SUMMARY ANALYSIS

CS/CS/HB 493 passed the House on April 9, 2015, as CS/CS/SB 290.

Section 790.01, F.S., makes it a first degree misdemeanor for a person to carry a concealed weapon or electric weapon or device on or about his or her person. Carrying a concealed firearm is a third degree felony. These criminal penalties do not apply to:

- A person licensed to carry a concealed weapon or firearm; or
- A person carrying the following in a concealed manner for purposes of lawful self-defense:
 - Self-defense chemical spray; or
 - A nonlethal stun gun or dart-firing stun gun or other nonlethal electric weapon or device that is designed solely for defensive purposes.

The bill creates an additional exception in s. 790.01, F.S., specifying that the statute's criminal penalties do not apply to:

- A person who carries a concealed weapon, or a person who may lawfully possess a firearm and who carries a concealed firearm, on or about his or her person while in the act of evacuating during a mandatory evacuation order issued during a state of emergency declared by the Governor pursuant to ch. 252, F.S., or declared by a local authority pursuant to ch. 870, F.S.

The bill defines "in the act of evacuating" as "the immediate and urgent movement of a person away from the evacuation zone within 48 hours after a mandatory evacuation is ordered." The 48 hours may be extended by an order issued by the Governor.

The Criminal Justice Impact Conference met on March 11, 2015, and determined that this bill will have a negative insignificant prison bed impact on the Department of Corrections (i.e., a decrease of 10 or fewer beds). The bill may also have a negative jail bed impact (i.e., it will reduce the need for jail beds).

The bill was approved by the Governor on May 21, 2015, ch. 2015-44, L.O.F., and became effective on that date.

Current Situation

Mandatory Evacuation during a State of Emergency

Governor's Authority

Section 252.36, F.S., authorizes the Governor to declare a state of emergency by executive order or proclamation if he or she finds an emergency has occurred or that the occurrence or the threat thereof is imminent. The state of emergency must continue until the Governor finds that the threat or danger has been dealt with to the extent that the emergency conditions no longer exist, and she or he terminates the state of emergency by executive order or proclamation.¹ No state of emergency may continue for longer than 60 days unless renewed by the Governor.²

As part of his or her emergency management powers, the Governor is authorized to direct and compel the evacuation of all or part of the population from any stricken or threatened area within the state if she or he deems this action necessary for the preservation of life or other emergency mitigation, response, or recovery.³ The Governor may also suspend or limit the sale, dispensing, or transportation of firearms.⁴

Local Authority

Section 870.043, F.S., authorizes sheriffs and designated city officials to declare a state of emergency if he or she determines that there has been an act of violence or a flagrant and substantial defiance of, or resistance to, a lawful exercise of public authority and that, on account thereof, there is reason to believe that there exists a clear and present danger of a riot or other general public disorder, widespread disobedience of the law, and substantial injury to persons or to property, all of which constitute an imminent threat to public peace or order and to the general welfare of the jurisdiction affected or a part or parts thereof. The state of emergency commences upon its declaration and terminates 72 hours thereafter unless, prior to the end of the 72-hour period, the public official, Governor, county commission, or city council terminate it.⁵

Whenever a sheriff or city official declares a state of emergency, he or she may order and promulgate all or any of the following emergency measures, in whole or in part, with any limitations and conditions he or she deems appropriate:

- The establishment of curfews, including, but not limited to, the prohibition of or restrictions on pedestrian and vehicular movement, standing, and parking;
- The prohibition of the sale or distribution of any alcoholic beverage;
- The prohibition of the possession on any person in a public place of any portable container containing any alcoholic beverage;
- The closing of places of public assemblage with designated exceptions;
- The prohibition of the sale or other transfer of possession, with or without consideration, of gasoline or any other flammable or combustible liquid altogether or except by delivery into a tank properly affixed to an operable motor-driven vehicle, bike, scooter, boat, or airplane and necessary for the propulsion thereof; and
- The prohibition of the possession in a public place of any portable container containing gasoline or any other flammable or combustible liquid.⁶

- The sale of, or offer to sell, with or without consideration, any ammunition or gun or other firearm of any size or description;
- The intentional display, after the emergency is declared, by or in any store or shop of any ammunition or gun or other firearm of any size or description; and
