COMMITTEE SUBSTITUTE - Substantial Changes

I. Summary:

CS/SB 1160 creates the Art in the Capitol Competition, a statewide visual arts competition for all public, private, and home education students in grades 6 through 8.

Specifically, the bill requires:

- Each school district to annually hold an Art in the Capitol Competition with a selection committee consisting of art teachers, whose students have not submitted work;
- Winning submissions to be provided to the legislator of the legislative district in which the student resides; and
- The legislator to submit the artwork to the Department of Management Services (DMS) to be displayed in the Capitol Building during the regular legislative session.

The bill has an indeterminate insignificant fiscal impact on state funds.

The bill takes effect on July 1, 2016.

II. Present Situation:

Artwork in the Capitol

The Capitol has both permanent and temporary art displays. On the lower floors of the Capitol and legislative office buildings are photographs from Florida's history.¹ The rotating display areas within the Capitol Grounds include the 22nd Floor Capitol Gallery, Cabinet Meeting Room, and the Gallery at the Historic Capitol.²

The Capitol Complex Exhibition Program showcases Florida artists through a series of visual art exhibitions throughout the Capitol Complex.³ Exhibitions are selected by Division of Cultural Affairs staff members based on quality, diversity of medium, and regional representation, with preference given to Florida themes.⁴

Congressional Art Competition

Each spring, the Congressional Institute⁵ sponsors a nationwide high school visual art competition to recognize and encourage artistic talent in the nation and in each congressional district.⁶ Students submit their entries to their representative's office, and panels of district artists select the winning entries.⁷ Winners are recognized both in their district and at an annual awards ceremony in Washington, DC.⁸ The winning artwork is displayed for one year at the U. S. Capitol.⁹

All entries for the Congressional Art Competition meet the following criteria:¹⁰

- Be two dimensional;
- Be no larger than 28 inches wide by 28 inches tall by 4 inches thick when framed;
- Not weigh more than 15 pounds, including the frame; and
- Be original in concept, design, and execution and may not violate any U.S. copyright laws.

artistic talent in Florida. The bill directs the Department of Management Services and the Department of Education (DOE) to administer the Art in the Capitol Competition.

Specifically, the bill requires each school district to annually hold an Art in the Capitol Competition with the submissions to be judged by a selection committee consisting of art teachers whose students have not submitted artwork. In effect, the art competition offers an opportunity for students to not only be challenged locally, but to also be acknowledged for their talent and creativity at the state level.

In addition, the artwork submission requirements for the Florida statewide visual arts competition are similar to the nationwide high school Congressional Art Competition, including:

- Be two dimensional;
- Be no larger than 28 inches wide by 28 inches long by 4 inches thick;
- Weigh less than 15 pounds; and
- Be original in concept, design, and execution and may not violate copyright laws.

The bill requires the winning artwork to be submitted to the office of the legislator of the district in which the student resides no later than 60 days prior to the start of the regular legislative session. The bill allows for an unspecified number of winning submissions to be provided to each legislator.

The artwork will be displayed in the Capitol Building during the regular legislative session to showcase the talent of creative Florida students in grades 6 through 8.

The bill takes effect on July 1, 2016.
