Senator Hukill moved the following:

Senate Amendment

Delete lines 43 - 65

and insert:

(1) "Authorized user" means a director, officer, employee, third-party agent, contractor, or consultant of the owner, operator, or lessee of the protected computer or the owner of information stored in the protected computer if the director, officer, employee, third-party agent, contractor, or consultant is given express permission by the owner, operator, or lessee of the protected computer or by the owner of information stored in

748330

12 the protected computer to access the protected computer through
13 a technological access barrier. Such permission, however, is
14 terminated upon revocation by the owner, operator, or lessee of
15 the protected computer or by the owner of information stored in
16 the protected computer, or upon cessation of employment,
17 affiliation, or agency with the owner, operator, or lessee of
18 the protected computer or the owner of information stored in the
19 protected computer.
