390.012 Powers of agency; rules; disposal of fetal remains.—

(1) The agency may develop and enforce rules pursuant to ss. 390.011-390.018 and part II of chapter 408 for the health, care, and treatment of persons in abortion clinics and for the safe operation of such clinics.

(c) The rules shall provide for:

1. The performance of pregnancy termination procedures only by a licensed physician.

2. The making, protection, and preservation of patient records, which shall be treated as medical records under chapter
458. When performing a license inspection of a clinic, the agency shall inspect at least 50 percent of patient records generated since the clinic’s last license inspection.

3. Annual inspections by the agency of all clinics licensed under this chapter to ensure that such clinics are in compliance with this chapter and agency rule.

4. The prompt investigation of credible allegations of abortions being performed at a clinic that is not licensed to perform such procedures.

(2) For clinics that perform abortions in the first trimester of pregnancy only, these rules shall be comparable to rules that apply to all surgical procedures requiring approximately the same degree of skill and care as the performance of first trimester abortions and must require:

(a) Clinics to have a written patient transfer agreement with a hospital within reasonable proximity to the clinic which includes the transfer of the patient’s medical records held by the clinic and the treating physician to the licensed hospital; or

(b) Physicians who perform abortions at the clinic to have admitting privileges at a hospital within reasonable proximity to the clinic.

(3) For clinics that perform or claim to perform abortions after the first trimester of pregnancy, the agency shall adopt rules pursuant to ss. 120.536(1) and 120.54 to implement the provisions of this chapter, including the following:

(c) Rules relating to abortion clinic personnel. At a minimum, these rules shall require that:

1. The abortion clinic designate a medical director who is
licensed to practice medicine in this state, and all physicians who perform abortions in the clinic have admitting privileges at a licensed hospital in this state within reasonable proximity to the clinic or has a transfer agreement with a licensed hospital within reasonable proximity of the clinic.

2. If a physician is not present after an abortion is performed, a registered nurse, licensed practical nurse, advanced registered nurse practitioner, or physician assistant shall be present and remain at the clinic to provide postoperative monitoring and care until the patient is discharged.

3. Surgical assistants receive training in counseling, patient advocacy, and the specific responsibilities associated with the services the surgical assistants provide.

4. Volunteers receive training in the specific responsibilities associated with the services the volunteers provide, including counseling and patient advocacy as provided in the rules adopted by the director for different types of volunteers based on their responsibilities.

(f) Rules that prescribe minimum recovery room standards. At a minimum, these rules must require that:

1. Postprocedure recovery rooms be supervised and staffed to meet the patients’ needs.

2. Immediate postprocedure care consists of observation in a supervised recovery room for as long as the patient’s condition warrants.

3. The clinic arranges hospitalization if any complication beyond the medical capability of the staff occurs or is
4. A registered nurse, licensed practical nurse, advanced registered nurse practitioner, or physician assistant who is trained in the management of the recovery area and is capable of providing basic cardiopulmonary resuscitation and related emergency procedures remain on the premises of the abortion clinic until all patients are discharged.

5. A physician shall sign the discharge order and be readily accessible and available until the last patient is discharged to facilitate the transfer of emergency cases if hospitalization of the patient or viable fetus is necessary.

6. A physician discusses Rho(D) immune globulin with each patient for whom it is indicated and ensures that it is offered to the patient in the immediate postoperative period or that it will be available to her within 72 hours after completion of the abortion procedure. If the patient refuses the Rho(D) immune globulin, she and a witness must sign a refusal form approved by the agency which must be signed by the patient and a witness and included in the medical record.

7. Written instructions with regard to postabortion coitus, signs of possible problems, and general aftercare which are specific to the patient be given to each patient. The instructions must include information for complications, including a telephone number for use in the event of a medical emergency.

8. There is a specified minimum length of time by type of abortion procedure and duration of gestation, during which a patient must remain in
the recovery room by type of abortion procedure and duration of gestation.

