I. Summary:

SB 164 authorizes counties that are awarded a grant from the Crime Stoppers Trust Fund to use the funds for the purchase and distribution of promotional items to increase public awareness and educate the public about Crime Stoppers.

II. Present Situation:

Section 16.555, F.S., provides a funding mechanism for Crime Stopper programs. The Department of Legal Affairs is required to make applications for all federal and state or private grants which meet the purposes of advancing Crime Stoppers in the state; establish a trust fund to administer grants to fund Crime Stoppers and its crime fighting programs within the units of local government; and administer and disburse the funds.

In 1998, the Legislature added a funding source in s. 938.06, F.S., by imposing a \$20 court cost on persons convicted of any criminal offense.¹ The proceeds from the \$20 court cost are deposited in a separate account within the trust fund. The clerks retain \$3 per assessment as a service charge and forward the money to the Department of Revenue for deposit in the Crime Stoppers Trust Fund. The funds are to be designated according to the judicial circuit where it was collected. However, grants may be awarded only to counties which are served by an official member of the Florida Association of Crime Stoppers. Approximately \$4.4 million in grants were awarded to the Crime Stoppers Trust Fund during the 2013-2014 fiscal year.²

Crime Stoppers began in Albuquerque, New Mexico in 1976. A homicide detective with the Albuquerque Police asked a local television station to broadcast a re-enactment of an unsolved murder on its newscast. A reward was offered and a caller contacted the police the next day with a tip that led the police to the two men who were responsible. The success of this concept launched a program which is now internationally known as “Crime Stopper.” There are now over 1,200 Crime Stoppers programs worldwide.³

The Central Florida Crime Watch Program, now Central Florida Crimeline, was formed one year after the first Crime Stoppers program. Today there are 32 programs in Florida operating under the name Florida Association of Crime Stoppers, Inc.⁴ Florida Crime Stoppers programs reported 56,069 crime tips, 9,857 cleared cases, 4,679 arrests, and 3,885 approved rewards for tipsters during the 2013-2014 fiscal year.⁵
