Within 120 days after receipt of a complete application, the commission shall grant or deny the permit. A completed application that is not acted upon within 120 days after receipt is deemed approved, and the commission shall grant the permit.

Such permit authorizes the county in which the applicant seeks to operate to hold an election ratifying such permit pursuant to s. 551.0221 and does not authorize pari-mutuel wagering.
- (3) An application for a permit may not be considered, nor may a permit be issued by the commission or be voted upon in any county, to conduct horseraces, harness races, or greyhound races at a location within 100 miles of an existing pari-mutuel facility, or for jai alai within 50 miles of an existing pari-mutuel facility. Such distance shall be measured on a straight line from the nearest property line of one pari-mutuel facility to the nearest property line of the other facility.
- (4) The commission shall require that each applicant submit an application that includes, at a minimum:

 Securities and Exchange Commission the reports required by s. 13 of that act or if the securities of the corporation or entity are regularly traded on an established securities market in the United States.

- (e) For each individual listed in the application as an owner, partner, officer, or director, a complete set of fingerprints taken by an authorized law enforcement officer. The set of fingerprints must be submitted to the Federal Bureau of Investigation for processing. An applicant who is a foreign national shall submit such documents as necessary to allow the department to conduct a criminal history records check in the applicant's home country. The applicant must pay the cost of processing. The department may charge a \$2 handling fee for each set of fingerprint records.
- (f) The exact location where the applicant will conduct pari-mutuel performances.
- and, if leased, the name and residence of the fee owner or, if a corporation, the names and addresses of the directors and stockholders thereof. However, this part does not prevent a person from applying to the commission for a permit to conduct pari-mutuel operations, regardless of whether the pari-mutuel facility has been constructed, and having an election held in any county at the same time that elections are held for the ratification of any permit in that county.
 - (h) The names and addresses of any mortgagee of any pari-

- with the board of county commissioners of the county in which the election is to be held a sufficient sum, in currency or by check certified by a bank licensed to do business in the state, to pay the expenses of holding the election provided in s. 551.0221.
- (6) Upon receiving an application and any amendments properly made thereto, the department shall further investigate the matters contained in the application. The department shall present its findings to the commission for review. If the applicant meets all requirements, conditions, and qualifications set forth in this part and the rules of the commission and the commission finds that it would be in the best interests of the state, the commission may grant the permit. In addition to the applicant's qualifications, the commission shall consider the overall impact to state revenues, including those generated under tribal-state gaming compacts.

Page 53 of 411

(7) After initial approval of the permit and the source of financing, the terms and parties of any subsequent refinancing must be disclosed by the applicant or the permitholder to the commission.

- (8) If the commission refuses to grant the permit, the money deposited with the board of county commissioners for holding the election must be refunded to the applicant. If the commission grants the permit applied for, the board of county commissioners shall order an election for ratification of the permit in the county, as provided in s. 551.0221.
- (9) (a) The department may charge the applicant for reasonable, anticipated costs incurred by the department in determining the eligibility of any person or entity specified in s. 551.029 to hold any pari-mutuel permit.
- (b) The department may, by rule, determine the manner of paying its anticipated costs associated with determination of eligibility and the procedure for filing applications for determination of eligibility.
- (c) The department shall furnish to the applicant an itemized statement of actual costs incurred during the investigation to determine eligibility.
- (d) If unused funds remain at the conclusion of such investigation, they must be returned to the applicant within 60 days after the determination of eligibility has been made.
- (e) If the actual costs of investigation exceed anticipated costs, the department shall assess the applicant the

Page 54 of 411

amount necessary to recover all actual costs.

(10) After a permit has been granted by the commission and has been ratified and approved by the majority of the electors participating in the election in the county designated in the permit, the permitholder may apply for, subject to the conditions of this part, a license to conduct pari-mutuel operations under this part at the location fixed in the permit and ratified in the election. After the first license has been issued to the holder of a ratified permit for pari-mutuel operations in any county, all subsequent annual applications for a license by that permitholder must be accompanied by proof, in such form as the commission requires, that the ratified permitholder still possesses all the qualifications prescribed by this part and that the permit has not been recalled at a later election held in the county.

- (11) (a) If a permitholder has failed to complete construction of at least 50 percent of the facilities necessary to conduct pari-mutuel operations within 12 months after approval of the permit by the voters or within 12 months after receiving the permit if ratification was not required, the commission shall revoke the permit upon adequate notice to the permitholder. However, the commission, upon good cause shown by the permitholder, may grant one extension of up to 12 months.
- (b) If a permitholder has failed to conduct live events for a period of 12 consecutive months, the commission shall revoke the permit upon adequate notice to the permitholder.

Page 55 of 411

However, the commission, upon good cause shown by the permitholder, may grant one extension of up to 12 months.

- (c) The commission shall revoke any permit issued before July 1, 2012, under which pari-mutuel wagering on live events, as defined by this act, has not occurred since July 1, 2012.
- (d) The permit of a pari-mutuel wagering permitholder that does not pay tax on handle for a full schedule of live events during any 2 consecutive state fiscal years shall be void and shall escheat to and become the property of the state unless such failure to operate and pay tax on handle was the direct result of fire, strike, war, or other disaster or event beyond the permitholder's control. Financial hardship to the permitholder is not, in and of itself, just cause for failure to operate and pay tax on handle.
- (e) A permit revoked under this subsection is void and may not be reissued.
- (12) (a) A permit granted under this part may not be transferred or assigned except upon written approval by the commission pursuant to s. 551.029.
- (b) If a permit to conduct pari-mutuel wagering is held by a corporation or business entity other than an individual, the transfer of 10 percent or more of the stock or other evidence of ownership or equity in the permitholder may not be made without the prior approval of the transferee by the commission pursuant to s. 551.029.
 - (13) Changes in ownership of or interest in a pari-mutuel

Page 56 of 411

permit of 5 percent or more of the stock or other evidence of ownership or equity in the permitholder shall be approved by the commission before such change, unless the owner is an existing owner of that permit who was previously approved by the commission. Changes in ownership of or interest in a pari-mutuel permit of less than 5 percent must be reported to the department within 20 days after the change. The department may then conduct an investigation to ensure that the permit is properly updated to show the change in ownership or interest.

registration books for the county shall be opened on the 10th day after the ratification election is ordered and called, however, if the 10th day is a Sunday or a holiday, then on the next day that is not a Sunday or holiday. The registration books must remain open for 10 days. Electors for the ratification election have the same qualifications for and prerequisites to voting in elections as under the general election laws.

(5) If, at any such ratification election, the majority of electors voting on the question of ratification of a permit vote against ratification, the permit is void. If a majority of the electors voting on the question of ratification vote for ratification, the permit becomes effective, and the permitholder may conduct events upon complying with the other provisions of this part. The board of county commissioners shall immediately certify the results of the election to the department.

Section 28. Effective October 1, 2014, section 551.0222, Florida Statutes, is created to read:

551.0222 Petition for election to revoke permit.—In any county where a permitholder has been licensed and racing or games have been conducted under this part, the county commission shall, upon petition of 20 percent of the registered electors of the county, provide for the submission to the electors of such county at the next succeeding general election the question of whether a permit shall be revoked. If a majority of the electors voting on such question in such election vote to revoke the

permit, the commission may no longer grant any license on the permit. Every signature on every petition to revoke a permit must be signed in the presence of the clerk of the board of county commissioners at the office of the clerk of the circuit court of the county. The petitioner must present at the time of such signing her or his registration receipt showing the petitioner's qualification as an elector of the county at the time of signing the petition. Only one permit may be included in any one petition. In all elections in which the revocation of more than one permit is voted on, the voters shall be given an opportunity to vote for or against the revocation of each permit separately. This part does not prevent the holding of later referendum or revocation elections.

Section 29. Effective October 1, 2014, section 551.0241, Florida Statutes, is created to read:

551.0241 Relocation of permit.-

- (1) A licensed pari-mutuel permitholder may apply to the commission to change the location where it is authorized to conduct pari-mutuel wagering under its permit pursuant to the rules of the commission.
- (2) The commission may consider a relocation application only if the applicant provides clear and convincing evidence that:
- (a) The proposal would not have a net negative impact on state revenues, including those generated under tribal-state gaming compacts.

Page 60 of 411

(b) The relocation does not cross the county boundary.

(c) Pari-mutuel wagering at the proposed location is approved under the zoning and land use regulations of the applicable county or municipality.

- (3) The commission may approve a relocation proposal if it determines such relocation is in the best interests of the state. In making such determination, the commission shall consider any impact to state resources, the local community, the industry and other pari-mutuel wagering licensees.
- issue a revised permit setting forth the new location of the pari-mutuel facility. No pari-mutuel wagering or other gaming may be conducted at the new location unless the permitholder receives a license for such wagering or gaming at the new location pursuant to this chapter. No pari-mutuel wagering or other gaming may be conducted at the new location unless the permitholder receives a license for such wagering or gaming at the new location pursuant to this chapter.
- Section 30. Effective October 1, 2014, section 551.0251, Florida Statutes, is created to read:
 - 551.0251 Limited thoroughbred racing permit.-
- (1) In recognition of the important and long-standing economic contribution of the thoroughbred horse breeding industry to this state and the state's vested interest in promoting the continued viability of this agricultural activity, the state intends to provide a limited opportunity for the

Notwithstanding any other provision of law, the holder of a quarter horse racing permit may, within 1 year after July 1, 2010, apply to the commission for a transfer of the quarter horse racing permit to a not-for-profit corporation formed under state law to serve the purposes of the state as provided in subsection (1). The board of directors of the not-for-profit corporation must be comprised of 11 members, four of whom shall be designated by the applicant, four of whom shall be designated by the Florida Thoroughbred Breeders' and Owners' Association, and three of whom shall be designated by the other eight directors, with at least one of these three members being an authorized representative of another thoroughbred racing licensee in this state. Section 32. Effective October 1, 2014, section 551.0253, Florida Statutes, is created to read:

551.0253 Conversion of permit; Summer jai alai.-

(1) A pari-mutuel permitholder, authorized to conduct pari-mutuel pools in any county having five or more such parimutuel permits, whose play from the operation of such parimutuel pools for the 2 consecutive years immediately before filing an application under this section was the smallest play or total pool within the county may apply to the commission to convert its permit to a permit to conduct a summer jai alai fronton in such county during the summer season beginning May 1 and ending November 30 of each year on such dates as may be selected by the permitholder for the same number of days and performances as are allowed and granted to winter jai alai frontons within such county. Such permitholder shall pay the same taxes as are fixed and required to be paid from the parimutuel pools of winter jai alai permitholders and is bound by all of the rules and provisions of this part which apply to the operation of winter jai alai frontons. Such permitholder may

Page 65 of 411

operate a jai alai fronton only after its application has been approved by the commission and its license has been issued pursuant to the application. The license is renewable annually as provided by law.

- (2) Such permitholder may apply for a license for the operation of a jai alai fronton during the summer season as provided in this section. A permitholder granted a license under this section may not conduct pari-mutuel pools during the summer season except at a jai alai fronton as provided in this section.
- (3) A license issued under subsection (2) may not allow the operation of a jai alai fronton during the jai alai winter season. The jai alai winter licensee and the jai alai summer licensee may not operate on the same days or in competition with each other. This section does not prevent the summer jai alai licensee from leasing the facilities of the winter jai alai licensee for the operation of the summer meet.
- (4) The provisions of this part prohibiting the location and operation of a jai alai fronton within a specified distance from the location of another jai alai fronton or other permitholder do not apply to this section and do not prevent the issuance of a license under this section.
- Section 33. Effective October 1, 2014, section 551.026, Florida Statutes, is created to read:
 - 551.026 Nonwagering licenses.—
- 1715 (1) (a) Except as provided in this section, permits and licenses issued by the commission are intended to be used for

Page 66 of 411

pari-mutuel wagering operations in conjunction with horseraces, greyhound races, or jai alai performances.

- (b) Subject to the requirements of this section, the commission may issue annual licenses for the conduct of horserace meets without pari-mutuel wagering or any other form of wagering being conducted in conjunction with such meets. A pari-mutuel wagering permitholder need not obtain an additional permit from the commission for conducting nonwagering racing under this section but must apply to the commission for the issuance of a license under this section. The holder of a nonwagering license is prohibited from conducting pari-mutuel wagering or any other form of wagering in conjunction with racing conducted under the license. This subsection does not prohibit horseracing for any stake, purse, prize, or premium.
- (c) The holder of a nonwagering license is exempt from s. 551.301 and is not required to pay daily license fees and admission tax.
- (2) (a) A person who is not prohibited from holding any type of pari-mutuel permit under s. 551.029 may apply to the commission for a nonwagering license. The applicant must demonstrate that the location where the nonwagering license will be used is available for such use and that the applicant has the financial ability to satisfy the reasonably anticipated operational expenses.
- (b) The department may conduct an eligibility investigation to determine whether the applicant meets the

Page 67 of 411

requirements of paragraph (a).

- (3) (a) After receipt of an initial nonwagering license, the licensee may apply to the commission before June 1 of each year for an annual nonwagering license for the next succeeding calendar year. The application must set forth the days and locations at which the licensee will conduct nonwagering horseracing and must indicate any changes in ownership or management of the licensee occurring since the date of application for the prior license. The department may conduct an eligibility investigation to determine the qualifications of any new ownership or management interest in the license.
- (b) On or before August 1 of each year and upon approval of the racing dates by the commission, the department shall issue an annual nonwagering license authorizing the permitholder to conduct nonwagering horseracing during the succeeding calendar year during the period and for the number of days set forth in the application, subject to all other provisions of this section.
- (4) Only horses registered with an established breed registration organization approved by the commission may be raced at a race meeting authorized under this section.
- (5) The commission may order any person participating in a nonwagering meet to cease and desist from participating in such meet if the commission determines that the person is not of good moral character. The commission may order the operators of a nonwagering meet to cease and desist from operating the meet if

Page 68 of 411

1771	Section 34. Effective October 1, 2014, section 551.029,

1773	551.029 Certain persons prohibited from holding permits;
1774	suspension and revocation
1775	(1) A corporation, general or limited partnership, sole
1776	proprietorship, business trust, joint venture, unincorporated
1777	association, or other business entity may not hold a pari-mutuel
1778	permit in this state if any one of the persons or entities
1779	specified in paragraph (a) has been determined by the commission
1780	not to be of good moral character or has been convicted of any
1781	offense specified in paragraph (b).
1782	(a)1. The permitholder;
1783	2. An employee of the permitholder;
1784	3. The sole proprietor of the permitholder;
1785	4. A corporate officer or director of the permitholder;
1786	5. A general partner of the permitholder;
1787	6. A trustee of the permitholder;
1788	7. A member of an unincorporated association permitholder;
1789	8. A joint venturer of the permitholder;
1790	9. The owner of more than 5 percent of any equity interest
1791	in the permitholder, whether as a common shareholder, general or
1792	limited partner, voting trustee, or trust beneficiary; or
1793	10. An owner of any interest in the permit or

owner, or holder of any debt, mortgage, contract, or concession from the permitholder, who by virtue thereof is able to control the business of the permitholder.

