Senate Resolution

A resolution recognizing April 2015 as "Springs Protection Awareness Month" in Florida.

WHEREAS, Florida's springs are essential to the environment, economy, and residents of, and visitors to, this state, and

WHEREAS, Florida's aquifer, one of the most productive in the world, supports more than 700 natural springs, giving this state the world's highest concentration of springs, and

WHEREAS, more than 93 percent of Florida residents rely on this groundwater supply and its vital role in the state's economy, and

WHEREAS, springs are a natural resource that must be protected because they reflect groundwater conditions and provide an important habitat for wildlife, including species listed as threatened or endangered under the Endangered Species Act, and

WHEREAS, springs provide important recreational resources and opportunities that are enjoyed by residents and visitors alike, and

WHEREAS, Florida's springs discharge more than 8 billion gallons of water each day, which is essential for sustaining spring runs and associated receiving water bodies, and

WHEREAS, healthy springs reflect the State of Florida's commitment to sustain and protect ground and surface water resources, NOW, THEREFORE,

Be It Resolved by the Senate of the State of Florida:
