for recreational hunting licenses and privileges, and hunting safety certifications be made exempt from s. 119.07(1), Florida Statutes, and s. 24(a), Article I of the State Constitution. Under current law, personal information that applicants must provide to the commission in order to apply for such licenses, privileges, and certifications is a public record available for any purpose. Such information can be obtained and used to perpetrate identity theft and other invasive contacts. The public availability of this personal information needlessly increases the risk of identity theft and invasive contacts with those applying to the commission for such licenses, privileges, and certifications. These unnecessary risks would be diminished or eliminated if the commission preserved the confidentiality of personal information provided on applications for such licenses, privileges, and certifications.
