Senator Thompson moved the following:

Senate Amendment (with title amendment)

Between lines 145 and 146

insert:

(9) Notwithstanding any other provision of this section, the Department of Legal Affairs shall establish, and thereafter maintain, a computerized database detailing the number of cases brought before the courts of this state in which Sharia law was attempted to be applied to the cause of action pending before the court. The department shall annually update the database and at all times make the information in the database accessible to the public.