(b) 1. A felony in this state;

- 2. A felony in any other state which would be a felony under the laws of this state if committed in this state;
 - 3. A felony under the laws of the United States;
- 4. A felony related to gambling in any other state which would be a felony under the laws of this state if committed in this state; or
 - 5. Bookmaking as defined in s. 849.25.
- (2) (a) If the applicant for a pari-mutuel permit or a permitholder has received a full pardon or a restoration of civil rights with respect to the conviction specified in paragraph (1) (b), the conviction does not constitute an absolute bar to the issuance or renewal of a permit or a ground for the revocation or suspension of a permit.
- (b) A corporation convicted of a felony may apply for and receive a restoration of its civil rights in the same manner and on the same grounds as an individual.
- (3) (a) After notice and hearing, the commission shall suspend or refuse to issue or renew, as appropriate, any permit in violation of subsection (1). The order shall become effective 120 days after service of the order upon the permitholder and shall be amended to constitute a final order of revocation unless the permitholder has, within that 120-day period:

Page 70 of 411

1. Caused the divestiture, or agreed with the convicted
person upon a complete immediate divestiture, of her or his
holding;
2. Petitioned the circuit court as provided in subsection
(4); or

- 3. In the case of corporate officers or directors of the permitholder or employees of the permitholder, terminated the relationship between the permitholder and such persons.
- (b) The commission may, by order, extend the 120-day period for divestiture, upon good cause shown, to avoid interruption of any meet or to otherwise effectuate this section. If action has not been taken by the permitholder within the 120-day period following the issuance of the order of suspension, the commission shall, without further notice or hearing, enter a final order of revocation of the permit.
- (c) When any permitholder or sole proprietor of a permitholder is convicted of an offense specified in paragraph (1) (b), the department may approve a transfer of the permit to a qualified applicant upon a finding that revocation of the permit would impair the state's revenue from the operation of the permit or otherwise be detrimental to the interests of the state in the regulation of the industry of pari-mutuel wagering.

 Notwithstanding any other provision of law, a public referendum is not required for approval of the transfer under this paragraph. A petition for transfer after conviction must be filed with the department within 30 days after service upon the

Page 71 of 411

permitholder of the final order of revocation. The timely filing of such a petition automatically stays any revocation order until further order of the department.

- etition brought by the holder of a pari-mutuel permit showing that its permit is in jeopardy of suspension or revocation under subsection (3) and that it is unable to agree upon the terms of divestiture of interest with the person specified in subparagraphs (1) (a) 3.-9. who has been convicted of an offense specified in paragraph (1) (b). The court shall determine the reasonable value of the interest of the convicted person and order a divestiture upon such terms and conditions as it finds just. In determining the value of the interest of the convicted person, the court may consider, among other matters, the value of the assets of the permitholder, its good will and value as a going concern, recent and expected future earnings, and other criteria usual and customary in the sale of like enterprises.
- (5) The commission shall adopt rules for photographing, fingerprinting, and obtaining personal data of individuals described in paragraph (1)(a) and obtaining such data regarding the business entities described in paragraph (1)(a) as necessary to effectuate this section.
- Section 35. Effective October 1, 2014, section 551.0321, Florida Statutes, is created to read:
 - 551.0321 Permitholder license; bond.—
- (1) After a permit has been issued by the division and

Page 72 of 411

approved by election, the division shall issue to the permitholder an annual license to conduct pari-mutuel operations at the location specified in the permit pursuant to this part.

Before delivery of an initial license, each permitholder granted a license under this part must, at its own expense, give a bond payable to the Governor and the Governor's successors in the penal sum of \$50,000. Such bond must be in the form of a surety or sureties approved by the commission and the Chief Financial Officer and shall be conditioned on the following:

- (a) The permitholder faithfully making payments to the Chief Financial Officer acting in his or her capacity as treasurer of the commission and department;
- (b) The permitholder keeping books and records and making the required reports; and
- (c) The permitholder conducting racing in conformity with this part.
- (2) If the greatest amount of tax owed during any month in the prior fiscal year in which a full schedule of live racing was conducted is less than \$50,000, the commission may assess a bond less than \$50,000. The commission may review the bond for adequacy and require adjustments to the bond amount each fiscal year. The commission may adopt rules to implement this subsection and establish guidelines for such bonds.
- (3) The provisions of this part concerning bonding do not apply to nonwagering licenses issued under s. 551.026.
 - Section 36. Effective October 1, 2014, section 551.0322,

Page 73 of 411

Florida Statutes, is created to read:

- 551.0322 License application; periods of operation; bond.-
- (1) After a permit has been issued by the commission and approved by election, the permitholder may apply for an initial annual license to conduct pari-mutuel operations at the location specified in the permit pursuant to this part.
- (2) Annually, between December 15, and January 4, each permitholder shall file with the department its written application for a license to conduct performances during the next fiscal year. Each application must specify the number, dates, and starting times of all performances the permitholder intends to conduct and specify which performances will be conducted as charity or scholarship performances. In addition, each application for a license must include:
- (a) For each permitholder that is authorized to accept intertrack wagers or receive or rebroadcast out-of-state races, the dates and periods of operation that the licensee intends to operate such wagering.
- (b) For each permitholder that holds a cardroom license, the dates and periods of operation that the permitholder intends to operate the cardroom.
- (c) For each permitholder that holds a slot machine license, the dates and periods of operation that the permitholder intends to operate slot machines.
- 1923 (3) After the first license has been issued to a
 1924 permitholder, all subsequent annual applications for a license

must be accompanied by proof, in such form as the commission may by rule require, that the permitholder continues to possess the qualifications required under this part and that the permit has not been disapproved at a later election.

- (4) A permitholder may amend its application through
 February 28. After February 28, each permitholder must operate
 the full number of days authorized on each of the dates set
 forth in its license as a condition precedent to the validity of
 its license and its right to retain its permit.
- March 15. Each permitholder shall operate all performances on the dates and at the times specified on its license. The commission may approve changes in operating dates after a license has been issued. The department may approve minor changes in operating dates after a license has been issued if there is no objection from any operating licensee located within 50 miles of the licensee requesting the changes in operating dates. If there is an objection, the commission shall determine whether to approve the change based upon its impact on operating licensees located within 50 miles of the licensee requesting the change in operating dates. In making the determination whether to change operating dates, the commission shall take into consideration the impact of such changes on state revenues.
- (6) If a licensee fails to operate all performances on the dates and at the times specified on its license, the commission shall hold a hearing to determine whether to penalize the

If performances licensed to be operated by a permitholder are vacated, are abandoned, or will not be used for any reason, any permitholder may, pursuant to department rule, apply to conduct performances on the dates for which the performances have been abandoned. The commission shall issue an amended license for all such replacement performances that have been requested in compliance with this part and department rules. A pari-mutuel permitholder may apply to the commission (8) to place the pari-mutuel permit into inactive status for a period of 12 months pursuant to the rules of the department. Section 38. Effective October 1, 2014, section 551.034, Florida Statutes, is created to read:

551.034 Uniform reporting system.—

- (1) The Legislature finds that a uniform reporting system should be developed to provide acceptable uniform financial data and statistics.
- (2) (a) Each permitholder that conducts events under this part shall keep records that clearly show the total number of admissions and the total amount of money contributed to each pari-mutuel pool on each event separately and the amount of money received daily from admission fees and, within 120 days after the end of its fiscal year, shall submit to the department a complete annual report of its accounts, audited by a certified public accountant licensed to practice in the state.
- (b) The department shall adopt rules specifying the form and content of such reports, including, but not limited to, requirements for a financial statement of assets and liabilities, operating revenues and expenses, and net worth and any supporting informational schedule found necessary by the

Page 78 of 411

commission to verify the financial statement. The financial statement must be audited by a certified public accountant licensed to practice in this state, and any supporting informational schedule must be attested to under oath by the permitholder or an officer of record. The form and content of such reports must permit the commission to:

- 1. Assess the profitability and financial soundness of permitholders, both individually and as an industry;
- 2. Plan and recommend measures necessary to preserve and protect the pari-mutuel revenues of the state; and
- 3. Completely identify the holdings, transactions, and investments of permitholders with other business entities.
- (c) The Auditor General and the Office of Program Policy
 Analysis and Government Accountability may, pursuant to their
 own authority or at the direction of the Legislative Auditing
 Committee, audit, examine, and check the books and records of
 any permitholder. These audit reports shall become part of, and
 be maintained in, the commission files.
- (d) The commission shall annually review the books and records of each permitholder and verify that the breaks and unclaimed ticket payments made by each permitholder are true and correct.

Such permitholder must pay the municipality or county the cost of a building permit, and the improvement must be contiguous to or within the existing pari-mutuel facility site. payments made from outside sources, during the 1993-1994 state fiscal year by the permitholder's live handle for the 1993-1994 state fiscal year. Each permitholder shall pay as purses for live races conducted during its current race meet a percentage of its live handle not less than the percentage determined under this subsection, exclusive of payments made by outside sources, for its 1993-1994 state fiscal year.

Except as otherwise set forth in this section, in addition to the minimum purse percentage required under subsection (2), each permitholder shall pay as purses an annual amount equal to 75 percent of the daily license fees paid by each permitholder for the 1994-1995 fiscal year. This purse supplement shall be disbursed weekly during the permitholder's race meet in an amount determined by dividing the annual purse supplement by the number of performances approved for the permitholder pursuant to its annual license and multiplying that amount by the number of performances conducted each week. For the greyhound racing permitholders in the county where there are two greyhound racing permitholders located as specified in s. 551.073(6), such permitholders shall pay in the aggregate an amount equal to 75 percent of the daily license fees paid by such permitholders for the 1994-1995 fiscal year. These permitholders shall be jointly and severally liable for such purse payments. The additional purses provided by this subsection must be used exclusively for purses other than stakes. The department shall conduct audits necessary to ensure

Page 86 of 411

compliance with this section.

(4) (a) Each greyhound racing licensee, when conducting at least three live performances during any week, shall pay purses in that week on wagers it accepts as a guest facility on intertrack and simulcast greyhound races at the same rate as it pays on live races. Each greyhound racing licensee, when conducting at least three live performances during any week, shall pay purses in that week, at the same rate as it pays on live races, on wagers accepted on greyhound races at a guest facility that is not conducting live racing and that is located within the same market area as the greyhound racing licensee conducting at least three live performances during any week.

- (b) Each host greyhound racing licensee shall pay purses on its simulcast and intertrack broadcasts of greyhound races to guest facilities that are located outside its market area in an amount equal to one quarter of an amount determined by subtracting the transmission costs of sending the simulcast or intertrack broadcasts from an amount determined by adding the fees received for greyhound simulcast races plus 3 percent of the greyhound intertrack handle at guest facilities that are located outside the market area of the host and that paid contractual fees to the host for such broadcasts of greyhound races.
- (5) In addition to the purse requirements of subsections (2)-(4), each greyhound racing permitholder shall pay as purses an amount equal to one-third of the amount of the tax reduction

Page 87 of 411

2263 on live and simulcast handle applicable to such permitholder as 2264 a result of the reductions in tax rates provided through s. 2265 551.043(4). With respect to intertrack wagering when the host 2266 and guest facilities are greyhound racing permitholders not 2267 within the same market area, an amount equal to the tax 2268 reduction applicable to the guest facility handle as a result of 2269 the reduction in tax rate provided through s. 551.043(5) shall 2270 be distributed to the guest facility, one-third of which amount 2271 shall be paid as purses at the guest facility. However, if the 2272 quest facility is a greyhound racing permitholder within the 2273 market area of the host or if the guest facility is not a 2274 greyhound racing permitholder, an amount equal to such tax 2275 reduction applicable to the quest facility handle shall be 2276 retained by the host facility, one-third of which amount shall 2277 be paid as purses at the host facility. These purse funds shall 2278 be disbursed in the week received if the permitholder conducts 2279 at least one live performance during that week. If the 2280 permitholder does not conduct at least one live performance 2281 during the week in which the purse funds are received, the purse 2282 funds shall be disbursed weekly during the permitholder's next 2283 race meet in an amount determined by dividing the purse amount 2284 by the number of performances approved for the permitholder 2285 pursuant to its annual license and multiplying that amount by 2286 the number of performances conducted each week. The department 2287 shall conduct audits as necessary to ensure compliance with this 2288 section.

Page 88 of 411

(6) Each greyhound racing licensee shall, during the licensee's race meet, supply kennel operators and the department with a weekly report showing purses paid on live greyhound races and all greyhound intertrack and simulcast broadcasts, including both as a guest and a host together with the handle or commission calculations on which such purses were paid and the transmission costs of sending the simulcast or intertrack broadcasts, so that the kennel operators may determine statutory and contractual compliance.

- (7) Each greyhound racing licensee shall make direct payment of purses to the greyhound owners who have filed with such licensee appropriate federal taxpayer identification information based on the percentage amount agreed upon between the kennel operator and the greyhound owner.
- (8) At the request of a majority of kennel operators under contract with a greyhound racing licensee, the licensee shall make deductions from purses paid to each kennel operator electing such deduction and shall make a direct payment of such deductions to the local association of greyhound kennel operators formed by a majority of kennel operators under contract with the licensee. The amount of the deduction shall be at least 1 percent of purses as determined by the local association of greyhound kennel operators. A deduction may not be taken pursuant to this subsection without a kennel operator's specific approval.

Section 45. Effective October 1, 2014, section 551.043,

Florida Statutes, is created to read:

- 551.043 Greyhound racing; taxes and fees.-
- 2317 (1) FINDINGS.—

- (a) The Legislature finds that the operation of a greyhound race track and legalized pari-mutuel betting at greyhound race tracks in this state is a privilege and is an operation that requires strict supervision and regulation in the best interests of the state. Pari-mutuel wagering at greyhound race tracks in this state is a substantial business, and taxes derived from wagering constitute part of the tax structures of the state and the counties. The operators of greyhound race tracks should pay their fair share of taxes to the state but should not be taxed to such an extent as to cause a track that is operated under sound business principles to be forced out of business.
- (b) A permitholder that conducts greyhound racing under this part must pay the daily license fee, the admission tax, the breaks tax, and the tax on pari-mutuel handle and is subject to all penalties and sanctions provided in s. 551.033(2).
- in the business of conducting greyhound race meetings shall pay to the department, for the use of the department, a daily license fee on each live or simulcast pari-mutuel event of \$80 for each greyhound race conducted at the licensee's racetrack.

 Each permitholder shall pay daily license fees not to exceed \$500 per day on any simulcast event on which such permitholder

Page 90 of 411

accepts wagers regardless of the number of out-of-state events taken or the number of out-of-state locations from which such events are taken. The daily license fees shall be remitted to the Chief Financial Officer for deposit into the Gaming Control Trust Fund.

