SUMMARY ANALYSIS

Current law authorizes public-private partnerships (P3s) for specified public purpose projects. It authorizes responsible public entities to enter into a P3 for specified qualifying projects if the public entity determines the project is in the public's best interest.

This bill, which is linked to the passage of House Bill 63, creates an exemption from public record and public meeting requirements for unsolicited proposals for P3 projects for public facilities and infrastructure.

The bill provides that an unsolicited proposal is exempt from public record requirements until such time that the responsible public entity provides notice of its intended decision. If the responsible public entity rejects all proposals and concurrently provides notice of its intent to seek additional proposals, the unsolicited proposal remains exempt for a specified period of time; however, it does not remain exempt for more than 90 days after the responsible public entity rejects all proposals received for the project described in the unsolicited proposal.

If the responsible public entity does not issue a competitive solicitation, the unsolicited proposal is not exempt for more than 180 days.

The bill creates a public meeting exemption for any portion of a meeting during which the exempt, unsolicited proposal is discussed. A recording must be made of the closed portion of the meeting. The recording, and any records generated during the closed meeting, are exempt from public record requirements until such time as the underlying public record exemption expires.

The public record and public meeting exemptions are subject to the Open Government Sunset Review Act and will stand repealed on October 2, 2020, unless reviewed and saved from repeal through reenactment by the Legislature. The bill also provides a statement of public necessity as required by the State Constitution.

The bill does not appear to have a fiscal impact on state government; however, it may create a minimal fiscal impact on local governments.

Article I, s. 24(c) of the State Constitution requires a two-thirds vote of the members present and voting for final passage of a newly created public record or public meeting exemption. The bill creates public record and public meeting exemptions; thus, it requires a two-thirds vote for final passage.

FULL ANALYSIS

I. SUBSTANTIVE ANALYSIS

A. EFFECT OF PROPOSED CHANGES:

Background

Public Records Law

Article I, s. 24(a) of the State Constitution sets forth the state's public policy regarding access to government records. The section guarantees every person a right to inspect or copy any public record of the legislative, executive, and judicial branches of government.

Public policy regarding access to government records is addressed further in the Florida Statutes. Section 119.07(1), F.S., guarantees every person the right to inspect and copy any state, county, or municipal record.

Public Meetings Law

Article I, s. 24(b) of the State Constitution sets forth the state's public policy regarding access to government meetings. The section requires that all meetings of any collegial public body of the executive branch of state government or of any collegial public body of a county, municipality, school district, or special district, at which official acts are to be taken or at which public business of such body is to be transacted or discussed, be open and noticed to the public.

Public policy regarding access to government meetings also is addressed in the Florida Statutes. Section 286.011, F.S., known as the "Government in the Sunshine Law" or "Sunshine Law," further requires that all meetings of any board or commission of any state agency or authority or of any agency or authority of any county, municipal corporation, or political subdivision, at which official acts are to be taken be open to the public at all times.¹ The board or commission must provide reasonable notice of all public meetings.² Public meetings may not be held at any location that discriminates on the basis of sex, age, race, creed, color, origin or economic status or which operates in a manner that unreasonably restricts the public's access to the facility.³ Minutes of a public meeting must be promptly recorded and open to public inspection.⁴

Public Record and Public Meeting Exemptions

The Legislature may provide by general law for the exemption of records and meetings from the requirements of Article I, s. 24(a) and (b) of the State Constitution. The general law must state with specificity the public necessity justifying the exemption (public necessity statement) and must be no broader than necessary to accomplish its purpose.⁵

Furthermore, the Open Government Sunset Review Act⁶ provides that a public record or public meeting exemption may be created or maintained only if it serves an identifiable public purpose. In addition, it may be no broader than is necessary to meet one of the following purposes:

- Allows the state or its political subdivisions to effectively and efficiently administer a governmental program, which administration would be significantly impaired without the exemption;
- Protects sensitive personal information that, if released, would be defamatory or would jeopardize an individual's safety; however, only the identity of an individual may be exempted under this provision; or
- Protects trade or business secrets.

⁴ Section 286.011(2), F.S.

⁶ Section 119.15, F.S.

The Open Government Sunset Review Act requires the automatic repeal of a newly created exemption on October 2nd of the fifth year after creation or substantial amendment, unless the Legislature reenacts the exemption.

