The Committee on Appropriations (Negron) recommended the following:

Senate Amendment (with title amendment)

Delete lines 209 - 219
and insert:

(4) FLORIDA CORRECTIONS COMMISSION.—The Florida Corrections Commission is created. The commission is assigned to the Justice Administrative Commission for administrative and fiscal accountability purposes, but it shall otherwise function independently of the control, supervision, and direction of the

824064

10 Justice Administrative Commission. The primary focus of the
11 commission shall be on matters relating to corrections with an
12 emphasis on the safe and effective operations of major
13 correctional institutions. However, in instances in which the
14 policies of other components of the criminal justice system
15 affect corrections, the commission shall advise and make
16 recommendations.
