

Amendment No.

CHAMBER ACTION

Senate

House

.

Representative Saunders offered the following:

Amendment (with title amendment)

Between lines 421 and 422, insert:

(d) For a student enrolling in an extracurricular course as defined in s. 1003.01(15), a parent may choose to have the student taught by a teacher who received a performance evaluation of "needs improvement" or "unsatisfactory" in the preceding school year if the student and the student's parent receive an explanation of the impact of teacher effectiveness on student learning and the principal receives written consent from the parent.

T I T L E A M E N D M E N T

Between lines 48 and 49, insert:

595323

Amendment No.

17 | authorizing the parent of a student to consent to the
18 | assignment of that student to a teacher with a
19 | performance evaluation rating of less than effective
20 | under certain circumstances;
