698 medical cannabis or low-THC cannabis under Florida law.
699 Additionally, the authority provided to a dispensing

701 dispensing organization.

702 (f) This subsection does not exempt a person from

703 prosecution for a criminal offense related to impairment or
 704 intoxication resulting from the medical use of low-THC cannabis
 705 or medical cannabis or relieve a person from any requirement
 706 under law to submit to a breath, blood, urine, or other test to
 707 detect the presence of a controlled substance.

769 law or contract.

770 6. A statement that the patient's eligibility for hospice
771 care may be withdrawn if the patient begins treatment with the