- (3) ADMISSION TAX.—An admission tax equal to the greater of 15 percent of the admission charge for entrance to the permitholder's facility and grandstand area or 10 cents is imposed on each person attending a greyhound race. The permitholder is responsible for collecting the admission tax.
- (4) TAX ON LIVE HANDLE.—Each licensee shall pay a tax on live handle from races conducted by the licensee. The tax is imposed daily and is based on the total contributions to all pari-mutuel pools conducted during the daily live performance. If a licensee conducts more than one live performance daily, the tax is imposed on each live performance separately.
- (a) The tax on live handle for greyhound racing performances is 5.5 percent of the handle.
- (b) Notwithstanding paragraph (a), the tax on live handle for charity or scholarship greyhound racing performances held pursuant to s. 551.039 is 7.6 percent of the handle.
- (5) TAX ON HANDLE FROM INTERTRACK WAGERING.—If the host facility is a greyhound race track, the tax on handle for intertrack wagering is 5.5 percent of the handle with the following exceptions:
 - (a) On broadcasts of charity or scholarship performances

Page 91 of 411

held pursuant to s. 551.039, if the guest facility is a greyhound race track located within the market area of the host facility, the tax on handle for intertrack wagering at the guest greyhound race track is 7.6 percent of the handle.

- (b) If the guest facility is located outside the market area of the host facility and within the market area of a thoroughbred racing licensee currently conducting a live race meet, the tax on handle for intertrack wagering is 0.5 percent of the handle.
- (c) If the guest facility is a greyhound race track located in an area of the state in which there are only three permitholders, all of which are greyhound permitholders, located in three contiguous counties, on events received from a greyhound racing permitholder also located within such area, the tax on handle for intertrack wagering is 3.9 percent of the handle.
- (d) If the guest facility is a greyhound race track located as specified in s. 551.073(6) or (9), on events received from a greyhound racing permitholder located within the same market area, the tax on handle for intertrack wagering is 3.9 percent of the handle.
- (6) ABANDONED CONTRIBUTIONS TO OR INTEREST IN PARI-MUTUEL POOLS.—All money or other property represented by any unclaimed, uncashed, or abandoned pari-mutuel ticket which has remained in the custody of or under the control of any permitholder authorized to conduct greyhound racing pari-mutuel pools in this

Page 92 of 411

state for a period of 1 year after the date the pari-mutuel ticket was issued, if the rightful owner or owners thereof have made no claim or demand for such money or other property within that 1-year period, shall, with respect to live races conducted by the permitholder, be remitted to the state pursuant to s. 551.036.

(7) TAX CREDITS.—

- (a) Each greyhound racing permitholder shall receive in the current state fiscal year a tax credit equal to the number of live greyhound races conducted in the preceding state fiscal year multiplied by the daily license fee per race as specified in subsection (2) for the preceding state fiscal year. This tax credit applies to any tax imposed by this part or the daily license fees imposed by this part except during any charity or scholarship performances conducted pursuant to s. 551.039.
- (b) A greyhound racing permitholder may receive a tax credit equal to the actual amount remitted to the state in the preceding state fiscal year pursuant to subsection (6) with respect to live races. The credit may be applied against any taxes imposed under this part. Each such greyhound racing permitholder shall pay, from any source, including the proceeds from performances conducted pursuant to s. 551.039, an amount not less than 10 percent of the amount of the credit provided by this paragraph to any organization that promotes or encourages adoption of greyhounds, provides evidence of compliance with chapter 496, and possesses a valid exemption from federal

Page 93 of 411

taxation issued by the Internal Revenue Service. Such organization must, as a condition of adoption, provide sterilization of greyhounds by a licensed veterinarian before giving custody of the greyhound to the adopter. The fee for sterilization may be included in the cost of adoption.

- (c)1. After providing written notice to the commission, a permitholder unable to use the full amount of the exemption provided in paragraph (8)(c) or the daily license fee credit provided in this subsection may elect once per state fiscal year, on a form provided by the department, to transfer such exemption or credit or any portion thereof to any greyhound racing permitholder that acts as a host facility to such permitholder for the purpose of intertrack wagering. Once an election to transfer such exemption or credit is filed with the commission, it may not be rescinded. The commission may not approve the transfer if:
- a. The amount of the exemption or credit or portion thereof is unavailable to the transferring permitholder; or
- b. The permitholder who is entitled to transfer the exemption or credit or who is entitled to receive the exemption or credit owes taxes to the state pursuant to a deficiency letter or administrative complaint issued by the commission.
- 2. Upon approval of the transfer by the commission, the transferred tax exemption or credit shall be effective for the first performance of the next payment period as specified in s. 551.033(1). The exemption or credit transferred to such host

Page 94 of 411

imposed by this part or daily license fees imposed by this part.

The greyhound racing permitholder host facility to which such exemption or credit is transferred shall reimburse such permitholder the exact monetary value of such transferred exemption or credit as actually applied against the taxes and daily license fees of the host facility.

- 3. The department shall ensure that all transfers of exemption or credit are made in accordance with this subsection and may adopt rules to implement this section.
 - (8) TAX EXEMPTIONS.—

- (a) An admission tax under this part or chapter 212 may not be imposed on any free passes or complimentary cards issued to persons for which there is no cost to the person for admission to pari-mutuel events.
- (b) A permitholder may issue tax-free passes to its officers, officials, and employees; to other persons actually engaged in working at the facility, including accredited press representatives such as reporters and editors; and to other permitholders for the use of their officers and officials. The permitholder shall file with the department a list of all persons to whom tax-free passes are issued under this paragraph.
- (c) A permitholder shall pay no tax on handle until such time as this paragraph has resulted in a tax savings per state fiscal year of \$360,000. Thereafter, each permitholder shall pay the tax as specified in subsections (4) and (5) on all handle

Page 95 of 411

for the remainder of the permitholder's current race meet. For the three permitholders that conducted a full schedule of live racing in 1995 and that are closest to another state that authorizes greyhound pari-mutuel wagering, the maximum tax savings per state fiscal year shall be \$500,000. The provisions of this paragraph relating to tax exemptions do not apply to any charity or scholarship performances conducted pursuant to s. 551.039.

Section 46. Effective October 1, 2014, section 551.045, Florida Statutes, is created to read:

551.045 Greyhound adoptions.-

greyhound racing facility in this state shall provide for a greyhound adoption booth to be located at the facility. The greyhound adoption booth must be operated on weekends by personnel or volunteers from an organization that promotes or encourages the adoption of greyhounds and meets the requirements for such organization specified in s. 551.043. As used in this section, the term "weekend" includes the hours during which live greyhound racing is conducted on Friday, Saturday, or Sunday. Information pamphlets and application forms shall be provided to the public upon request. The kennel operator or owner shall notify the permitholder that a greyhound is available for adoption, and the permitholder shall provide information concerning the adoption of a greyhound in each race program and shall post adoption information at conspicuous locations

Page 96 of 411

throughout the greyhound racing facility. Any greyhound participating in a race which will be available for future adoption must be noted in the race program. The permitholder shall allow greyhounds to be walked through the track facility to publicize the greyhound adoption program.

- (2) In addition to the charity days authorized under s. 551.039, a greyhound racing permitholder may fund the greyhound adoption program by holding a charity racing day designated as "Greyhound Adopt-A-Pet Day." All profits derived from the operation of the charity day must be placed into a fund used to support activities at the racing facility which promote the adoption of greyhounds. The department may adopt rules for administering the fund. Proceeds from the charity day authorized in this subsection may not be used as a source of funds for the purposes set forth in s. 551.043.
- (3) The commission may impose a penalty as provided in s. 551.0013(1)(h) for a violation of this section by a permitholder or licensee and require the permitholder or licensee to take corrective action.
- Section 47. Effective October 1, 2014, section 551.0511, Florida Statutes, is created to read:
- 551.0511 Horseracing; purse requirement; breeder and owner awards.—
- 2520 (1) The Legislature finds that the purse structure and the
 2521 availability of breeder awards are important factors in
 2522 attracting the entry of well-bred horses in race meets in this

Page 97 of 411

state, which in turn helps to produce maximum racing revenues for the state and the counties.

- (2) Each licensee conducting a horserace meet must pay from the takeout withheld on pari-mutuel pools a sum for purses in accordance with the type of race performed.
- (3) (a) Takeout may be used for the payment of awards to owners of registered Florida-bred horses placing first in a claiming race, an allowance race, a maiden special race, or a stakes race in which the announced purse, exclusive of entry and starting fees and added moneys, does not exceed \$40,000.
- (b) The licensee shall determine for each qualified race the amount of the owner award for which a registered Floridabred horse will be eligible. The amount of the available owner award shall be established in the same manner in which purses are established and shall be published in the condition book for the period during which the race is to be conducted. A single award may not exceed 50 percent of the gross purse for the race won.
- (c) If the moneys generated under paragraph (a) during the meet exceed owner awards earned during the meet, the excess funds shall be held in a separate interest-bearing account, and the total interest and principal shall be used to increase the owner awards during the licensee's next meet.
- (d) Breeder awards for thoroughbred racing and harness racing authorized by ss. 551.0523(2) and 551.0542(2) may not be paid on owner awards.

Page 98 of 411

(e) This subsection governs only those owner awards paid on thoroughbred races in this state unless a written agreement is filed with the department which establishes the rate, procedures, and eligibility requirements for owner awards, including place of finish, class of race, maximum purse, and maximum award and the agreement is entered into by the licensee, the Florida Thoroughbred Breeders' and Owners' Association, and the association representing a majority of the racehorse owners and trainers at the permitholder's location.

(4) The department shall adopt reasonable rules to ensure the timely and accurate payment of all amounts withheld by horseracing licensees regarding the distribution of purses, owner awards, and other amounts collected for payment to owners and breeders. Each licensee that fails to pay out all moneys collected for payment to owners and breeders shall, within 10 days after the end of the meet during which the licensee underpaid, deposit an amount equal to the underpayment into a separate interest-bearing account to be distributed to owners and breeders in accordance with department rules.

Section 48. Effective October 1, 2014, section 551.0512, Florida Statutes, is created to read:

551.0512 Breeder awards.-

(1) The purpose of this section is to encourage the agricultural activity of breeding and training racehorses in this state. Moneys dedicated in this part for use as breeder awards and stallion awards are to be used for awards to breeders

2575 of registered Florida-bred horses winning horseraces and for 2576 similar awards to the owners of stallions who sired Florida-bred 2577 horses winning stakes races, if the stallions are registered as 2578 Florida stallions standing in this state. The awards shall be 2579 given at a uniform rate to all winners of the awards. Such 2580 awards may not be greater than 20 percent or less than 15 2581 percent of the announced gross purse if funds are available. No 2582 less than 17 percent and no more than 40 percent, as determined 2583 by the Florida Thoroughbred Breeders' and Owners' Association, 2584 of the moneys dedicated in this part for use as breeder awards 2585 and stallion awards for thoroughbreds shall be returned pro rata 2586 to the licensees that generated the moneys for special racing 2587 awards and shall be distributed by the licensees to owners of 2588 thoroughbred horses participating in prescribed thoroughbred 2589 stakes races, nonstakes races, or both, pursuant to a written agreement establishing the rate, procedure, and eligibility 2590 2591 requirements for such awards entered into by the licensee, the 2592 Florida Thoroughbred Breeders' and Owners' Association, and the 2593 Florida Horsemen's Benevolent and Protective Association, Inc. 2594 However, the plan for the distribution by any licensee located 2595 in the area described in s. 551.073(9) shall be agreed upon by 2596 that licensee, the Florida Thoroughbred Breeders' and Owners' 2597 Association, and the association representing a majority of the 2598 thoroughbred racehorse owners and trainers at that location. 2599 Awards for thoroughbred races are to be paid through the Florida 2600 Thoroughbred Breeders' and Owners' Association, and awards for

Page 100 of 411

Standardbred races are to be paid through the Florida

Standardbred Breeders and Owners Association. Among other
sources specified in this part, moneys for thoroughbred breeder
awards will come from the 0.955 percent of handle for
thoroughbred races conducted, received, broadcast, or simulcast
under this part as provided in s. 551.0523(2). The moneys for
quarter horse and harness horse breeder awards will come from
the breaks and uncashed tickets on live quarter horse and
harness racing performances and 1 percent of handle on
intertrack wagering. The funds for the breeder awards shall be
paid to the respective breeder associations by the licensees
conducting the races.

- (2) Each breeder association shall develop a plan each year that will provide for a uniform rate of payment and procedure for breeder and stallion awards. The plan for payment of breeder and stallion awards may set a cap on winnings and may limit, exclude, or defer payments on certain classes of races, such as the Florida stallion stakes races, in order to ensure that there are adequate revenues to meet the proposed uniform rate. Priority shall be placed on imposing such restrictions in lieu of allowing the uniform rate for breeder and stallion awards to be less than 15 percent of the total purse payment. The plan must provide for the maximum possible payments within revenues.
- (3) Breeder associations shall submit their plans to the department at least 60 days before the beginning of the payment

Page 101 of 411

year. The payment year may be a calendar year or any 12-month period, but once established, the payment year may not be changed except for compelling reasons. Once a plan is approved, the department may not allow the plan to be amended during the year except for the most compelling reasons.

- (4) Funds in the breeder association special payment account may not be allowed to grow excessively; however, payment each year is not required to equal receipts each year. The rate each year shall be adjusted to compensate for changing revenues from year to year.
- (5) (a) The awards programs in this part are intended to encourage thoroughbred breeding and training operations to locate in this state and must be responsive to rapidly changing incentive programs in other states. To attract such operations, it is appropriate to provide greater flexibility to thoroughbred industry participants in this state so that they may design competitive awards programs.
- (b) Notwithstanding any other provision of law, the Florida Thoroughbred Breeders' and Owners' Association, as part of its annual plan, may:
- 1. Pay breeder awards on horses finishing in first, second, or third place in thoroughbred races; pay breeder awards that are greater than 20 percent and less than 15 percent of the announced gross purse; and vary the rates for breeder awards based on the place of finish, class of race, state or country in which the race took place, and state in which the stallion

Page 102 of 411

siring the horse was standing when the horse was conceived.

- 2. Pay stallion awards on horses finishing in first, second, or third place in thoroughbred races; pay stallion awards that are greater than 20 percent and less than 15 percent of the announced gross purse; reduce or eliminate stallion awards to enhance breeder awards or awards under subparagraph 3.; and vary the rates for stallion awards based on the place of finish, class of race, and state or country in which the race took place.
- 3. Pay awards from the funds dedicated for breeder awards and stallion awards to owners of registered Florida-bred horses finishing in first, second, or third place in thoroughbred races in this state without regard to any awards paid pursuant to s. 551.0511(3).
- (c) Breeder awards or stallion awards under this part may not be paid on thoroughbred races taking place in other states or countries unless agreed to in writing by all thoroughbred racing permitholders in this state, the Florida Thoroughbred Breeders' and Owners' Association, and the Florida Horsemen's Benevolent and Protective Association, Inc.
- Section 49. Effective October 1, 2014, section 551.0521, Florida Statutes, is created to read:
 - 551.0521 Thoroughbred racing; operations.—
- (1) For a thoroughbred racing permitholder, a full schedule of live events is at least 40 live regular wagering performances during the state fiscal year.

