I. Summary:

SB 886 revises provisions of the Florida Teachers Classroom Supply Assistance Program providing flexibility for school districts to distribute funds to classroom teachers sooner for the purchase of supplemental materials and supplies for public school students assigned to them.

The bill requires school districts to determine, by July 1st of each year, the expected number of classroom teachers to be employed by the district or a charter school in the district on September 1st of each year. If, by July 1st, a classroom teacher is expected to be employed on September 1st, the district school board and each charter school board may distribute the teacher's proportionate share of funds to the teacher by August 1st. If a teacher's expected employment status is determined after July 1st, the district school board and charter school board must provide the teacher with the teacher's proportionate share of funds by September 30th, which is the current distribution date.

The bill takes effect on July 1, 2014.

II. Present Situation:

The Florida Teachers Classroom Supply Assistance Program

The Florida Teachers Classroom Supply Assistance Program (Program) provides funds for classroom teachers to purchase supplemental materials and supplies for public school students assigned to them.¹ Program funds are appropriated by the Legislature in the General Appropriations Act and distributed to each school district by the Commissioner of Education based on each district's unweighted full-time equivalent student enrollment.² The district school
