Senator Soto moved the following:

Senate Amendment (with title amendment)

Between lines 3243 and 3244

insert:

Section 30. Section 373.814, Florida Statutes, is created
to read:

373.814 Restoration Focus Spring.-

(1) In formulating basin management action plans, the
department has established focus areas in which remediation
techniques may be applied and studied. This useful concept shall
be applied to a springshed. In order to demonstrate to the

100476

12 public that restoration of an Outstanding Florida Spring is
13 possible within a reasonable period of time, the department
14 shall designate an Outstanding Florida Spring as a Restoration
15 Focus Spring and shall develop a plan that will, within 15
16 years, restore flow to within 10 percent of historical levels
17 and reduce nitrate levels to below 0.35 mg/l.

18 (2) The department shall publish the plan by July 1, 2017,
19 and shall publish progress reports on restoration every 3 years
20 thereafter.

23 And the title is amended as follows:

24 Delete line 164

25 and insert:

26 providing rulemaking authority; creating s. 373.814,
27 F.S.; requiring the department to designate an
28 Outstanding Florida Spring as a Restoration Focus
29 Spring and develop a plan to achieve certain goals at
30 that spring within a specified timeframe; requiring
31 the department to publish the plan by a specified date
32 and on a periodic basis thereafter; amending s.
33 403.061,