- (3)(a) Each thoroughbred racing licensee in this state must run an average of one race per racing day in which horses bred in this state and duly registered with the Florida Thoroughbred Breeders' and Owners' Association have preference as entries over non-Florida-bred horses unless otherwise agreed to in writing by the licensee, the Florida Thoroughbred Breeders' and Owners' Association, and the association representing a majority of the thoroughbred racehorse owners and trainers at that location. All licensed thoroughbred tracks shall write the conditions for such races in which Florida-bred horses are preferred so as to ensure that all Florida-bred horses available for racing at such tracks are given full opportunity to run in the class of races for which they are qualified. The opportunity of running must be afforded to each class of horses in the proportion that the number of horses in such class bears to the total number of Florida-bred horses available. A track is not required to write conditions for a race to accommodate a class of horses for which a race would otherwise not be run at the track during its meet.
- (b) Each thoroughbred racing licensee in this state may run one additional race per racing day composed exclusively of Arabian horses registered with the Arabian Horse Registry of America. A thoroughbred racing licensee that elects to run one additional such race per racing day is not required to provide

stables for the Arabian horses racing under this paragraph.

(c) Each thoroughbred racing licensee in this state may run up to three additional races per racing day composed exclusively of quarter horses registered with the American Quarter Horse Association.

Section 50. Effective October 1, 2014, section 551.0522, Florida Statutes, is created to read:

- 551.0522 Distribution of funds to horsemen's association.
- (1) Each thoroughbred racing licensee in this state shall deduct from the purses required by s. 551.0523 an amount equal to 1 percent of the total purse pool and shall pay that amount to a horsemen's association representing a majority of the thoroughbred racehorse owners and trainers for its use in accordance with the stated goals of its articles of association filed with the Department of State.
- (2) The funds are payable to the horsemen's association only upon presentation of a sworn statement by the officers of the association that the horsemen's association represents a majority of the owners and trainers of thoroughbred horses stabled in the state.
- (3) Upon receiving a state license, each thoroughbred owner and trainer shall receive automatic membership in the horsemen's association as described in subsection (1) and be counted on the membership rolls of that association unless, within 30 calendar days after receipt of license from the state, the owner or trainer declines membership in writing to the

2732	(4) The department shall adopt rules to facilitate the
2733	orderly transfer of funds in accordance with this section. The
2734	department shall also monitor the membership rolls of the
2735	horsemen's association to ensure that complete, accurate, and
2736	timely listings are maintained for the purposes specified in
2737	this section.
2738	Section 51. Effective October 1, 2014, section 551.0523,
2739	Florida Statutes, is created to read:

2741	(1) PURSES.—
2742	(a) A licensee conducting a thoroughbred race meet must
2743	pay from the takeout withheld at least 7.75 percent of all
2744	contributions to pari-mutuel pools conducted during the race
2745	meet as purses.
2746	1. In addition to the 7.75 -percent minimum purse payment,
2747	licensees conducting live thoroughbred racing performances must
2748	pay as additional purses:
2749	a. For performances conducted during the period beginning
2750	January 3 and ending March 16, 0.625 percent of live handle.
2751	b. For performances conducted during the period beginning
2752	March 17 and ending May 22, 0.225 percent of live handle.
2753	c. For performances conducted during the period beginning
2754	May 23 and ending January 2, 0.85 percent of live handle.
2755	2. Any thoroughbred racing licensee whose total handle on
2756	live performances during the 1991-1992 state fiscal year was not

greater than \$34 million is not subject to the additional purse payment under subparagraph 1.

- 3. A licensee authorized to conduct thoroughbred racing may withhold from the handle an additional 1 percent of exotic pools for use as owner awards and 2 percent of exotic pools for use as overnight purses. A licensee may not withhold more than 20 percent from the handle unless the licensee withholds the amounts set forth in this subsection.
- (b) An amount equal to 8.5 percent of the purse account generated through intertrack wagering and interstate simulcasting will be used for Florida owner awards as set forth in subsection (2). Any thoroughbred racing licensee with an average blended takeout that does not exceed 20 percent and with an average daily purse distribution, excluding sponsorship, entry fees, and nominations, exceeding \$225,000 is exempt from this paragraph.
- thoroughbred racing, including any intertrack race taken pursuant to ss. 551.073-551.075 or any interstate simulcast taken pursuant to s. 551.072(3), shall pay a sum equal to 0.955 percent of all pari-mutuel pools conducted during any such race for the payment of breeder, stallion, or special racing awards as authorized in this part. This subsection also applies to all Breeder's Cup races conducted outside this state taken pursuant to s. 551.072(3). For any race originating live in this state which is broadcast out-of-state to any location at which wagers

Page 107 of 411

are accepted pursuant to s. 551.072(2), the host facility shall pay 3.475 percent of the gross revenue derived from such out-ofstate broadcasts as breeder, stallion, or special racing awards. The Florida Thoroughbred Breeders' and Owners' Association may receive these payments from the licensees and make payments of awards earned. The Florida Thoroughbred Breeders' and Owners' Association may withhold up to 10 percent of the licensee's payments under this section as a fee for administering the payments of awards and for general promotion of the industry. The licensee shall remit these payments to the Florida Thoroughbred Breeders' and Owners' Association by the 5th day of each calendar month for such sums accruing during the preceding calendar month and shall report such payments to the department as required by the department. Breeder awards authorized by this subsection may not be paid on owner awards. With the exception of the 10-percent fee, the moneys paid by licensees shall be maintained in a separate, interest-bearing account, and such payments, together with any interest earned, shall be used exclusively for the payment of breeder, stallion, or special racing awards in accordance with the following:

The breeder of a Florida-bred thoroughbred is eligible to receive a breeder award if the horse is registered as a Florida-bred horse with the Florida Thoroughbred Breeders' and Owners' Association and if the Jockey Club certificate for the horse shows that it is duly registered as a Florida-bred horse as evidenced by the seal and the proper serial number assigned by the Florida Thoroughbred Breeders' and Owners' Association registry. The Florida Thoroughbred Breeders' and Owners' Association may charge the registrant a reasonable fee for the verification and registration.

(b) Stallion awards.-

- 1. The owner of the sire of a Florida-bred thoroughbred that wins a stakes race is entitled to a stallion award of up to 20 percent of the announced gross purse, including nomination fees, eligibility fees, starting fees, supplementary fees, and moneys added by the sponsor of the race.
- 2. The owner of the sire of a thoroughbred winning a stakes race is eligible to receive a stallion award if:

 Thoroughbred Breeders' and Owners' Association;
- <u>b.</u> The breeding of the registered Florida-bred horse occurred in this state; and
- c. The stallion is standing permanently in this state

 - (c) Special racing awards.—The owner of a thoroughbred participating in thoroughbred stakes races, nonstakes races, or both may receive a special racing award in accordance with the agreement established pursuant to s. 551.0512(1).
 - (d) Reporting and recordkeeping.-
 - 1. A licensee conducting a thoroughbred race shall, within

Page 110 of 411

30 days after the end of the race meet during which the race is conducted, certify to the Florida Thoroughbred Breeders' and Owners' Association such information relating to the thoroughbred winning a stakes or other horserace at the meet as may be required to determine the eligibility for payment of breeder, stallion, and special racing awards.

- 2. The Florida Thoroughbred Breeders' Association shall maintain complete records showing the starters and winners in all races conducted at thoroughbred tracks in this state and records showing awards earned, received, and distributed. The association may charge the owner or breeder a reasonable fee for this service.
- (e) Rates and procedures.—The Florida Thoroughbred
 Breeders' and Owners' Association shall annually establish a
 uniform rate and procedure plan for the payment of breeder and
 stallion awards and shall make breeder and stallion award
 payments in strict compliance with the established uniform rate
 and procedure plan. The plan may set a cap on winnings and may
 limit, exclude, or defer payments to certain classes of races,
 such as the Florida stallion stakes races, in order to ensure
 that there are adequate revenues to meet the proposed uniform
 rate. Such plan must include proposals for the general promotion
 of the industry. Priority shall be placed upon imposing such
 restrictions in lieu of allowing the uniform rate to be less
 than 15 percent of the total purse payment. The uniform rate and
 procedure plan must be approved by the commission before

Page 111 of 411

implementation. In the absence of an approved plan and procedure, the authorized rate for breeder and stallion awards is 15 percent of the announced gross purse for each race. Such purse must include nomination fees, eligibility fees, starting fees, supplementary fees, and moneys added by the sponsor of the race. If the funds in the account for payment of breeder and stallion awards are not sufficient to meet all earned breeder and stallion awards, those breeders and stallion owners not receiving payments have first call on any subsequent receipts in that or any subsequent year.

- Owners' Association shall keep accurate records showing receipts and disbursements of such payments and shall annually file a complete report with the department showing such receipts and disbursements and the sums withheld for administration. The commission may audit the records and accounts of the Florida Thoroughbred Breeders' and Owners' Association to determine whether payments have been made to eligible breeders and stallion owners in accordance with this section.
- (3) NONCOMPLIANCE.—If the commission finds that the Florida Thoroughbred Breeders' and Owners' Association has not complied with this section, the commission may order the association to cease and desist from receiving and administering funds under this section. If the commission enters such an order, the licensee shall make the payments authorized in this section to the department for deposit into the Gaming Control

Page 112 of 411

2913	Trust Fund, and any funds in the Florida Thoroughbred Breeders'
2914	and Owners' Association account shall be immediately paid to the
2915	department for deposit into the Gaming Control Trust Fund. The
2916	department shall authorize payment from these funds to any
2917	breeder or stallion owner entitled to an award that has not been
2918	previously paid by the Florida Thoroughbred Breeders' and
2919	Owners' Association in accordance with the applicable rate.
2920	Section 52. Effective October 1, 2014, section 551.0524,
2921	Florida Statutes, is created to read:
2922	551.0524 Breeders' Cup Meet
2923	(1) Notwithstanding any provision of this part, there is
2924	created a special thoroughbred race meet designated as the
2925	"Breeders' Cup Meet." Breeders' Cup Limited shall select the
2926	Florida permitholder to conduct the Breeders' Cup Meet at its
2927	facility. Upon selection of the Florida permitholder as host for
2928	the Breeders' Cup Meet and application by the selected
2929	permitholder, the commission shall issue a license to the
2930	selected permitholder to operate the Breeders' Cup Meet. The
2931	Breeders' Cup Meet may be conducted on dates on which the
2932	selected permitholder is not otherwise authorized to conduct a
2933	race meet. The Breeders' Cup Meet shall consist of 3 days: the
2934	day on which the Breeders' Cup races are conducted, the
2935	preceding day, and the subsequent day.
2936	(2) The permitholder conducting the Breeders' Cup Meet may
2937	create pari-mutuel pools during the Breeders' Cup Meet by
2038	accopting pari-mutual wagers on the thereughbred races run

Page 113 of 411

during such meet.

exempt from the payment of purses and other payments to horsemen on all on-track, intertrack, interstate, and international wagers or rights fees or payments arising therefrom for all races for which the purse is paid or supplied by Breeders' Cup Limited. However, the permitholder conducting the Breeders' Cup Meet is not exempt from breeder awards payments for on-track and intertrack wagers as provided in ss. 551.0542(2) and 551.074(2) for races in which the purse is paid or supplied by Breeders' Cup Limited.

(4) (a) Pursuant to s. 551.072(2), the permitholder conducting the Breeders' Cup Meet may transmit broadcasts of the races conducted during the Breeders' Cup Meet to locations outside of this state for wagering purposes. The commission may approve broadcasts to pari-mutuel permitholders and other betting systems authorized under the laws of any other state or country. Wagers accepted by any out-of-state pari-mutuel permitholder or betting system on any races broadcast under this section may be commingled with the pari-mutuel pools of the permitholder conducting the Breeders' Cup Meet. Payoff on national pari-mutuel pools with commingled wagers may be calculated by the permitholder's totalisator contractor at a location outside of this state. Pool amounts from wagers placed at pari-mutuel facilities or other betting systems in foreign countries before being commingled with the pari-mutuel pool of

Page 114 of 411

the Florida permitholder conducting the Breeders' Cup Meet shall be calculated by the totalisator contractor and transferred to the commingled pool in United States currency in cycles customarily used by the permitholder. Pool amounts from wagers placed at any foreign pari-mutuel facility or other betting system may not be commingled with a Florida pool until a determination is made by the commission that the technology used by the totalisator contractor is adequate to ensure commingled pools will result in the calculation of accurate payoffs to Florida bettors. Any totalisator contractor at a location outside of this state shall comply with s. 551.078 relating to totalisator licensing.

- (b) The permitholder conducting the Breeders' Cup Meet may transmit broadcasts of the races conducted during the Breeders' Cup Meet to other pari-mutuel facilities located in this state for wagering purposes. However, the permitholder conducting the Breeders' Cup Meet is not required to transmit broadcasts to any pari-mutuel facility located within 25 miles of the facility at which the Breeders' Cup Meet is conducted.
- (5) The department may adopt rules necessary to facilitate the Breeders' Cup Meet as authorized in this section and may adopt or waive rules regarding the overall conduct of racing during the Breeders' Cup Meet to ensure the integrity of the races, licensing for all participants, special stabling and training requirements for foreign horses, commingling of parimutuel pools, and audit requirements for tax credits and other

Page 115 of 411

benefits.

- (6) This section shall prevail over any conflicting provision of this part.
- Section 53. Effective October 1, 2014, section 551.053, 2995 Florida Statutes, is created to read:
 - 551.053 Thoroughbred racing; taxes and fees.—
 - (1) REQUIREMENT TO PAY.-
 - (a) The Legislature finds that pari-mutuel wagering at thoroughbred tracks in this state is an important business enterprise, and taxes derived therefrom constitute a part of the tax structure that funds operations of the state. Thoroughbred racing permitholders should pay their fair share of these taxes to the state but should not be taxed to such an extent as to cause any racetrack that is operated under sound business principles to be forced out of business. Due to the need to protect the public health, safety, and welfare, the gaming laws of the state provide for the thoroughbred industry to be highly regulated and taxed. The state recognizes that identifiable differences exist between thoroughbred racing permitholders based upon their ability to operate under such regulation and tax system and at different periods during the year.
 - (b) A permitholder that conducts thoroughbred racing under this part must pay the daily license fee, the admission tax, the breaks tax, and the tax on pari-mutuel handle and is subject to all penalties and sanctions provided in s. 551.033(2).
 - (2) DAILY LICENSE FEE.—Each licensed permitholder engaged

Page 116 of 411

in the business of conducting thoroughbred race meets shall pay to the department, for the use of the department, a daily license fee on each live or simulcast pari-mutuel event of \$100 for each thoroughbred race conducted at the licensee's racetrack. Each permitholder shall pay daily license fees not to exceed \$500 per day on any simulcast event on which such permitholder accepts wagers regardless of the number of out-of-state events taken or the number of out-of-state locations from which such events are taken. The daily license fees shall be remitted to the Chief Financial Officer for deposit into the Gaming Control Trust Fund.

