**SUMMARY ANALYSIS**

CS/HB 701 passed the House on March 3, 2016, and subsequently passed the Senate on March 3, 2016. The bill creates the Art in the Capitol Competition for public, private and home education students in grades 6 through 8. Student submissions will be selected by a committee of art teachers whose students have not submitted artwork for consideration.

Each winning submission must be provided to the legislator of the legislative district in which the student resides no later than 60 days before the start of each regular session. The legislator will then provide the winning submission to the Department of Management Services which will arrange to have it displayed in the Capitol Building during the regular legislative session. Upon adjournment of the legislative session, the legislator shall return the winning submission to the student.

There is an indeterminate but likely insignificant fiscal impact to the state for the Department of Management Services to display artwork in the Capitol.

The bill was approved by the Governor on March 24, 2016, ch. 2016-87, L.O.F., and will become effective on July 1, 2016.