8.9. The physician ensures that, with the patient’s consent, a registered nurse, licensed practical nurse, advanced registered nurse practitioner, or physician assistant from the abortion clinic makes a good faith effort to contact the patient by telephone, with the patient’s consent, within 24 hours after surgery to assess the patient’s recovery.

9.10. Equipment and services are readily accessible to provide appropriate emergency resuscitative and life support procedures pending the transfer of the patient or viable fetus to the hospital.

(g) Rules that require clinics to have a written patient transfer agreement with a hospital within reasonable proximity to the clinic which includes the transfer of the patient’s medical records held by both the clinic and the treating physician.

(7) If any owner, operator, or employee of an abortion clinic fails to dispose of fetal remains and tissue in a sanitary manner pursuant to s. 381.0098, rules adopted thereunder, and rules adopted by the agency pursuant to this section consistent with the disposal of other human tissue in a competent professional manner, the license of such clinic may be suspended or revoked, and such person commits is guilty of a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083.

(8) Beginning February 1, 2017, and annually thereafter, the agency shall submit a report to the President of the Senate and the Speaker of the House of Representatives which summarizes
Section 5. Subsection (3) of section 390.014, Florida Statutes, is amended to read:

390.014 Licenses; fees.—
(3) In accordance with s. 408.805, an applicant or licensee shall pay a fee for each license application submitted under this chapter and part II of chapter 408. The amount of the fee shall be established by rule and may not be more than required to pay for the costs incurred by the agency in administering this chapter less than $70 or more than $500.

Section 6. Effective January 1, 2017, present subsection (3) of section 390.025, Florida Statutes, is amended, and new subsections (3), (4), and (5) are added to that section, to read:

390.025 Abortion referral or counseling agencies; penalties.—
(3) An abortion referral or counseling agency, as defined in subsection (1), shall register with the Agency for Health Care Administration. To register or renew a registration an applicant must pay an initial or renewal registration fee established by rule, which must not exceed the costs incurred by the agency in administering this section. Registrants must include in any advertising materials the registration number issued by the agency and must renew their registration biennially.

(4) The following are exempt from the requirement to register pursuant to subsection (3):
(a) Facilities licensed pursuant to chapter 390, chapter
395, chapter 400, or chapter 408;

(b) Facilities that are exempt from licensure as a clinic under s. 400.9905(4) and that refer five or fewer patients for abortions per month; and

(c) Health care practitioners, as defined in s. 456.001, who, in the course of their practice outside of a facility licensed pursuant to chapter 390, chapter 395, chapter 400, or chapter 408, refer five or fewer patients for abortions each month.

(5) The agency shall adopt rules to administer this section and part II of chapter 408.

(6) Any person who violates the provisions of subsection (2) this section is guilty of a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083. In addition to any other penalties imposed pursuant to this chapter, the Agency for Health Care Administration may assess costs related to an investigation of violations of this section which results in a successful prosecution. Such costs may not include attorney fees.

Section 7. Section 873.05, Florida Statutes, is amended to read:

873.05 Advertising, purchase, or sale, or transfer of human embryos or fetal remains prohibited.—

(1) A person may not knowingly advertise or offer to purchase or sell, or purchase, sell, or otherwise transfer, a human embryo for valuable consideration.

(2) As used in this subsection, the term “valuable consideration” does not include the reasonable costs associated with the removal, storage, and transportation of a human embryo.
(2) A person may not advertise or offer to purchase, sell, donate, or transfer, or purchase, sell, donate, or transfer, fetal remains obtained from an abortion, as defined in s. 390.011. This subsection does not prohibit the transportation or transfer of fetal remains for disposal pursuant to s. 381.0098 or rules adopted thereunder.

(3) A person who violates the provisions of this section is guilty of a felony of the second degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084.

Section 8. Except as otherwise expressly provided in this act, this act shall take effect July 1, 2016.