- (3) ADMISSION TAX.—An admission tax equal to the greater of 15 percent of the admission charge for entrance to the permitholder's facility and grandstand area or 10 cents is imposed on each person attending a thoroughbred race. The permitholder is responsible for collecting the admission tax.
 - (4) TAX ON LIVE HANDLE.—

- (a) Each licensee shall pay a tax on live handle from races conducted by the licensee. The tax is imposed daily and is based on the total contributions to all pari-mutuel pools conducted during the daily live performance. If a licensee conducts more than one live performance daily, the tax is imposed on each live performance separately.
- (b) The tax on live handle for thoroughbred racing performances is 0.5 percent of the handle.
 - (5) TAX ON HANDLE FROM INTERTRACK WAGERING.—If the host

Page 117 of 411

facility is a thoroughbred race track, the tax on handle for intertrack wagering is 2 percent of the handle with the following exceptions:

- (a) If the host facility and the guest facility are thoroughbred racing permitholders, the tax on handle for intertrack wagering is 0.5 percent of the handle.
- (b) If the guest facility is located outside the market area of the host facility and within the market area of a thoroughbred racing licensee currently conducting a live race meet, the tax on handle for intertrack wagering is 0.5 percent of the handle.
 - (c) On rebroadcasts of simulcast thoroughbred races:
- 1. The tax on handle for intertrack wagering is 2.4 percent of the handle.
- 2. If the guest facility is a thoroughbred race track located more than 35 miles from the host facility, the host facility shall pay a tax of 0.5 percent of the handle, and shall pay to the guest facility 1.9 percent of the handle to be used by the guest facility solely for purses.
 - (6) OTHER TAXES AND FEES.-

(a) All moneys or other property represented by any unclaimed, uncashed, or abandoned pari-mutuel ticket that has remained in the custody of or under the control of any thoroughbred racing permitholder for 1 year after the date the pari-mutuel ticket was issued, if the rightful owner or owners thereof have made no claim or demand for such money or other

Page 118 of 411

property within the 1-year period, shall escheat to and become the property of the state.

- (b) Notwithstanding paragraph (a), uncashed tickets and breaks on live racing conducted by a thoroughbred racing licensee shall be retained by the licensee conducting the live race.
 - (7) TAX CREDITS.-

- (a) Retired jockey funds contributions.—A thoroughbred racing permitholder may receive a credit against taxes on live handle due for a taxable year equal to the amount of contributions it made during the taxable year directly to the Jockeys' Guild or its health and welfare fund to provide health and welfare benefits for active, disabled, and retired Florida jockeys and their dependents pursuant to reasonable rules of eligibility established by the Jockeys' Guild. A thoroughbred racing permitholder may not receive a credit greater than an amount equal to 1 percent of its paid taxes for the preceding taxable year.
 - (b) Breeders' Cup Meet.-
- 1. A licensee located within 35 miles of the permitholder conducting the Breeders' Cup Meet may not conduct a thoroughbred race meet on any of the 3 days of the Breeders' Cup Meet. The licensees prohibited from operating during the Breeders' Cup Meet shall receive a credit against the taxes otherwise due and payable to the state under this section. The credit shall be an amount equal to the operating loss determined to have been

Page 119 of 411

suffered by the operating licensees as a result of not operating on the prohibited racing days but shall not exceed \$950,000. The determination of the amount to be credited shall be made by the commission upon application by the affected licensee. The tax credits provided in this paragraph shall not be available unless an operating licensee is required to close a meet consisting in part of no fewer than 10 scheduled performances in the 15 days immediately preceding or 10 scheduled performances in the 15 days immediately following the Breeders' Cup Meet. Such tax credit shall be in lieu of any other compensation or consideration for the loss of racing days. There shall be no replacement or makeup of any lost racing days.

- 2. The permitholder conducting the Breeders' Cup Meet shall receive a credit against the taxes otherwise due and payable to the state under this section generated during the permitholder's next ensuing regular thoroughbred race meet. Such credit shall not exceed \$950,000 and shall be used by the permitholder to pay the purses offered by the permitholder during the Breeders' Cup Meet in excess of the purses that the permitholder is otherwise required by law to pay. The amount to be credited shall be determined by the commission upon application of the permitholder which is subject to audit by the department.
- 3. The permitholder conducting the Breeders' Cup Meet shall receive a credit against the taxes otherwise due and payable to the state under this section generated during the

Page 120 of 411

permitholder's next ensuing regular thoroughbred race meet. Such credit shall not exceed \$950,000 and shall be used by the permitholder for capital improvements and extraordinary expenses as necessary for operation of the Breeders' Cup Meet. The amount to be credited shall be determined by the commission upon application of the licensee which is subject to audit by the department.

- 4. The tax credits provided in this paragraph may not be granted to or claimed by the permitholder until an audit is completed by the department. The department must complete the audit within 30 days after receipt of the necessary documentation from the permitholder to verify the permitholder's claim for tax credits. If the documentation submitted by the permitholder is incomplete or is insufficient to document the permitholder's claim for tax credits, the department may request such additional documentation as necessary to complete the audit. Upon receipt by the department of the additional documentation requested, the 30-day time limitation begins anew.
- 5. Any dispute between the commission and a permitholder regarding the tax credits authorized under this paragraph shall be determined by a hearing officer of the Division of Administrative Hearings under s. 120.57(1).
 - (8) TAX EXEMPTIONS.—

(a) Free passes.—An admission tax under this part or chapter 212 may not be imposed on any free pass or complimentary card issued to a person for which there is no cost to the person

Page 121 of 411

for admission to a pari-mutuel event. A licensee may issue taxfree passes to its officers, officials, and employees; to other
persons actually engaged in working at the facility, including
accredited press representatives such as reporters and editors;
and to other permitholders for use by their officers and
officials. The licensee shall file with the department a list of
all persons to whom tax-free passes are issued under this
paragraph.

(b) Notwithstanding any other provision of this section, the permitholder conducting the Breeders' Cup Meet shall pay no taxes on the handle included within the pari-mutuel pools of the permitholder during the Breeders' Cup Meet.

Section 54. Effective October 1, 2014, section 551.0541, Florida Statutes, is created to read:

551.0541 Harness racing.-

(1) The Legislature finds that the operation of harness race tracks and legalized pari-mutuel betting at harness race tracks in this state will become a substantial business compatible with the best interests of the state and that the taxes derived from such enterprises will constitute an important and integral part of the tax structure of the state and counties. The Legislature further finds that the operation of harness race tracks within the state will establish and encourage the acquisition and maintenance of breeding farms for the breeding of standardbred horses used in harness races and that this exhibition sport will attract a large tourist business

3173 to the state.

- (2) (a) For a harness racing permitholder, a full schedule of live events is at least 100 live regular wagering performances during the state fiscal year.
- (b) A harness racing licensee may conduct harness racing only between the hours of 7 p.m. and 2 a.m.
- (3) A permitholder conducting a harness race meet must pay the daily license fee, the admission tax, the tax on breaks, and the tax on pari-mutuel handle provided in s. 551.0543 and is subject to all penalties and sanctions provided in s. 551.033(2).
- (4) Each licensed harness race track in the state must schedule an average of one race per racing day on which horses bred in this state and duly registered as standardbred harness horses have preference as entries over non-Florida-bred horses. All licensed harness race tracks must write the conditions for such races in which Florida-bred horses are preferred to ensure that all Florida-bred horses available for racing at such tracks are given full opportunity to perform in the class races for which they are qualified. The opportunity to perform must be afforded to each class of horses in proportion to the number of horses in such class as compared to the total number of Florida-bred horses available. However, a track is not required to write conditions for a race to accommodate a class of horses for which a race would otherwise not be scheduled at such track during its meet.

Page 123 of 411

(5) Any harness race track licensed to operate under this section may apply to the commission for a license to operate up to 50 quarter horse racing days during the summer season, which shall extend from July 1 until October 1 of each year. Such license to operate quarter horse racing for up to 50 days is in addition to the racing days and dates provided in this section for harness racing during the winter seasons and does not affect the right of such licensee to operate harness racing at the track as provided in this section during the winter season. All provisions of this part governing quarter horse racing not in conflict with this subsection apply to the operation of quarter horse meets authorized in this subsection. However, all quarter horse racing permitted under this subsection shall be conducted at night.

and make payments as authorized in this subsection. The Florida Standardbred Breeders and Owners Association may withhold up to 10 percent of the licensee's payments under this section and under s. 551.0543(6) as a fee for administering the payments. The licensee shall remit these payments to the Florida Standardbred Breeders and Owners Association by the 5th day of each calendar month for such sums accruing during the preceding calendar month and shall report such payments to the department as required by the commission. With the exception of the 10percent fee for administering the payments and the use of the moneys authorized by paragraph (g), the moneys paid by the <u>licensees shall be main</u>tained in a separate, interest-bearing account, and such payments together with any interest earned shall be allocated for the payment of breeder awards, stallion awards, stallion stakes, additional purses, and prizes for, and the general promotion of owning and breeding, Florida-bred standardbred horses. Breeder awards authorized by this subsection may not be paid on owner awards. Payment of breeder awards and stallion awards shall be made pursuant to the following: (a) Breeder awards.— 1. The breeder of each Florida-bred standardbred horse

1. The breeder of each Florida-bred standardbred horse that wins a harness race is entitled to an award of up to 20 percent of the announced gross purse, including nomination fees, eligibility fees, starting fees, supplementary fees, and moneys added by the sponsor of the race.

Page 126 of 411

2. The breeder of a Florida-bred standardbred horse is eligible to receive a breeder award if the horse winning the race was registered as a Florida-bred horse with the Florida Standardbred Breeders and Owners Association and if a registration certificate under seal for the winning horse shows that the winner is duly registered as a Florida-bred horse as evidenced by the seal and proper serial number of the United States Trotting Association registry. The Florida Standardbred Breeders and Owners Association may charge the registrant a reasonable fee for the verification and registration.

(b) Stallion awards.-

- 1. The owner of the sire of a Florida-bred standardbred horse that wins a stakes race is entitled to a stallion award of up to 20 percent of the announced gross purse, including nomination fees, eligibility fees, starting fees, supplementary fees, and moneys added by the sponsor of the race.
- 2. The owner of the sire of a standardbred horse that wins a stakes race is eligible to receive a stallion award if:
- <u>a.</u> The stallion is registered with the Florida Standardbred Breeders and Owners Association;
- b. The breeding of the registered Florida-bred horse occurred in this state; and
- c. The stallion is standing permanently in this state or, if the stallion has died, stood permanently in this state for at least 1 year immediately before its death.
 - 3. If a stallion is removed from this state for any reason

Page 127 of 411

other than prescribed medical treatment, the owner of the stallion is not eligible to receive a stallion award under any circumstances for offspring sired before removal. However, if a removed stallion is returned to this state, the owner of the stallion is eligible to receive a stallion award, but only for those offspring sired after the stallion returned to this state.

- 4. The Florida Standardbred Breeders and Owners
 Association shall maintain a record of all of the following:
- <u>a.</u> The date the stallion arrived in this state for the first time.
- b. Whether the stallion remained in this state permanently.
 - c. The location of the stallion.

- d. Whether the stallion is still standing in this state.
- e. Awards earned, received, and distributed.
- 3318 <u>5. The association may charge the owner, owners, or</u>
 3319 <u>breeder a reasonable fee for services rendered under this</u>
 3320 paragraph.
 - (c) Reporting and recordkeeping.-
 - 1. A licensee conducting a harness race shall, within 30 days after the end of the race meet during which the race is conducted, certify to the Florida Standardbred Breeders and Owners Association such information relating to the horse winning a stakes or other horserace at the meet as may be required to determine the eligibility for payment of breeder awards and stallion awards.

Page 128 of 411

3329 The Florida Standardbred Breeders and Owners 3330 Association shall maintain complete records showing the starters 3331 and winners in all races conducted at harness horse racetracks 3332 in this state; shall maintain complete records showing awards 3333 earned, received, and distributed; and may charge the owner, 3334 owners, or breeder a reasonable fee for this service. 3335 Rates and procedures.—The Florida Standardbred 3336 Breeders and Owners Association shall annually establish a 3337 uniform rate and procedure plan for the payment of breeder awards, stallion awards, stallion stakes, additional purses, and 3338 3339 prizes for Florida-bred standardbred horses, and for the general 3340 promotion of owning and breeding such horses, and shall make 3341 award payments and allocations in strict compliance with the 3342 established uniform rate and procedure plan. The plan may set a 3343 cap on winnings and may limit, exclude, or defer payments to 3344 certain classes of races, such as the Florida Breeders' stakes 3345 races, in order to ensure that there are adequate revenues to 3346 meet the proposed uniform rate. Priority shall be placed on 3347 imposing such restrictions in lieu of allowing the uniform rate 3348 allocated to payment of breeder and stallion awards to be less 3349 than 10 percent of the total purse payment. The uniform rate and 3350 procedure plan must be approved by the commission before 3351 implementation. In the absence of an approved plan and 3352 procedure, the authorized rate for breeder and stallion awards 3353 is 10 percent of the announced gross purse for each race. Such 3354 purse must include nomination fees, eligibility fees, starting

Page 129 of 411

fees, supplementary fees, and moneys added by the sponsor of the race. If the funds in the account for payment of breeder and stallion awards are not sufficient to meet all earned breeder and stallion awards, those breeders and stallion owners not receiving payments have first call on any subsequent receipts in that or any subsequent year.

- (e) Reports.—The Florida Standardbred Breeders and Owners Association shall keep accurate records showing receipts and disbursements of such payments and shall annually file a complete report with the department showing such receipts and disbursements and the sums withheld for administration. The department may audit the records and accounts of the Florida Standardbred Breeders and Owners Association to determine whether payments have been made to eligible breeders, stallion owners, and owners of Florida-bred standardbred horses in accordance with this section.
- (f) Noncompliance.—If the commission finds that the Florida Standardbred Breeders and Owners Association has not complied with this section, the commission may order the association to cease and desist from receiving and administering funds under this section and s. 551.0543(6). If the commission enters such an order, the permitholder shall make the payments authorized under this section and s. 551.0543(6) to the department for deposit into the Gaming Control Trust Fund, and any funds in the Florida Standardbred Breeders and Owners Association account shall be immediately paid to the department

Page 130 of 411

for deposit into the Gaming Control Trust Fund. The commission shall authorize payment from these funds to any breeder, stallion owner, or owner of a Florida-bred standardbred horse entitled to an award that has not been previously paid by the Florida Standardbred Breeders and Owners Association in accordance with the applicable rate.

(q) Additional use of funds. - The board of directors of the Florida Standardbred Breeders and Owners Association may authorize the release of up to 25 percent of the funds available for breeder awards, stallion awards, stallion stakes, additional purses, and prizes for, and for the general promotion of owning and breeding, Florida-bred standardbred horses to be used for purses for, and promotion of, Florida-bred standardbred horses at race meets at which there is no pari-mutuel wagering unless, and to the extent that, such release would render the funds available for such awards insufficient to pay the breeder and stallion awards earned pursuant to the annual plan of the association. Any such funds so released and used for purses are not considered to be an "announced gross purse" as that term is used in paragraphs (a) and (b), and no breeder or stallion awards, stallion stakes, or owner awards are required to be paid for standardbred horses winning races in meets at which there is no pari-mutuel wagering. The amount of purses to be paid from funds so released and the meets eligible to receive such funds for purses must be approved by the board of directors of the Florida Standardbred Breeders and Owners Association.