Public-Private Partnerships

Section 287.05712, F.S., governs the procurement process for public-private partnerships (P3s) for public purpose projects. It authorizes a responsible public entity⁷ to enter into a P3 for specified qualifying projects⁸ if the responsible public entity determines the project is in the public's best interest.⁹

Responsible public entities may receive unsolicited proposals or may solicit proposals for qualifying projects and may, thereafter, enter into an agreement with a private entity for the building, upgrading, operation, ownership, or financing of facilities. Unsolicited proposals from private entities must be accompanied by the following material and information, unless waived by the responsible public entity:¹⁰

- A description of the qualifying project, including the conceptual design of the facilities or a conceptual plan for the provision of services, and a schedule for the initiation and completion of the qualifying project.
- A description of the method by which the private entity proposes to secure any necessary property interests that are required for the qualifying project.
- A description of the private entity's general plans for financing the qualifying project, including the sources of the private entity's funds and identification of any dedicated revenue source or proposed debt or equity investment on behalf of the private entity.
- The name and address of the person who may be contacted for further information concerning the proposal.
- The proposed user fees, lease payments, or other service payments over the term of a comprehensive agreement, and the methodology and circumstances for changes to the user fees, lease payments, and other service payments over time.
- Any additional material or information the responsible public entity reasonably requests.

If the responsible public entity receives an unsolicited proposal and intends to enter into a P3 agreement for the project, the responsible public entity must publish a notice in the Florida Administrative Register and a newspaper of general circulation at least once a week for two weeks stating the entity has received a proposal and will accept other proposals.¹¹ The responsible public entity must establish a timeframe in which to accept other proposals.¹²

After the notification period has expired, the responsible public entity must rank the proposals received in order of preference.¹³ If negotiations with the first ranked firm are unsuccessful, the responsible

⁷ Section 287.05712(1)(j), F.S., defines "responsible public entity" as a county, municipality, school board, or any other political subdivision of the state; a public body politic and corporate; or a regional entity that serves a public purpose and is authorized to develop or operate a qualifying project.

⁸ Section 287.05712(1)(i), F.S., defines the term "qualifying project" as a facility or project that serves a public purpose, including, but not limited to, any ferry or mass transit facility, vehicle parking facility, airport or seaport facility, rail facility or project, fuel supply facility, oil or gas pipeline, medical or nursing care facility, recreational facility, sporting or cultural facility, or educational facility or other building or facility that is used or will be used by a public educational institution, or any other public facility or infrastructure that is used or will be used by the public at large or in support of an accepted public purpose or activity; an improvement, including equipment, of a building that will be principally used by a public entity or the public at large or that supports a service delivery system in the public sector; a water, wastewater, or surface water management facility or other related infrastructure; or for projects that involve a facility owned or operated by the governing board of a county, district, or municipal hospital or health care system, or projects that involve a facility owned or operated by a municipal electric utility, only those projects that the governing board designates as qualifying projects.

public entity may begin negotiations with the second ranked firm.¹⁴ The responsible public entity may reject all proposals at any point in the process.¹⁵

Public Record and Public Meeting Exemptions

Current law does not provide a public record exemption for unsolicited proposals. However, sealed bids, proposals, or replies received by an agency pursuant to a competitive solicitation are exempt¹⁶ from public record requirements until such time as the agency provides notice of an intended decision or until 30 days after opening the bids, proposals, or final replies, whichever is earlier.¹⁷ If an agency rejects all bids, proposals, or replies submitted in response to a competitive solicitation and the agency concurrently provides notice of its intent to reissue the competitive solicitation, the rejected bids, proposals, or replies remain exempt until the agency provides notice of its intended decision or withdraws the reissued competitive solicitation. A bid, proposal, or reply is not exempt for longer than 12 months after the initial agency notice rejecting all bids, proposals, or replies.¹⁸

Current law does not provide a public meeting exemption for meetings during which an unsolicited proposal is discussed. However, public meetings in which a negotiation with a vendor is conducted pursuant to a competitive solicitation, at which a vendor makes an oral presentation as part of a competitive solicitation, or at which a vendor answers questions as part of a competitive solicitation are exempt from public meeting requirements.¹⁹ A complete recording of the closed meeting must be made and no portion of the exempt meeting may be held off the record.²⁰

The recording of, and any records presented at, the exempt meeting are exempt from public record requirements until such time as the agency provides notice of an intended decision or until 30 days after opening the bids, proposals, or final replies, whichever occurs earlier.²¹ If the agency rejects all bids, proposals, or replies and concurrently provides notice of its intent to reissue a competitive solicitation, the recording and any records presented at the exempt meeting remain exempt from public record requirements until such time as the agency provides notice of an intended decision concerning the reissued competitive solicitation or until the agency withdraws the reissued competitive solicitation.²² A recording and any records presented at an exempt meeting are not exempt for longer than 12 months after the initial agency notice rejecting all bids, proposals, or replies.²³

Effect of Proposed Changes

The bill creates an exemption from public record and public meeting requirements for unsolicited proposals for P3 projects for public facilities and infrastructure.

