---

Senator Braynon moved the following:

**Senate Amendment**

Delete lines 99 - 110

and insert:

2. Operate a one-to-one exchange, whereby the participant shall receive one sterile needle and syringe unit in exchange for each used one.

3. Make available educational materials; HIV counseling and testing; referral services to provide education regarding HIV, AIDS, and viral hepatitis transmission; and drug-abuse prevention and treatment counseling and referral services.

173010

12           (b) The possession, distribution, or exchange of needles or  
13 syringes as part of the pilot program established by the  
14 department or the department's designee is not a violation of  
15 any part of chapter 893 or any other law.
