Appropriations Subcommittee on Health and Human Services  
(Richter) recommended the following:

**Senate Amendment (with title amendment)**

Delete lines 1189 - 1195  
and insert:

(5) DELIVERY OF SERVICES.—The corporation shall contract with authorized insurers licensed under chapter 627; managed care organizations authorized under chapter 641; and provider service networks authorized under ss. 409.912(4) (d) and 409.962(13), which are prepaid plans. These insurers, managed care organizations, and provider service networks must meet standards established by the corporation to provide comprehensive health care services to enrollees who qualify for

828398

13 services under this section. The corporation may contract for  
14 such services on a statewide or regional basis.

15