Section 56. Effective October 1, 2014, section 551.0543, Florida Statutes, is created to read:

551.0543 Harness racing; taxes and fees.-

- wagering at harness race tracks in this state is an important business enterprise, and taxes derived therefrom constitute a part of the tax structure that funds operations of the state.

 Harness racing permitholders should pay their fair share of these taxes to the state but should not be taxed to such an extent as to cause any racetrack that is operated under sound business principles to be forced out of business. Due to the need to protect the public health, safety, and welfare, the gaming laws of the state provide for the harness horse industry to be highly regulated and taxed. The state recognizes that identifiable differences exist between harness racing permitholders based upon their ability to operate under such regulation and tax system.
- (2) DAILY LICENSE FEE.—Each harness racing licensee shall pay to the department, for the use of the department, a daily license fee on each live or simulcast pari-mutuel event of \$100 for each harness race conducted at the licensee's racetrack.

 Each licensee shall pay daily license fees not to exceed \$500 per day on any simulcast event on which such licensee accepts wagers regardless of the number of out-of-state events taken or the number of out-of-state locations from which such events are taken. The daily license fees shall be remitted to the Chief

Page 132 of 411

Financial Officer for deposit into the Gaming Control Trust

Fund.

- (3) ADMISSION TAX.—An admission tax equal to the greater of 15 percent of the admission charge for entrance to the licensee's facility and grandstand area or 10 cents is imposed on each person attending a harness race. The licensee is responsible for collecting the admission tax.
 - (4) TAX ON LIVE HANDLE.

- (a) Each licensee shall pay a tax on live handle from races conducted by the licensee. The tax is imposed daily and is based on the total contributions to all pari-mutuel pools conducted during the daily live performance. If a licensee conducts more than one live performance daily, the tax is imposed on each live performance separately.
- (b) The tax on live handle for harness racing performances is 0.5 percent of the handle.
- (5) TAX ON HANDLE FROM INTERTRACK WAGERING.—If the host facility is a harness race track, the tax on handle for intertrack wagering is 3.3 percent of the handle with the following exceptions:
- (a) If the guest facility is located outside the market area of the host facility and within the market area of a thoroughbred racing licensee currently conducting a live race meet, the tax on handle for intertrack wagering is 0.5 percent of the handle.
 - (b) On rebroadcasts of simulcast harness races, the tax on

Page 133 of 411

handle for intertrack wagering is 1.5 percent of the handle.

- (6) ABANDONED CONTRIBUTIONS TO OR INTEREST IN PARI-MUTUEL POOLS.—
- (a) All moneys or other property represented by any unclaimed, uncashed, or abandoned pari-mutuel ticket that has remained in the custody of or under the control of any harness racing permitholder for 1 year after the date the pari-mutuel ticket was issued, if the rightful owner or owners thereof have made no claim or demand for such money or other property within the 1-year period, shall escheat to and become the property of the state.
- (b) Notwithstanding any other provision of law, all moneys or other property that has escheated to and become the property of the state as provided in this section and that is held by a harness racing permitholder authorized to conduct pari-mutuel pools in this state shall be paid annually by the permitholder to the Florida Standardbred Breeders and Owners Association within 60 days after the close of the race meet of the permitholder and shall be used for the payment of harness horse breeder awards, stallion awards, stallion stakes, additional purses, and prizes and for the general promotion of owning and breeding Florida-bred standardbred horses, as provided for in s. 551.0542.
 - (7) TAX EXEMPTIONS.—

3483 (a) An admission tax under this part or chapter 212 may
3484 not be imposed on any free pass or complimentary card issued to

Page 134 of 411

3485 a person for which there is no cost to the person for admission 3486 to a pari-mutuel event. 3487 (b) A licensee may issue tax-free passes to its officers, 3488 officials, and employees; to other persons actually engaged in 3489 working at the facility, including accredited press 3490 representatives such as reporters and editors; and to other 3491 permitholders for use by their officers and officials. The 3492 licensee shall file with the department a list of all persons to 3493 whom tax-free passes are issued under this paragraph. 3494 Section 57. Effective October 1, 2014, section 551.0551, 3495 Florida Statutes, is created to read: 3496 551.0551 Quarter horse racing; operations. 3497 (1) (a) For a quarter horse racing permitholder at its 3498 facility, a full schedule of live events is: 3499 1. At least 20 live regular wagering performances during 3500 the state fiscal year if an alternative schedule of at least 20 3501 live regular wagering performances each state fiscal year is 3502 agreed upon by the permitholder and either the Florida Quarter 3503 Horse Racing Association or the horsemen's association 3504 representing the majority of the quarter horse owners and 3505 trainers at the facility and is filed with the department along 3506 with its annual date application; or 3507 2.a. During the 2010-2011 fiscal year, at least 20 regular 3508 wagering performances. 3509 b. During the 2011-2012 and 2012-2013 fiscal years, at 3510 least 30 live regular wagering performances.

- (b) For a quarter horse racing licensee leasing another licensed racetrack, a full schedule of live events is at least least live regular wagering events at the leased facility during the state fiscal year.
- (2) To be eligible to conduct intertrack wagering, a quarter horse racing permitholder must have conducted a full schedule of live events in the preceding year.

However, a quarter horse racing licensee located in a county where a referendum was conducted to authorize slot machines pursuant to s. 23, Art. X of the State Constitution is not subject to the mileage restriction if the licensee leases the track from a licensed racetrack located within such county.
- (4) Quarter horses participating in such races must be duly registered by the American Quarter Horse Association.

 Before each race, such horses must be examined and declared in fit condition by a qualified person designated by the department.
- (5) A quarter horse racing licensee may apply to the commission to substitute races of other breeds of horses that are registered with the American Paint Horse Association,

 Appaloosa Horse Club, Arabian Horse Registry of America,

- under the laws of this state, including, but not limited to, an agricultural cooperative marketing association, may apply for a quarter horse racing permit and may operate race meets under such permit if all pari-mutuel taxes and fees applicable to such racing are paid by the corporation. However, regarding its parimutuel operations, the corporation shall be considered to be a corporation for profit and is subject to taxation on all property used and profits earned in connection with these operations.
- Section 58. Effective October 1, 2014, section 551.0552, Florida Statutes, is created to read:
 - 551.0552 Quarter horse races; purses and awards.-

Section 63. Effective October 1, 2014, section 551.063, Florida Statutes, is created to read:

551.063 Jai alai; taxes and fees.—

(1) FINDINGS.—The Legislature finds that pari-mutuel wagering at jai alai frontons in this state is an important business enterprise, and taxes derived therefrom constitute a part of the tax structure that funds operations of the state.

Jai alai permitholders should pay their fair share of these taxes to the state but should not be taxed to such an extent as to cause any fronton that is operated under sound business

Page 148 of 411

principles to be forced out of business or be subjected to taxes that might cause it to operate at a loss, impair its ability to service debt or to maintain its fixed assets, or otherwise jeopardize its existence and the jobs of its employees. Due to the need to protect the public health, safety, and welfare, the gaming laws of the state provide for the jai alai industry to be highly regulated and taxed. The state recognizes that identifiable differences exist between jai alai permitholders based upon their ability to operate under such regulation and tax system.

- in the business of conducting jai alai games shall pay to the department, for the use of the department, a daily license fee on each live or simulcast pari-mutuel event of \$40 for each jai alai game conducted at the licensee's fronton. Each licensee shall pay daily license fees not to exceed \$500 per day on any simulcast event on which such licensee accepts wagers regardless of the number of out-of-state events taken or the number of out-of-state locations from which such events are taken. The daily license fees shall be remitted to the Chief Financial Officer for deposit into the Gaming Control Trust Fund.
- (3) ADMISSION TAX.—An admission tax equal to the greater of 15 percent of the admission charge for entrance to the licensee's facility and grandstand area or 10 cents is imposed on each person attending a jai alai game. The licensee is responsible for collecting the admission tax.

Page 149 of 411

(4) TAX ON LIVE HANDLE.-

- (a) Each licensee shall pay a tax on live handle from games conducted by the licensee. The tax is imposed daily and is based on the total contributions to all pari-mutuel pools conducted during the daily live performance. If a licensee conducts more than one live performance daily, the tax is imposed on each live performance separately.
- (b) The tax on live handle for jai alai performances is 2 percent of the handle.
- (5) TAX ON HANDLE FROM INTERTRACK WAGERING.—If the host facility is a jai alai fronton, the tax on handle for intertrack wagering is 7.1 percent of the handle with the following exceptions:
- (a) If the guest facility is located outside the market area of the host facility and within the market area of a thoroughbred racing licensee currently conducting a live race meet, the tax on handle for intertrack wagering is 0.5 percent of the handle.
- (b) If the guest facility is a jai alai fronton located as specified in s. 551.073(6) or s. 551.073(9), on games received from any jai alai permitholder located within the same market area, the tax on handle for intertrack wagers is 6.1 percent.
- (c) Notwithstanding paragraph (b), if the guest facility is a jai alai fronton located as specified in s. 551.073(6) or s. 551.073(9), on games received from any jai alai permitholder located within the same market area, the tax on handle for

Page 150 of 411

intertrack wagers shall be 2.3 percent of the handle when the total tax on intertrack handle paid to the department by the permitholder during the current state fiscal year exceeds the total tax on intertrack handle paid to the department by the permitholder during the 1992-1993 state fiscal year.

- (d)1. Any jai alai permitholder that is prohibited under this part from operating live performances on a year-round basis may conduct intertrack wagering as a host permitholder on live jai alai games at its fronton at a tax rate of 3.3 percent of handle when the total tax on intertrack handle paid to the department by the permitholder during the current state fiscal year exceeds the total tax on intertrack handle paid to the state by the permitholder during the 1992-1993 state fiscal year.
- 2. The payment of taxes under subparagraph 1. shall be calculated and begin the day the permitholder is first entitled to the reduced rate specified in this paragraph.
 - (6) OTHER TAXES AND FEES.-

(a) All money or other property represented by any unclaimed, uncashed, or abandoned pari-mutuel ticket that has remained in the custody of or under the control of any permitholder authorized to conduct jai alai pari-mutuel pools in this state for 1 year after the date the pari-mutuel ticket was issued, if the rightful owners thereof have made no claim or demand for such money or other property within that 1-year period, shall, with respect to live games conducted by the

Page 151 of 411

permitholder, be remitted to the state pursuant to s. 551.036.

- (b)1. Each licensee conducting jai alai performances shall pay a tax equal to the breaks.
- 2. A jai alai licensee paying taxes under this section shall retain the breaks and pay an amount equal to the breaks as special prize awards, which shall be in addition to the regular contracted prize money paid to jai alai players at the permitholder's facility. Payment of the special prize money shall be made during the permitholder's current meet.
- (c) A jai alai permitholder conducting fewer than 100 live performances in any calendar year shall pay to the state the same aggregate amount of daily license fees on live jai alai games, admissions tax, and tax on live handle that it paid to the state during the most recent prior calendar year in which the jai alai permitholder conducted at least 100 live performances.

(7) TAX CREDITS.—

(a) A jai alai permitholder that has incurred state taxes on handle and admissions in an amount that exceeds its operating earnings in a fiscal year may credit the excess amount of the taxes against state pari-mutuel taxes due and payable during its next ensuing meets. As used in this paragraph, the term "operating earnings" means total revenues from pari-mutuel operations net of state taxes and fees less total expenses; however, deductions for interest, depreciation and amortization, payments to affiliated entities other than for reimbursement of

Page 152 of 411

expenses related to pari-mutuel operations, and any increase in an officer's or director's annual compensation above the amount paid during calendar year 1997 are excluded from total expenses.

- (b) A jai alai permitholder may receive a tax credit equal to 25 percent of the actual amount remitted to the state in the preceding state fiscal year pursuant to paragraph (6) (a) with respect to live games. The credit may be applied against any taxes imposed under this part. Funds equal to such credit from any live jai alai games shall be paid by the permitholder to the National Association of Jai Alai Frontons to be used for the general promotion of the sport of jai alai in the state, including professional tournaments and amateur jai alai youth programs. Such youth programs must focus on benefiting children in after-school and anti-drug programs with special attention to inner-city areas.
- (c)1. Jai Alai Tournament of Champions Meet permitholders shall also receive a credit against the taxes, otherwise due and payable under this section, generated during the permitholders' current regular meet. The credit shall be:
 - a. In the aggregate amount of \$150,000;
 - b. Prorated equally among the permitholders; and
- c. Used by the permitholders solely to supplement awards for the performance conducted during the Jai Alai Tournament of Champions Meet.
- 2. All awards shall be paid to the tournament's participating players no later than 30 days after the conclusion

Page 153 of 411

of the Jai Alai Tournament of Champions Meet.

- (d) 1. In addition to the credit authorized in paragraph (c), Jai Alai Tournament of Champions Meet permitholders shall receive a credit against the taxes, otherwise due and payable under this section, generated during the permitholders' current regular meet, not to exceed the aggregate amount of \$150,000, which shall be prorated equally among the permitholders and used by the permitholders for such capital improvements and extraordinary expenses, including marketing expenses, necessary for the operation of the meet. The determination of the amount to be credited shall be made by the commission upon application of the permitholders.
- 2. The permitholder may receive the permitholder's prorata share of the \$150,000 tax credit provided in subparagraph

 1. without making application if appropriate documentation to substantiate the expenditures is provided to the commission within 30 days after the Jai Alai Tournament of Champions Meet.
 - (8) TAX EXEMPTIONS.—
- (a) An admission tax under this part or chapter 212 may not be imposed on any free pass or complimentary card issued to a person for which there is no cost to the person for admission to a pari-mutuel event.
- (b) A licensee may issue tax-free passes to its officers, officials, and employees; to other persons actually engaged in working at the facility, including accredited press representatives such as reporters and editors; and to other

Page 154 of 411

licensee shall file with the department a list of all persons to
whom tax-free passes are issued under this paragraph.

(c) When the live handle of a permitholder during the

- (c) When the live handle of a permitholder during the preceding state fiscal year was less than \$15 million, the tax shall be paid on the handle in excess of \$30,000 per performance per day.
- (d) Notwithstanding any provision of this part, each permitholder licensed to conduct performances as part of the Jai Alai Tournament of Champions Meet shall pay no taxes on handle under subsection (4) or subsection (5) for any performance conducted by such permitholder as part of the Jai Alai Tournament of Champions Meet. This paragraph applies to a maximum of four performances.
- Section 64. Effective October 1, 2014, section 551.072, Florida Statutes, is created to read:

such purpose.

The handle referenced in ss. 551.043(4), 551.053(4), 551.0543(4), 551.0553(3), and 551.063(4) does not include any wagers accepted by an out-of-state pari-mutuel licensee or licensed betting system, irrespective of whether such wagers are included in the pari-mutuel pools of the Florida licensee under this subsection.

