I. Summary:

CS/CS/SB 1026 modifies the membership, oversight, and related fees required by the Florida High School Athletic Association (FHSAA), the governing nonprofit organization for athletics in Florida public schools. Specifically, the bill:

- Allows private schools to join the FHSAA on a per-sport basis;
- Authorizes the FHSAA to allow a public school the option to apply for consideration to join another athletic association on a per-sport basis;
- Authorizes the commissioner to identify the other associations that govern interscholastic athletic competition in compliance with law;
- Prohibits the FHSAA from discouraging schools from simultaneously maintaining membership in the FHSAA and another athletic association; and
- Provides for an informal and formal appeals process for resolving student eligibility disputes.

The bill has no impact on state funds.

The bill takes effect on July 1, 2016.

II. Present Situation:

Florida High School Athletics

The Florida High School Athletic Association (FHSAA) is statutorily designated as the governing nonprofit organization of athletics in Florida public schools in grades 6 through 12.¹ The FHSAA is not a state agency, but is assigned quasi-governmental functions.²

Membership in the FHSAA

Any high school in the state, including charter schools, virtual schools, and home education cooperatives,³ may become a member of the FHSAA and participate in the activities of the FHSAA.⁴ A private school that wishes to engage in high school athletic competition with a public high school may become a member of the FHSAA.⁵ Membership in the FHSAA is not mandatory for any school.⁶ The FHSAA is a membership-driven organization, encompassing 702 member combination schools⁷ and senior high schools,⁸ and 102 middle schools.⁹

The FHSAA may not deny or discourage interscholastic¹⁰ competition between its member schools and non-FHSAA member schools, including members of another athletic governing organization, and is prohibited from taking retributory or discriminatory actions against member schools who participate in interscholastic competition with non-FHSAA member schools.¹¹

⁷ A combination school is defined by the FHSAA as any traditional public school, charter school, virtual school, private school, or university laboratory school that provides instruction to students in both middle/junior high school grades and/or senior high school grades under the direction of a single principal and located on the same campus, except for 9-12 high schools which have 9th grade centers at a separate location, with participation and enrollment based on a single campus site. A combination school must hold membership as a middle school if its terminal grade is grade 6 through 8, as a junior high school if its terminal grade is grade 9, or as a senior high school if its terminal grade is grade 10 through 12. Membership in the National Federation of State High School Associations

The National Federation of State High School Associations (NFSH) is the national leadership organization for high school athletic and performing arts activities.¹² The voting members must be state high school athletic associations.¹³ The FHSAA is the voting member of the NFHS for Florida.¹⁴ The FHSAA has been a member of the NFHS since 1926.¹⁵ Affiliate membership, with rights of participation in meetings and activities, but without voting privileges, or eligibility for elected or appointed offices or assignments, may be granted to various organizations.¹⁶ Affiliate members do not have sanctioning authority, as that lies with the voting member.¹⁷

A state high school athletic association may not become an affiliate member without the state's voting member approving of such affiliate membership.¹⁸ Likewise, Florida statute provides that the FHSAA may not unreasonably withhold approval of an application to become an affiliate member of the NFHS that is submitted by an organization that governs interscholastic athletic competition in Florida.¹⁹

Appeals Process

The FHSAA procedures provide each student the opportunity to appeal an unfavorable ruling with regard to his or her eligibility to compete.²⁰

The initial appeal is made to a committee on appeals within the administrative region where the student lives.²¹ The FHSAA bylaws establish the number, size, and composition of each committee on appeals.²² The bylaws specify the process and standards for eligibility determinations.²³

The appeals process for eligibility violations are as follows:

- An appeal must be filed with the executive director to make the initial determination of ineligibility.²⁴

¹² NFHS membership includes, but is not limited to state high school athletic associations. III. Effect of Proposed Changes:

Florida High School Athletics

This bill modifies the membership provisions, oversight, and appeals process of the governing nonprofit organization of athletics in Florida. Specifically, the bill:

- Allows private schools to join the Florida High School Athletic Association (FHSAA) on a per-sport basis;
- Authorizes the FHSAA to allow a public school the option to apply for consideration to join another athletic association on a per-sport basis;
- Authorizes the commissioner to identify the other associations that govern interscholastic athletic competition in compliance with law;
- Prohibits the FHSAA from discouraging schools from simultaneously maintaining membership in the FHSAA and another athletic association; and
- Provides for an informal and formal appeals process for resolving student eligibility disputes.

Membership in the FHSAA

The bill:

- Allows a private school to join FHSAA as a full-time member or on a per-sport basis and authorizes the FHSAA to allow a public school the option to apply for consideration to join another athletic association on a per-sport basis. This offers a school the option of joining other athletic associations by individual sport while maintaining membership in FHSAA for other sports; and
- Prohibits the FHSAA from taking retributory or discriminatory actions against members seeking membership in other associations for a sport for which they are not a member of the FHSAA.

Membership in the National Federation of State High School Associations

The bill limits the means by which the FHSAA may withhold approval of an association applying for a National Federation of State High School Associations affiliate membership by

²⁹ Bylaw 10.7.3.1, FHSAA.

providing that the Commissioner of Education, not the FHSAA, may determine whether the applicant that governs interscholastic athletic competition does so in compliance with law.

Appeals Process

The bill requires the FHSAA to provide an opportunity to resolve ineligibility determinations through an informal and formal appeal process.

The bill creates a new informal conference procedure to be held within 10 days of the initial ineligibility determination. The new informal process allows for a more timely resolution of student eligibility disputes. The bill allows for the informal conference to be held by telephone or by video conference, removing the requirement for a student to appear in person.

The bill specifies that the FHSAA must provide for a formal appeals process for the timely and cost-effective resolution of an eligibility dispute by a mutually agreed upon neutral third party. In effect, this could eliminate the cost of mediation which is currently shared equally by both parties.³⁰

The bill requires the final determination to be issued no later than 30 days after the informal conference, unless there is an agreed upon extension.

The bill takes effect on July 1, 2016.
