future rate of
19 return for related costs; requiring a utility to
20 provide notice of its election to the commission;
21 providing for a penalty; exempting certain actions
