(a) “Boycott Israel” or “boycott of Israel” means refusing to deal, terminating business activities, or taking other actions to limit commercial relations with Israel, or persons or entities doing business in Israel or in Israeli-controlled territories, in a discriminatory manner. A statement by a company that it is participating in a boycott of Israel, or that it has initiated a boycott in response to a request for a boycott of Israel or in compliance with, or in furtherance of, calls for a boycott of Israel, may be considered by the State Board of Administration to be evidence that a company is participating in a boycott of Israel. The term does not include restrictive trade practices or boycotts fostered or imposed by foreign countries against Israel.

(b) “Company” means a sole proprietorship, organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, limited liability company, or other entity or business association, including all wholly owned subsidiaries, majority-owned subsidiaries, and parent companies, that exists for the purpose of making profit.

(c) “Direct holdings” in a company means all securities of that company that are held directly by the public fund or in an account or fund in which the public fund owns all shares or interests.

(d) “Indirect holdings” in a company means all securities of that company that are held in a commingled fund or other collective investment, such as a mutual fund, in which the public fund owns shares or interests, together with other investors not subject to this section or which are held in an index fund.

2. Contacting asset managers contracted by the public fund for information regarding companies that boycott Israel; or

3. Contacting other institutional investors that prohibit such investments or that have engaged with companies that boycott Israel.

(b) By the first meeting of the public fund following the identification of scrutinized companies in accordance with paragraph (a), the public fund shall compile and make available the “Scrutinized Companies that Boycott Israel List.”

(c) The public fund shall update and make publicly available quarterly the Scrutinized Companies that Boycott Israel List based on evolving information from, among other sources, those listed in paragraph (a).

The notice must inform the company of the opportunity to clarify its activities regarding the boycott of Israel and encourage the company to cease the boycott of Israel within 90 days in order to avoid qualifying for investment prohibition.

3. If, within 90 days after the public fund’s first engagement with a company pursuant to this paragraph, the company ceases a boycott of Israel, the company shall be removed from the Scrutinized Companies that Boycott Israel List, and the provisions of this section shall cease to apply to that company unless that company resumes a boycott of Israel.

(b) Prohibition.—The public fund may not acquire securities of companies on the Scrutinized Companies that Boycott Israel List, except as provided in paragraph (c) and subsection (6).

Cessation of the investment prohibition and any new investment in a scrutinized company is limited to the minimum steps necessary to avoid the contingency described in this subsection. For any cessation of the investment prohibition and new investment authorized by this subsection, the public fund shall provide a written report to each member of the Board of Trustees of the State Board of Administration, the President of the Senate, and the Speaker of the House of Representatives in advance of the new investment, updated semiannually thereafter as applicable, setting forth the reasons and justification, supported by clear and convincing evidence, for its decisions to cease the investment prohibition in scrutinized companies.