A harness racing licensee may conduct fewer than eight live races on any authorized race day, except that such licensee must conduct a full schedule of live racing during its race meet consisting of at least eight live races per authorized race day for at least 100 days. A harness racing licensee that, during the preceding racing season, conducted a full schedule of live racing may receive, at any time during its current race meet, full-card broadcasts of harness races conducted at harness race tracks outside this state at the harness race track of the permitholder and accept wagers on such harness races. - (8) By entering and participating in a race for a purse or any other prize of any racing animal, the owner of the animal and the jockey or driver agree to accept such purse or prize as full and complete remuneration and payment, including the broadcast of such event, except as otherwise provided in this section.
- (9) The rights, privileges, or immunities granted under this section prevail over any conflicting provision to the extent that such rights, privileges, or immunities conflict with any other law or affect any order or rule of the Florida Public Service Commission relating to the regulation of public utilities and the furnishing to others of any communication, wire service, or other similar service or equipment.
- (10) The department may adopt rules necessary to facilitate commingling of pari-mutuel pools, to ensure the

this state, the horsemen's associations.

- (11) Greyhound tracks and jai alai frontons have the same privileges as provided in this section to horse tracks, subject to rules adopted under subsection (10).
- (12) All permitholders licensed under this part have standing to enforce subsections (2) and (3) in the courts of this state.

- (14) Notwithstanding the provisions of paragraph (3)(b) pertaining to takeout, takeouts different from those of the host facility may be used when the totalisator is programmed for net pool pricing and the host facility elects to use net pool pricing in the calculation of its pools. This subsection also applies to greyhound intertrack and simulcast wagers.
- (15) Uncashed tickets and breakage tax on intertrack wagers shall be retained by the licensee conducting the live event.
 - (16) Section 565.02(5) applies to any guest facility.

A host facility 4203 may require a guest facility within the market area of another 4204 licensee to accept within any week at least 60 percent of the 4205 live races that the host facility is making available regardless 4206 of whether the guest facility is operating live events. A person 4207 may not restrain or attempt to restrain any licensee that is 4208 otherwise authorized to conduct intertrack wagering from 4209 receiving the signal of any other licensee or sending its signal 4210 to any licensee. 4211 (4) A guest facility within the market area of an

1272	permit or quarter horse racing permit shall pay as purses during
1273	its current race meet an amount equal to 7 percent of all wagers
1274	placed pursuant to s. 551.073. At the option of the host
1275	facility, up to 0.5 percent of all wagers placed pursuant to s.
1276	551.073 may be deducted from the amount retained by the host
1277	facility for purses to supplement the awards program for owners
1278	of Florida-bred horses as specified in s. 551.0511(3). A host
1279	facility racing under a harness racing permit shall pay an
1280	amount equal to 7 percent of all wagers placed pursuant to s.
1281	551.073 as purses during its current race meet. If a host
1282	facility underpays or overpays purses required by this part,
1283	then s. 551.0511 applies to the overpayment or underpayment.
1284	(2) For all wagers placed under s. 551.073:

Each breeder and owner association receiving such funds may withhold the same percentage specified in ss. 551.0523, 551.0542, and 551.0552 to be used for administering the payment of awards and for the general promotion of its respective industry. Notwithstanding any other provision of law, if the total combined amount received for thoroughbred breeder awards exceeds 15 percent of the purse required to be paid under subsection (1), the breeder and owner association, as designated, shall submit a plan to the commission for approval which would use the excess funds in promoting the breeding industry by increasing the purse structure for Florida-bred horses. Preference shall be given to the track generating such excess.
- Section 67. Effective October 1, 2014, section 551.075, 4315 Florida Statutes, is created to read:

- 3. Horseraces from a host facility racing under a harness racing license are entitled to 5 percent of the total contributions to the daily pari-mutuel pool on wagers accepted at the guest facility.
- (b)1. If the guest facility is a horseracing licensee that accepts intertrack wagers during its current race meet, one-half of the amount provided in this subsection and s. 551.076 shall be paid as purses during its current race meet; or
- 2. If the host facility is a thoroughbred racing licensee, and the guest facility is also a thoroughbred racing licensee and accepts intertrack wagers on thoroughbred races during its current race meet, one-third of the amount provided in this subsection shall be paid as purses during its current race meet. In addition, an amount equal to 2 percent of the intertrack handle at the guest facility shall be deducted from the purses required to be paid by the host facility and remitted by the

- (c) If intertrack wagering on thoroughbred racing is taken at any guest facility, including a thoroughbred guest facility, which is located within the market area of any thoroughbred racing licensee that is not conducting live racing, an amount equal to 2 percent of the intertrack handle at all such guest facilities, including the thoroughbred guest facility, shall be deducted from the purses otherwise required to be paid by the host facility and remitted by the host facility to the thoroughbred racing licensee that was not conducting live racing. The amount paid under this paragraph to the thoroughbred racing licensee that was not conducting live racing shall be used to pay purses during its next race meet.
- (2) For the purpose of calculating odds and payoffs and distributing pari-mutuel pools, all intertrack wagers shall be combined with the pari-mutuel pools at the host facility.

 Notwithstanding this subsection or subsection (4), a greyhound racing licensee may conduct intertrack wagering without combining pari-mutuel pools on not more than three races in any week, not to exceed 20 races in a year. All other provisions concerning pari-mutuel takeout and payments, including state tax payments, apply as if the pool had been combined.

- (5) The department shall adopt rules providing an expedient accounting procedure for the transfer of the parimutuel pool in order to properly account for payment of state taxes and purses and payment to the guest facility, the host facility, breeder associations, horsemen's associations, and the public.
- (6) Each host facility or guest facility conducting intertrack wagering shall annually file an audit that complies with s. 551.034 which distinguishes intertrack wagering from wagering conducted live.
- (7) A guest facility may not make any payment on a parimutuel ticket purchased on any event broadcast until the stewards, judges, or panel of judges at the host facility where the event originated confirms the event as official.
- (8) By entering and participating in a race for a purse or other prize of any racing animal, the owner of the animal and the jockey or driver agree to accept such purse or prize as full and complete remuneration and payment for such entry and participation, including the broadcast of such event.

Page 169 of 411

(a) For purposes of this section, the term "net proceeds" means the amount of takeout remaining after payment of state taxes and purses, the amount paid to the out-of-state horse track, and breeder awards paid to the Florida Thoroughbred Breeders' and Owners' Association and the Florida Standardbred Breeders and Owners Association, to be used as set forth in s. 551.074(2).

 - 1. One-third shall be paid to the guest facility;
 - 2. One-third shall be retained by the host facility; and
- 3. One-third shall be paid by the host facility as purses at the host facility.
- (c) All guest facilities, other than thoroughbred racing licensees, receiving wagers on simulcast horseraces rebroadcast from a thoroughbred racing host facility are subject to the distribution of net proceeds specified in paragraph (b) unless the host facility and guest facility licensees and the recognized horseman's group agree by contract to a different distribution of their respective portions of the proceeds.
- (d) A licensee located in any market area of the state
 where there are only two permits, one for greyhound racing and
 one for jai alai, may accept wagers on rebroadcasts of simulcast

Page 170 of 411

thoroughbred races from an in-state thoroughbred racing licensee and is not subject to paragraph (b) if the thoroughbred racing licensee is both conducting live races and accepting wagers on out-of-state horseraces. In such case, the guest licensee is entitled to 45 percent of the net proceeds on wagers accepted at the guest facility. Of the remaining net proceeds, one-half shall be retained by the host facility and one-half shall be paid by the host facility as purses at the host facility.

- (e) Notwithstanding subsection (1) and s. 551.074(1) and (2), the proceeds that are retained by a harness racing host facility from the takeout on a race broadcast under this subsection shall be distributed as follows:
- 1. Of the total intertrack handle on the broadcast, 1 percent shall be deducted from the proceeds and paid to the Florida Standardbred Breeders and Owners Association to be used as set forth in s. 551.074(2).
- 2. After the deduction under subparagraph 1., one-third of the proceeds shall be paid to the guest facility, one-third shall be retained by the host facility, and one-third shall be paid by the host facility as purses at the host facility.

In such case, the guest licensee is

Page 171 of 411

4447 entitled to 45 percent of the net proceeds on wagers accepted at 4448 the guest facility. Of the remaining net proceeds, one-half 4449 shall be retained by the host facility and one-half shall be 4450 paid by the host facility as purses at the host facility. 4451 (g) 1. A thoroughbred racing licensee that accepts wagers 4452 on a simulcast signal must make the signal available to any 4453 licensee that is eligible to conduct intertrack wagering under 4454 ss. 551.073-551.077. Notwithstanding any provision of this part, 4455 a licensee located as specified in s. 551.073(6) which receives the rebroadcast after 6 p.m. may accept wagers on such 4456 4457 rebroadcast simulcast signal. A licensee licensed under s. 4458 551.077 which receives the rebroadcast after 6 p.m. may accept 4459 wagers on such rebroadcast simulcast signals for a number of 4460 performances not exceeding that which constitutes a full 4461 schedule of live races for a quarter horse racing permitholder 4462 pursuant to s. 551.0551, notwithstanding any provision of this 4463 part, except that the restrictions provided in s. 551.077(1) 4464 apply to wagers on such rebroadcast simulcast signals. 4465 2. A thoroughbred licensee is not required to continue to 4466 rebroadcast a simulcast signal to any in-state permitholder if 4467 the average per performance gross receipts returned to the host 4468 licensee over the preceding 30-day period were less than \$100. 4469 Subject to s. 551.073(4), as a condition of receiving 4470 rebroadcasts of thoroughbred simulcast signals under this 4471 paragraph, a guest licensee must accept intertrack wagers on all 4472 live races conducted by all then-operating thoroughbred racing

4474	(10) All events conducted at a permitholder's facility,
4475	all broadcasts of such events, and all related broadcast rights
4476	are owned by the permitholder at whose facility such events are
4477	conducted and are the permitholder's property as defined in s.
4478	812.012(4). Transmission, reception of a transmission,
4479	exhibition, use, or other appropriation of such events,
4480	broadcasts of such events, or related broadcast rights without
4481	the written consent of the permitholder is theft of such
4482	property under s. 812.014, and, in addition to the penal
4483	sanctions contained in s. 812.014, the permitholder may avail
4484	itself of the civil remedies specified in ss. 772.104, 772.11,
4485	and 812.035 in addition to any other remedies available under
4486	applicable state or federal law.
4487	(11) To the extent that any rights, privileges, or
4488	immunities granted to pari-mutuel permitholders in this section
4489	conflict with any provision of any other law or affect any order
4490	or rule of the Florida Public Service Commission relating to the

4495	Section 68. Effective October 1, 2014, section 551.076,
4496	Florida Statutes, is created to read:
4497	551.076 Surcharge; supplement payments.—

Page 173 of 411

(a) Any guest facility that accepts intertrack wagers may collect and retain a surcharge on any intertrack pool in an amount not to exceed 3 percent of each winning pari-mutuel ticket cashed.

- (b) A thoroughbred racing licensee that accepts wagers on out-of-state races may impose a surcharge on each winning ticket, or interstate pool, on such out-of-state race in an amount not to exceed 5 percent of each winning pari-mutuel winning ticket cashed. If a licensee rebroadcasts such signal and elects to impose a surcharge, the surcharge shall be imposed on any winning ticket at any guest facility at the same rate as the surcharge on wagers accepted at its own facility. The proceeds from the surcharge shall be distributed as follows:
- 1. If the wager is made at the host facility, one-half of the proceeds shall be retained by the host licensee and one-half shall be paid as purses at the host facility.
- 2. If the wager is made at a guest facility, one-half of the proceeds shall be retained by the guest licensee, one-quarter shall be paid to the host licensee, and one-quarter shall be paid as purses at the host facility.
- (c) Any surcharge taken under this subsection must be calculated after breakage is deducted from the wagering pool.

4525 total contribution to the pari-mutuel pool on wagers accepted at 4526 that quest facility as a supplement to the payment authorized in 4527 s. 551.075. A harness racing permitholder host facility that 4528 supplements payments to a guest facility may reduce the account 4529 available for payment of purses during its current race meet by 4530 50 percent of the supplemental amount paid to the guest 4531 facility, but the total reduction may not exceed 1 percent of 4532 the intertrack wagers placed on races that are part of the 4533 regular ontrack program of the host facility during its current 4534 race meet pursuant to s. 551.073. Section 69. Effective October 1, 2014, section 551.077, 4535 4536 Florida Statutes, is created to read: 4537 551.077 Limited intertrack wagering license.—In 4538 recognition of the economic importance of the thoroughbred 4539 breeding industry to this state, its positive impact on tourism, 4540 and the importance of a permanent thoroughbred sales facility as 4541 a key focal point for the activities of the industry, a limited 4542 license to conduct intertrack wagering is established to ensure 4543 the continued viability and public interest in thoroughbred 4544 breeding in Florida. 4545 (1) (a) Upon application to the commission on or before January 31 of each year, a person who is licensed to conduct 4546 4547 public sales of thoroughbred horses under s. 535.01 and who has 4548 conducted thoroughbred horse sales for at least 8 days at a 4549 permanent sales facility in this state for at least 3 4550 consecutive years may be issued a license, subject to the

In making its determination, the commission shall grant the license to the applicant demonstrating superior 4559 4560 capabilities, as measured by the length of time the applicant 4561 has been conducting thoroughbred horse sales within this state or elsewhere, the applicant's total volume of thoroughbred horse 4562 4563 sales within this state or elsewhere, the length of time the 4564 applicant has maintained a permanent thoroughbred sales facility 4565 in this state, and the quality of the facility. 4566 The applicant must comply with ss. 551.0321(2), (3) 4567 551.034, and 551.029. 4568 The licensee shall be considered a guest facility 4569 under this part. 4570 Section 70. - (g) Upon the failure of the totalisator company to make the payment found to be due the state, the department may cause the forfeiture of the bond or may proceed against the insurance contract, and the proceeds of the bond or contract shall be deposited into the Gaming Control Trust Fund. If the bond was not posted or insurance was not obtained, the department may proceed against any assets of the totalisator company to collect the amounts due under this subsection.

All penalties imposed and collected shall 4665 be remitted to the Chief Financial Officer for deposit into the 4666 General Revenue Fund. 4667 Section 73. Effective October 1, 2014, section 551.0921, 4668 Florida Statutes, is created to read: 4669 551.0921 Use of controlled substances or alcohol 4670 prohibited; testing of certain occupational licensees .-4671 (1)The use of a controlled substance as defined in 4672 chapter 893 or of alcohol by any occupational licensees 4673 officiating at or participating in an event is prohibited. 4674 An occupational licensee, by applying for and (2)(a) 4675 holding such license, is deemed to have given consent to submit 4676 to an approved chemical test of her or his breath for the 4677 purpose of determining the alcoholic content of the person's 4678 blood and to a urine or blood test for the purpose of detecting 4679 the presence of a controlled substance. Such tests shall be 4680

Page 180 of 411

conducted only upon reasonable cause that a violation has

occurred as determined by the stewards at a horserace meeting or the judges or board of judges at a greyhound track or jai alai meet. Failure to submit to such test may result in a suspension of the person's occupational license for 10 days or until this section has been complied with, whichever is longer.

