The Commissioner of Education 616 shall certify to each district school board the millage rate, 617 computed as prescribed in this subparagraph, as the minimum 618 millage rate necessary to provide the district required local 619 effort for that year. 620 b. The General Appropriations Act shall direct the 621 computation of the statewide adjusted aggregate amount for 622 required local effort for all school districts collectively from 623 ad valorem taxes to ensure that no school district's revenue 624 from required local effort millage will produce more than 90 625 percent of the district's total Florida Education Finance 626 Program calculation as calculated and adopted by the 627 Legislature, and the adjustment of the required local effort 628 millage rate of each district that produces more than 90 percent 629 of its total Florida Education Finance Program entitlement to a 630 level that will produce only 90 percent of its total Florida 631 Education Finance Program entitlement in the July calculation. 632 2. On the same date as the certification in sub-633 subparagraph 1.a., the Department of Revenue shall certify to

634 the Commissioner of Education for each district:

645	(13) FEDERALLY CONNECTED STUDENT SUPPLEMENTThe federally
646	connected student supplement is created to provide supplemental
647	funding for school districts to support the education of
648	students connected with federally owned military installations,

650	property, and Indian lands. To be eligible for this supplement,
651	the district must be eligible for federal Impact Aid Program
652	funds under s. 8003 of Title VIII of the Elementary and
653	Secondary Education Act of 1965. The supplement shall be
654	allocated annually to each eligible school district in the
655	amount provided in the General Appropriations Act. The
656	supplement shall be the sum of the student allocation and an
657	exempt property allocation.
658	(a) The student allocation shall be calculated based on the
659	number of students reported for federal Impact Aid Program
660	funds, including students with disabilities, who meet one of the
661	following criteria:
662	1. The student has a parent who is on active duty in the

670	works on eligible federal property connected with a military
671	installation or NASA. The number of these students shall be
672	multiplied by a factor of 0.5.
673	(b) The total number of federally connected students
674	calculated under paragraph (a) shall be multiplied by a
675	percentage of the base student allocation as provided in the
676	General Appropriations Act. The total of the number of students
677	with disabilities as reported separately under subparagraphs
678	(a)1. and (a)2. shall be multiplied by an additional percentage
679	of the base student allocation as provided in the General
680	Appropriations Act. The base amount and the amount for students
681	with disabilities shall be summed to provide the student
682	allocation.
683	(c) The exempt property allocation shall be equal to the
684	tax-exempt value of federal impact aid lands reserved as
685	military installations, real property owned by NASA, or eligible
686	federally owned Indian lands located in the district, as of
687	January 1 of the previous year, multiplied by the millage
688	authorized and levied under s. 1011.71(2).
689	(14) (13) QUALITY ASSURANCE GUARANTEE.—The Legislature may
690	annually in the General Appropriations Act determine a
691	percentage increase in funds per K-12 unweighted FTE as a
692	minimum guarantee to each school district. The guarantee shall
693	be calculated from prior year base funding per unweighted FTE
694	student which shall include the adjusted FTE dollars as provided
695	in subsection (15) (14), quality guarantee funds, and actual
696	nonvoted discretionary local effort from taxes. From the base
697	funding per unweighted FTE, the increase shall be calculated for

Page 24 of 59

698 the current year. The current year funds from which the

	576-04240-16 2016524c2
699	guarantee shall be determined shall include the adjusted FTE
700	dollars as provided in subsection (15) (14) and potential
701	nonvoted discretionary local effort from taxes. A comparison of
702	current year funds per unweighted FTE to prior year funds per
703	unweighted FTE shall be computed. For those school districts
704	which have less than the legislatively assigned percentage
705	increase, funds shall be provided to guarantee the assigned
706	percentage increase in funds per unweighted FTE student. Should
707	appropriated funds be less than the sum of this calculated
708	amount for all districts, the commissioner shall prorate each
709	district's allocation. This provision shall be implemented to
710	the extent specifically funded.
