The Committee on Community Affairs (Stargel) recommended the following:

**Senate Amendment (with title amendment)**

Delete lines 32 - 56  
and insert:  
public school property. A joint-use agreement may specify the facilities to be used, the dates and times of use, and the terms and conditions governing use of such facilities; may provide for the full indemnification of the district school board by the local government or private organization for any damages arising from the joint use; and may require the local government or

533892

11 private organization to maintain liability insurance of at least  
12 \$200,000 per person and \$300,000 per incident to cover the  
13 indemnification.

14 (a) A district school board may enter into agreements with  
15 a county, municipality, or Florida College System institution to  
16 develop and operate joint community projects. The agreements may  
17 specify how the joint community projects will be developed and  
18 operated, where the projects will be located, that the operating  
19 entity may enter into joint-use agreements pursuant to this  
20 subsection, how public access policies pursuant to this  
21 subsection will be adopted, and any other provisions necessary  
22 to develop and operate the joint community projects.

23 (b) A joint-use agreement for a joint community project may  
24 specify the facilities to be used, the dates and times of use,  
25 and the terms and conditions governing use of such facilities;  
26 may provide for the full indemnification of the district school  
27 board by the county, municipality, or Florida College System  
28 institution for any damages arising from the joint use; and may  
29 require the county, municipality, or Florida