- 1. If at the time of the test the person's blood contained 0.05 percent or less by weight of alcohol, the person is presumed not to have been under the influence of alcoholic beverages to the extent that the person's normal faculties were impaired, and no action may be taken by the stewards, judges, or board of judges or the commission.
- 2. If at the time of the test the person's blood contained more than 0.05 percent but less than 0.08 percent by weight of alcohol, it may not be presumed that the person was under the influence of alcoholic beverages to the extent that the person's faculties were impaired. In this instance, the stewards, judges, or board of judges may consider that fact in determining whether the person will be allowed to officiate or participate in a given event.
- 3. If at the time of the test the person's blood contained 0.08 percent or more by weight of alcohol, this fact is prima facie evidence that the person was under the influence of alcoholic beverages to the extent that the person's normal faculties were impaired, and the stewards or judges may take action as specified in this section, but the person may not officiate at or participate in any event on the day of such

Page 181 of 411

4707 test.

- (b) All tests relating to alcohol must be performed in a manner identical or substantially similar to the provisions of s. 316.1934 and rules adopted pursuant to that section.

 Following a test of the urine or blood to determine the presence of a controlled substance as defined in chapter 893, if a controlled substance is found to exist, the stewards, judges, or board of judges may take such action as is permitted in this section.
- (3) (a) For the first violation of subsection (2), the stewards, judges, or board of judges may suspend a licensee for up to 10 days or, in lieu of suspension, may impose a civil fine of up to \$500.
- (b) For a second violation of subsection (2) within 1 year after the first violation, the stewards, judges, or board of judges may suspend a licensee for up to 30 days and, in addition to or in lieu of suspension, may impose a civil fine of up to \$2,000.
- (c) In lieu of or in addition to the penalties prescribed under paragraph (a) for a first offense or paragraph (b) for a second offense, the stewards, judges, or board of judges may require the licensee to participate in a drug or alcohol rehabilitation program and to be retested.
- (d) If the second violation occurred within 1 year after the first violation, upon the finding of a third violation of this section within 1 year after the second violation, the

Page 182 of 411

stewards, judges, or board of judges may suspend the licensee for up to 120 days, and the stewards, judges, or board of judges shall forward the results of the tests under paragraphs (a) and (b) and this violation to the commission. In addition to the action taken by the stewards, judges, or board of judges, the commission, after a hearing, may deny, suspend, or revoke the occupational license of the licensee and may impose a civil penalty of up to \$5,000 in addition to or in lieu of a suspension or revocation. The commission shall have no authority over the enforcement of this section until a licensee commits a third violation within 2 years after the first violation.

- (4) Section 120.80(4)(a) applies to all actions taken by the stewards, judges, or board of judges pursuant to this section without regard to the limitation imposed in that section.
- (5) This section does not apply to the possession and use of controlled or chemical substances that are prescribed as part of the care and treatment of a disease or injury by a practitioner licensed under chapter 458, chapter 459, part I of chapter 464, or chapter 466.
- (6) It is the intent of the Legislature to protect the health, safety, and welfare of those officiating at or participating in an event. Therefore, evidence of any test or actions taken by the stewards, judges, or board of judges or the commission under this section is inadmissible in court for criminal prosecution. However, this subsection does not prohibit

1759	any person so authorized from pursuing an independent
1760	investigation as a result of a ruling made by the stewards,

551.093 Racing animals under certain conditions prohibited; penalties; exceptions.—

- (1)(a) Racing an animal that has been administered any drug, medication, stimulant, depressant, hypnotic, narcotic, local anesthetic, or drug-masking agent is prohibited. A person may not administer or cause to be administered any drug, medication, stimulant, depressant, hypnotic, narcotic, local anesthetic, or drug-masking agent to an animal which will result in a positive test for such substance based on samples taken from the animal immediately before or immediately after racing that animal. Test results and the identities of animals being tested and of their trainers and owners of record are confidential and exempt from s. 119.07(1) and s. 24(a), Art. I of the State Constitution for 10 days after testing of all samples collected on a particular day has been completed and any positive test results derived from such samples have been reported to the executive director of the department or administrative action has begun.
- (b) A race-day specimen may not contain a level of a naturally occurring substance which exceeds normal physiological concentrations. The department may adopt rules that specify normal physiological concentrations of naturally occurring substances in the natural untreated animal and rules that specify acceptable levels of environmental contaminants and trace levels of substances in test samples.

- (2) The department may take administrative action against an occupational licensee responsible under department rule for the condition of an animal that has been medicated or drugged in violation of this section.
- (3) (a) Upon the finding of a violation of this section, the department may:
- 1. Revoke or suspend the license or permit of the violator or deny a license or permit to the violator;
- 2. Impose a fine against the violator in an amount not exceeding \$5,000;
- 3. Require the full or partial return of the purse, sweepstakes, and trophy of the race at issue; or
- 4. Impose any combination of the penalties in subparagraphs 1.-3.
- (b) Notwithstanding chapter 120, the department may summarily suspend the license of an occupational licensee responsible under this section or department rule for the condition of a race animal if the department laboratory reports the presence of a prohibited substance in the animal or its blood, urine, saliva, or any other bodily fluid, either before a race in which the animal is entered or after a race the animal has run.

Page 186 of 411

(c) If an occupational licensee is summarily suspended under this section, the department shall offer the licensee a postsuspension hearing within 72 hours, at which the department shall produce the laboratory report and documentation that, on its face, establishes the responsibility of the occupational licensee. Upon production of the documentation, the occupational licensee has the burden of proving his or her lack of responsibility.

- (d) Any proceeding for administrative action against a licensee or permitholder, other than a proceeding under paragraph (c), shall be conducted in compliance with chapter 120.
- (e) The finding of a violation of this section does not prohibit a prosecution for any criminal act committed.
- (4) A prosecution brought under this section must begin within 2 years after the violation was committed. Service of an administrative complaint marks the beginning of administrative action.
- (5) The department shall implement a split-sample procedure for testing animals under this section.
- (a) Upon finding a positive drug test result, the department shall notify the owner or trainer of the results. The owner may request that each urine and blood sample be split into a primary sample and a secondary sample, which must be accomplished in the laboratory under rules approved by the commission. Custody of both samples must remain with the

Page 187 of 411

department. However, upon request by the affected trainer or owner of the animal from which the sample was obtained, the department shall send the secondary sample to an approved independent laboratory for analysis. The department shall establish standards and rules for uniform enforcement and shall maintain a list of at least five approved independent laboratories from which an owner or trainer shall select in the event that a sample tests positive.

- (b) If the state laboratory's findings are not confirmed by the independent laboratory, further administrative or disciplinary action under this section may not be pursued. The department may adopt rules identifying substances that diminish in a blood or urine sample due to passage of time and that must be taken into account in applying this section.
- (c) If the independent laboratory confirms the state laboratory's positive result or if there is an insufficient quantity of the secondary sample for confirmation of the state laboratory's positive result, the department may begin administrative proceedings under this part and consistent with chapter 120.
- (d) For purposes of this subsection, the department shall in good faith attempt to obtain a sufficient quantity of the test fluid to allow both a primary test and a secondary test to be conducted.
- (6) (a) It is the intent of the Legislature that animals that participate in races in this state on which pari-mutuel

Page 188 of 411

wagering is conducted and animals that are bred and trained in this state for racing be treated humanely, both on and off racetracks, throughout the lives of the animals.

- (b) The department shall, by rule, establish the procedures for euthanizing greyhounds. However, a greyhound may not be put to death by any means other than by lethal injection of the drug sodium pentobarbital. A greyhound may not be removed from this state for the purpose of being destroyed.
- (c) An occupational licensee may not train a greyhound using live or dead animals. A greyhound may not be taken from this state for the purpose of being trained through the use of live or dead animals.
- (d) Any act committed by any licensee that would constitute cruelty to animals as defined in s. 828.02 involving any animal is a violation of this part. Imposition of any penalty by the department for violation of this part or any rule adopted by the department pursuant to this part does not prohibit a criminal prosecution for cruelty to animals.
- (e) The department may inspect any area at a pari-mutuel facility where racing animals are raced, trained, housed, or maintained, including any areas where food, medications, or other supplies are kept, to ensure the humane treatment of racing animals and compliance with this part and the rules of the department.
- (7) (a) Medication may not be administered to an animal within 24 hours before the officially scheduled post time of a

Page 189 of 411

race in which the animal is participating except as provided for in this section. The department shall, by rule:

- 1. Establish conditions for the use of furosemide to treat exercise-induced pulmonary hemorrhage.
- 2. Establish conditions for the use of prednisolone sodium succinate. Furosemide or prednisolone sodium succinate may not be administered to an animal within 4 hours before the officially scheduled post time for the race.
- 3. Establish conditions for the use of phenylbutazone and synthetic corticosteroids. Except as provided in subparagraph 2., phenylbutazone and synthetic corticosteroids may not be given to an animal within 24 hours before the officially scheduled post time of a race. Oral corticosteroids are prohibited unless prescribed by a licensed veterinarian and reported to the department on forms prescribed by the department.
- 4. Establish acceptable levels of allowed medications and identify the appropriate biological specimens by which the administration of such medication is monitored.
- (b) This section does not prohibit the use of vitamins, minerals, or naturally occurring substances in an amount that does not exceed the normal physiological concentration in a race-day specimen.
- (8) (a) Medication may not be administered to an animal within 24 hours before the officially scheduled post time of the race except as provided in this section.

If the department first determines that the use of furosemide, phenylbutazone, or prednisolone sodium succinate in horses is in the best interest of racing, the department may adopt rules allowing such use, but the rules must specify the conditions for such use. A rule may not allow the administration of furosemide or prednisolone sodium succinate within 4 hours before the officially scheduled post time for the race. A rule may not allow the administration of phenylbutazone or any other synthetic corticosteroid within 24 hours before the officially scheduled post time for the race. Any administration of synthetic corticosteroids is limited to parenteral routes. Oral administration of synthetic corticosteroids is expressly prohibited. If this paragraph is unconstitutional, it is severable from the remainder of this section. (9) (a) The department may conduct a postmortem examination of any animal that is injured while in training or in competition at a permitted racetrack and that subsequently expires or is destroyed. The department may conduct a postmortem examination of any animal that expires while housed at a permitted racetrack, association compound, or licensed kennel or farm. Trainers and owners must comply with this paragraph as a condition of licensure. Upon the death of an animal specified in paragraph (a), the department may take possession of the animal for postmortem examination. The department may submit blood, urine,

other bodily fluid specimens, or other tissue specimens

collected during a postmortem examination for testing by the department laboratory or its designee. Upon completion of the postmortem examination, the carcass must be returned to the owner or disposed of at the owner's option.

- (10) The presence in an animal of a prohibited substance that breaks down during a race, found by the department laboratory in a bodily fluid specimen collected during the postmortem examination of the animal, constitutes a violation of this section.
- (11) The cost of postmortem examinations, testing, and disposal shall be borne by the department.
- of the department, the Uniform Classification Guidelines for Foreign Substances, revised February 14, 1995, as promulgated by the Association of Racing Commissioners International, Inc., is adopted by reference as the uniform classification system for class IV and V medications.
- chromatography (TLC) screening process to test for the presence of class IV and V medications in samples taken from racehorses except when thresholds of a class IV or class V medication have been established and are enforced by rule. Once a sample has been identified as suspicious for a class IV or class V medication by the TLC screening process, the sample shall be sent for confirmation by and through additional testing methods. All other medications not classified by rule as a class IV or

Page 192 of 411

class V medication shall be subject to all forms of testing available to the department.

- (14) The department may implement by rule medication levels recommended by the University of Florida College of Veterinary Medicine developed pursuant to an agreement between the department and the University of Florida College of Veterinary Medicine. The University of Florida College of Veterinary Medicine may provide written notification to the department that it has completed research or review on a particular drug pursuant to the agreement and when the College of Veterinary Medicine has completed a final report of its findings, conclusions, and recommendations to the department.
- (15) The testing medium for phenylbutazone in horses shall be serum, and the department may collect up to six full 15-milliliter blood tubes for each horse being sampled.
- (16) The department shall adopt rules to implement this section. The rules may include a classification system for prohibited substances and a corresponding penalty schedule for violations.
- Section 76. Effective October 1, 2014, section 551.0941, Florida Statutes, is created to read:

The tax shall be calculated by dividing the gross receipts from such charges for the applicable reporting period by a divisor, determined as provided in this subparagraph, to compute gross taxable sales, and then subtracting gross taxable sales from gross receipts to arrive at the amount of tax due. For counties that do not impose a discretionary sales surtax, the divisor is equal to 1.04; for counties that impose a 0.5 percent discretionary sales surtax, the divisor is equal to

Page 378 of 411

1.045; for counties that impose a 1 percent discretionary sales surtax, the divisor is equal to 1.050; and for counties that impose a 2 percent sales surtax, the divisor is equal to 1.060. If a county imposes a discretionary sales surtax that is not listed in this subparagraph, the department shall make the applicable divisor available in an electronic format or otherwise. Additional divisors shall bear the same mathematical relationship to the next higher and next lower divisors as the new surtax rate bears to the next higher and next lower surtax rates for which divisors have been established. When a game or machine is activated by a slug, token, coupon, or any similar device which has been purchased, the tax is on the price paid by the user of the device for such device.

- 2. As used in this paragraph, the term "operator" means any person who possesses an a coin-operated amusement game or machine for the purpose of generating sales through that game or machine and who is responsible for removing the receipts from the game or machine.

Page 379 of 411

- c. If the proprietor of the business where the game or machine is located does not own the game or machine, he or she shall be deemed to be the lessee and operator of the game or machine and is responsible for the payment of the tax on sales, unless such responsibility is otherwise provided for in a written agreement between him or her and the game or machine owner.
- 3.a. An operator of an a coin-operated amusement game or machine may not operate or cause to be operated in this state any such game or machine until the operator has registered with the department and has conspicuously displayed an identifying certificate issued by the department. The identifying certificate shall be issued by the department upon application from the operator. An identifying certificate shall not be transferred from one operator to another. The identifying certificate must be conspicuously displayed on the premises where the coin-operated amusement games or machines are being operated.
- b. The operator of the <u>game or</u> machine must obtain an identifying certificate before the <u>game or</u> machine is first operated in the state and by July 1 of each year thereafter. The annual fee for each certificate shall be based on the number of

Page 380 of 411

The application shall contain the operator's name, sales tax number, business address where the games or machines are being operated, and the number of games or machines in operation at that place of business by the operator. An Ne operator may not operate more games or machines than are listed on the certificate. A new certificate is required if more games or machines are being operated at that location than are listed on the certificate. The fee for the new certificate shall be based on the number of additional games or machines identified on the application form times \$30.

- c. A penalty of \$250 per game or machine is imposed on the operator for failing to properly obtain and display the required identifying certificate. A penalty of \$250 is imposed on the lessee of any game or machine placed in a place of business without a proper current identifying certificate. Such penalties shall apply in addition to all other applicable taxes, interest, and penalties.
- d. Operators of coin-operated amusement games or machines must obtain a separate sales and use tax certificate of registration for each county in which such games or machines are located. One sales and use tax certificate of registration is sufficient for all of the operator's games or machines within a single county.
 - 4. The provisions of This paragraph does do not apply to Page 381 of 411
