---

The Committee on Communications, Energy, and Public Utilities (Bradley) recommended the following:

**Senate Amendment (with title amendment)**

Delete lines 241 - 242

and insert:

(e) New tariffs and changes to an existing tariff, other than an administrative change that does not substantially change the meaning or operation of the tariff, must be approved by vote of the commission.

===== T I T L E A M E N D M E N T =====

11 And the title is amended as follows:  
12       Delete lines 41 - 42  
13 and insert:  
14       selection; requiring that the commission approve new  
15       tariffs and certain changes to existing tariffs;  
16       amending s.