The bill creates a public record exemption for an unsolicited proposal held by a responsible public entity until the responsible public entity provides notice of its intended decision. If the responsible public entity rejects all proposals and concurrently provides notice of its intent to seek additional proposals, the unsolicited proposal remains exempt until such time that the responsible public entity provides notice of an intended decision concerning the reissued competitive solicitation or until the responsible public entity withdraws the reissued competitive solicitation for the project. ¹⁶ There is a difference between records the Legislature designates as exempt from public record requirements and those the Legislature deems confidential and exempt. A record classified as exempt from public disclosure may be disclosed under certain circumstances. See *WFTV, Inc. v. The School Board of Seminole*, 874 So.2d 48, 53 (Fla. 5th DCA 2004), *review denied* 892 So.2d 1015 (Fla. 2004); *City of Riviera Beach v. Barfield*, 642 So.2d 1135 (Fla. 4th DCA 1994); *Williams v. City of Minneola*, 575 So.2d 687 (Fla. 5th DCA 1991). If the Legislature designates a record as confidential and exempt from public disclosure, such record may not be released by the custodian of public records to anyone other than the persons or entities specifically designated in statute. See Attorney General Opinion 85-62 (August 1, 1985).

exempt for more than 90 days after the responsible public entity rejects all proposals received for the project described in the unsolicited proposal.

If the responsible public entity does not issue a competitive solicitation, the unsolicited proposal is not exempt for more than 180 days.

The bill creates a public meeting exemption for any portion of a meeting during which the exempt unsolicited proposal is discussed. A recording must be made of the closed portion of the meeting. The recording, and any records generated during the closed meeting, are exempt from public record requirements until such time as the underlying public record exemption expires.

The public record and public meeting exemptions are subject to the Open Government Sunset Review Act and will stand repealed on October 2, 2020, unless reviewed and saved from repeal through reenactment by the Legislature. The bill also provides a statement of public necessity as required by the State Constitution.

The bill becomes effective on the same date that House Bill 63 or similar legislation takes effect, if such legislation is adopted in the same legislative session or an extension thereof and becomes a law.

B. SECTION DIRECTORY:

Section 1. amends s. 287.05712, F.S., as transferred, renumbered, and amended by HB 63, to create public record and public meeting exemptions for unsolicited proposals received by a responsible public entity for a specified period.

Section 2. provides a public necessity statement.

Section 3. provides a contingent effective date.

II. FISCAL ANALYSIS & ECONOMIC IMPACT STATEMENT

A. FISCAL IMPACT ON STATE GOVERNMENT:

1. Revenues:

None.

2. Expenditures:

None.

B. FISCAL IMPACT ON LOCAL GOVERNMENTS:

1. Revenues:

None.

2. Expenditures:

The bill may create a minimal fiscal impact on local governments that receive unsolicited P3 proposals because staff responsible for complying with public record requests could require training related to the public record exemption. Local governments could incur costs associated with redacting the exempt information prior to releasing a record. The costs, however, would be absorbed, as they are part of the day-to-day responsibilities of the local government. In addition, local governments may incur minimal fiscal costs associated with recording that portion of a closed meeting during which an unsolicited proposal that is exempt is discussed.

C. DIRECT ECONOMIC IMPACT ON PRIVATE SECTOR:

None.

D. FISCAL COMMENTS:

None.

III. COMMENTS

A. CONSTITUTIONAL ISSUES:

1. Applicability of Municipality/County Mandates Provision:

The bill does not appear to require municipalities or counties to expend funds or take any action requiring the expenditure of funds, reduce the authority that municipalities or counties have to raise revenues in the aggregate, or reduce the percentage of state tax shared with municipalities or counties.

2. Other:

Vote Requirement

Article I, s. 24(c) of the State Constitution requires a two-thirds vote of the members present and voting for final passage of a newly created public record or public meeting exemption. The bill creates new public record and public meeting exemptions; thus, it requires a two-thirds vote for final passage.

Public Necessity Statement

Article I, s. 24(c) of the State Constitution requires a public necessity statement for a newly created or expanded public record or public meeting exemption. The bill creates new public record and public meeting exemptions; thus, it includes a public necessity statement.

Breadth of Exemption

Article I, s. 24(c) of the State Constitution requires a newly created public record or public meeting exemption to be no broader than necessary to accomplish the stated purpose of the law. The bill creates public record and public meeting exemptions for unsolicited proposals for P3 projects that expire after a certain time. The exemption does not appear to be in conflict with the constitutional requirement that the exemption be no broader than necessary to accomplish its purpose.

B. RULE-MAKING AUTHORITY:

None.

C. DRAFTING ISSUES OR OTHER COMMENTS:

None.

IV. AMENDMENTS/ COMMITTEE SUBSTITUTE CHANGES

On February 4, 2015, the Government Operations Subcommittee adopted two amendments and reported the bill favorable with a committee substitute. The amendments:

- Relocated the public record and public meeting exemptions to chapter 255, F.S., in order to conform to changes made to House Bill 63; and
- Removed a reference to "board" in order to clarify that the public meeting exemption applies to meetings of the responsible public entity.

This analysis is drafted to the committee substitute as approved by the Government Operations Subcommittee.
