SUMMARY ANALYSIS

The Florida Salutes Veterans specialty license plate (plate) was created by the Legislature in 1989. Persons wishing to register a vehicle with the plate must pay a \$15 annual use fee in addition to the normal fees required when registering a vehicle. Originally, all of the revenues from the annual use fee were deposited in the State Homes for Veterans Trust Fund (Trust Fund). Trust Fund moneys are administered by the Department of Veterans' Affairs (DVA) and used solely for the purposes of constructing, operating, and maintaining domiciliary and nursing homes for veterans, and promotion and marketing of the plate.

Effective July 1, 2008, the Legislature established a direct support organization (the Florida Veterans Foundation, Inc.) for the DVA and revised the distribution of the annual use fee from the plate. 20 percent of the annual use fee was directed to the Florida Veterans Foundation, Inc., for a period not to exceed 24 months from the date the organization was incorporated. In 2010, the distribution of the annual use fee was again revised directing 10 percent to the Florida Veterans Foundation, Inc., for a period not to exceed 48 months after the date the Florida Veterans Foundation, Inc., was incorporated. All remaining fees are deposited in the State Homes for Veterans Trust Fund, in the State Treasury. The distribution to the Florida Veterans Foundation, Inc., expired June 30, 2012.

The bill reinstates and increases to 20 percent, the amount of the annual use fee distributed from sales of the Florida Salutes Veterans license plate to the Florida Veterans' Foundation, Inc. The bill also eliminates the expiration period of the annual distribution to the Florida Veterans Foundation, Inc., thereby continuing the 20 percent distribution indefinitely.

The bill will have a negative fiscal impact on the State Homes for Veterans Trust Fund and a corresponding positive fiscal impact on the Florida Veterans' Foundation, Inc. Reinstating and increasing the amount of the annual use fee distributed to the Florida Veterans' Foundation, Inc., to 20 percent would effectively reduce the percentage of the fee distributed to the State Homes for Veterans Trust Fund by 20 percent or about \$68,000 for fiscal year 2013 -14. See Fiscal Comments for additional information.

The bill provides an effective date of July 1, 2013.

FULL ANALYSIS

I. SUBSTANTIVE ANALYSIS

A. EFFECT OF PROPOSED CHANGES:

Specialty License Plates

Currently, specialty license plates are available to any owner or lessee of a motor vehicle who is willing to pay an annual use fee for the privilege. Annual use fees ranging from \$15 to \$25, paid in addition to required license taxes and service fees, are distributed to an organization or organizations in support of a particular cause or charity signified in the plate's design and designated in statute.

The Legislature has authorized 121 specialty license plates. Sales of specialty license plates generated over \$31 million in total net revenues during the Fiscal Year 2011-2012.¹

An organization that seeks to establish a new specialty license plate for which an annual use fee is to be charged is required to submit the following to DHSMV:

- A request for the plate describing it in specific terms;
- An application fee of not more than \$60,000 to defray DHSMV's cost for reviewing the application and developing the new plate; and
- A marketing strategy.²

These requirements must be satisfied at least 90 days prior to the convening of the next regular session of the Legislature. When a plate is approved by law, the following timeframes must be met:

- As soon as practicable, but not later than 60 days after approval, the approved organization must submit the proposed art design to DHSMV.
- Within 120 days after approval, DHSMV is required to establish a presale specialty license plate voucher, which includes the current specialty license plate processing fee,³ service charge and branch fee,⁴ and annual use fee.⁵
- Within 24 months after the presale voucher is established, the approved organization must record a minimum of 1,000 voucher sales with DHSMV before the plate is authorized to be manufactured. If the minimum sales requirements are not met, the plate is deauthorized⁶ and DHSMV is required to discontinue development of the plate and issuance of the presale vouchers.⁷

If a plate is not approved or the voucher presales requirement is not met, the application fee is refunded.

Currently, DHSMV is prohibited by law from issuing any new specialty license plates until after July 1, 2014.⁸

⁷ Section 320.08053(3), F.S.

⁸ *Id.*, Note., A., provides that “[e]xcept for a specialty license plate proposal which has submitted a letter of intent to the Department of Highway Safety and Motor Vehicles prior to May 2, 2008, and which has submitted a valid survey, marketing strategy, and application fee as required by s. 320.08053, Florida Statutes, prior to October 1, 2008, or which was included in a bill filed during the 2008 Legislative Session, the Department of Highway Safety and Motor Vehicles may not issue any new specialty license plates pursuant to ss. 320.08056 and 320.08058, Florida Statutes, between July 1, 2008, and July 1, 2014.”

The Florida Salutes Veterans specialty license plate (plate) was created by the Legislature in 1989.⁹ Persons wishing to register a vehicle with the plate must pay a \$15 annual use fee in addition to the normal fees required when registering a vehicle. Originally, all of the revenues from the use fee were deposited in the State Homes for Veterans Trust Fund (Trust Fund). Trust Fund moneys are administered by the Department of Veterans' Affairs (DVA) and used solely for the purposes of constructing, operating, and maintaining domiciliary and nursing homes for veterans, and promotion and marketing of the plate.

Effective July 1, 2008, the Legislature established a direct support organization¹⁰ (known as the Florida Veterans Foundation, Inc.¹¹) for the DVA and revised the distribution of the annual use fee from the plate.¹² Consequently, 20 percent of the annual use fee was directed to the Florida Veterans Foundation, Inc., for a period not to exceed 24 months from the date the organization was incorporated.¹³

In 2010, the distribution of the annual use fee was further revised directing 10 percent to the Florida Veterans Foundation, Inc., for a period not to exceed 48 months after the date the organization was incorporated. All remaining fees are to be deposited in the Trust Fund, in the State Treasury. As a result, distribution of the annual use fee to the Florida Veterans Foundation, Inc., expired June 30, 2012.¹⁴

Proposed Changes

The bill reinstates and increases to 20 percent, the amount of the annual use fee distributed from sales of the Florida Salutes Veterans license plate to the Florida Veterans' Foundation, Inc. The bill also eliminates the expiration period of the annual distribution of the fee to the Florida Veterans Foundation, Inc., thereby continuing the distribution indefinitely.

D. FISCAL COMMENTS:

The bill will have a negative fiscal impact on the State Homes for Veterans Trust Fund and a corresponding positive fiscal impact on the Florida Veterans' Foundation, Inc., DVA's direct support organization. Reinstating and increasing the amount of the annual use fee distributed to the Florida Veterans' Foundation, Inc., to 20 percent would effectively reduce the amount of annual use fees distributed to the State Homes for Veterans Trust Fund in fiscal year 2013-14 by 20 percent. Based on fiscal year 2011-12 license plate sales data, the reduction could be about \$68,000. However, the amounts of the distributions vary based on the number of license plates sold or renewed each year. In fiscal year 2011-12, DHSMV reports that 22,660¹⁵ of the plates were sold or renewed, from which the Florida Veterans Foundation, Inc., received 10 percent or approximately \$34,000 in annual use fees.¹⁶ For fiscal year 2012-13 the DVA State Veterans Homes Program has a budget of over \$79 million.¹⁷
