In Section 34 On Page 369

INSERT new section 34 as follows and renumber subsequent sections:

The unexpended balance of funds provided in Specific Appropriations 1857 and 1859 of chapter 2007-72, Laws of Florida, transferred from the Department of Environmental Protection to the Suwannee River Water Management District for the implementation of projects utilizing innovative, cost effective, biologically based nutrient control technologies in the Suwannee River Surface Water Improvement Initiative shall revert and is appropriated for Fiscal Year 2013-2014 to the Department of Environmental Protection for distribution to Lee County for nitrogen and phosphorus reduction utilizing innovative, cost-effective, biologically based, nutrient control technologies.

Line item amendments are accepted as part of the amendatory process. However, due to the necessity of using computerized systems this may entail a different placement within a budget entity or the renumbering of the specific appropriation items.
