138 and who make donations to eligible sponsors are eligible for tax
139 credits against their state sales and use tax liabilities as

144 sales and use taxes reported on returns and remitted in the 12
145 months preceding the date of application to the department for
the credit as required in sub-subparagraph 3.c. If the annual
credit is not fully used through such refund because of
insufficient tax payments during the applicable 12-month period,
the unused amount may be included in an application for a refund
made pursuant to sub-subparagraph 3.c. in subsequent years
against the total tax payments made for such year. Carryover
credits may be applied for a 3-year period without regard to any
time limitation that would otherwise apply under s. 215.26.

c. A person may not receive more than $200,000 in annual
tax credits for all approved community contributions made in any
one year.

d. All proposals for the granting of the tax credit require
the prior approval of the Department of Economic Opportunity.

e. The total amount of tax credits which may be granted for
all programs approved under this paragraph, s. 220.183, and s.
624.5105 is $18.4 million in the 2015-2016 fiscal year, $21.4

2017-2018 fiscal year for projects that provide housing
opportunities for persons with special needs or homeownership
opportunities for low-income households or very-low-income
households and $3.5 million annually for all other projects. As
used in this paragraph, the term “person with special needs” has
the same meaning as in s. 420.0004 and the terms “low-income
person,” “low-income household,” “very-low-income person,” and
“very-low-income household” have the same meanings as in s.
420.9071.

f. A person who is eligible to receive the credit provided
in this paragraph, s. 220.183, or s. 624.5105 may receive the
credit only under one section of the person’s choice.
2. Eligibility requirements.—
   a. A community contribution by a person must be in the following form:
      (I) Cash or other liquid assets;
      (II) Real property;
      (III) Goods or inventory; or
      (IV) Other physical resources identified by the Department of Economic Opportunity.
   b. All community contributions must be reserved exclusively for use in a project. As used in this sub-subparagraph, the term “project” means activity undertaken by an eligible sponsor which is designed to construct, improve, or substantially rehabilitate housing that is affordable to low-income households or very-low-income households; designed to provide housing opportunities for persons with special needs; designed to provide commercial, industrial, or public resources and facilities; or designed to improve entrepreneurial and job-development opportunities for low-income persons. A project may be the investment necessary to increase access to high-speed broadband capability in a rural community that had an enterprise zone designated pursuant to chapter 290 as of May 1, 2015, including projects that result in improvements to communications assets that are owned by a business. A project may include the provision of museum educational programs and materials that are directly related to a project approved between January 1, 1996, and December 31, 1999, and located in an area which was in an enterprise zone designated pursuant to s. 290.0065 as of May 1, 2015. This paragraph does not preclude projects that propose to construct or rehabilitate housing for low-income households or very-low-
income households on scattered sites or housing opportunities for persons with special needs. With respect to housing, contributions may be used to pay the following eligible special needs, low-income, and very-low-income housing-related activities:

(I) Project development impact and management fees for special needs, low-income, or very-low-income housing projects;

(II) Down payment and closing costs for persons with special needs, low-income persons, and very-low-income persons;

(III) Administrative costs, including housing counseling and marketing fees, not to exceed 10 percent of the community contribution, directly related to special needs, low-income, or very-low-income projects; and

(IV) Removal of liens recorded against residential property by municipal, county, or special district local governments if satisfaction of the lien is a necessary precedent to the transfer of the property to a low-income person or very-low-income person for the purpose of promoting home ownership. Contributions for lien removal must be received from a nonrelated third party.

c. The project must be undertaken by an “eligible sponsor,” which includes:

(I) A community action program;

(II) A nonprofit community-based development organization whose mission is the provision of housing for persons with special needs, low-income households, or very-low-income households or increasing entrepreneurial and job-development opportunities for low-income persons;

(III) A neighborhood housing services corporation;
A local housing authority created under chapter 421;
A community redevelopment agency created under s. 163.356;
A historic preservation district agency or organization;
A local regional workforce development board;
A direct-support organization as provided in s. 1009.983;
An enterprise zone development agency created under s. 290.0056;
A community-based organization incorporated under chapter 617 which is recognized as educational, charitable, or scientific pursuant to s. 501(c)(3) of the Internal Revenue Code and whose bylaws and articles of incorporation include affordable housing, economic development, or community development as the primary mission of the corporation;
Units of local government;
Units of state government; or
Any other agency that the Department of Economic Opportunity designates by rule.

A contributing person may not have a financial interest in the eligible sponsor.

d. The project must be located in an area which was in an enterprise zone designated pursuant to chapter 290 as of May 1, 2015, or a Front Porch Florida Community, unless the project increases access to high-speed broadband capability in a rural community that had an enterprise zone designated pursuant to chapter 290 as of May 1, 2015, but is physically located outside
the designated rural zone boundaries. Any project designed to
construct or rehabilitate housing for low-income households or
very-low-income households or housing opportunities for persons
with special needs is exempt from the area requirement of this
sub-subparagraph.

e.(I) If, during the first 10 business days of the state
tax fiscal year, eligible tax credit applications for projects that
provide housing opportunities for persons with special needs or
homeownership opportunities for low-income households or very-
low-income households are received for less than the annual tax
credits available for those projects, the Department of Economic
Opportunity shall grant tax credits for those applications and
grant remaining tax credits on a first-come, first-served basis
for subsequent eligible applications received before the end of
the state fiscal year. If, during the first 10 business days of
the state fiscal year, eligible tax credit applications for
projects that provide housing opportunities for persons with
special needs or homeownership opportunities for low-income
households or very-low-income households are received for more
than the annual tax credits available for those projects, the
Department of Economic Opportunity shall grant the tax credits
for those applications as follows:

(A) If tax credit applications submitted for approved
projects of an eligible sponsor do not exceed $200,000 in total,
the credits shall be granted in full if the tax credit
applications are approved.

(B) If tax credit applications submitted for approved
projects of an eligible sponsor exceed $200,000 in total, the
amount of tax credits granted pursuant to sub-sub-
paragraph (A) shall be subtracted from the amount of available tax credits, and the remaining credits shall be granted to each approved tax credit application on a pro rata basis.

(II) If, during the first 10 business days of the state fiscal year, eligible tax credit applications for projects other than those that provide housing opportunities for persons with special needs or homeownership opportunities for low-income households or very-low-income households are received for less than the annual tax credits available for those projects, the Department of Economic Opportunity shall grant tax credits for those applications and shall grant remaining tax credits on a first-come, first-served basis for subsequent eligible applications received before the end of the state fiscal year.

If, during the first 10 business days of the state fiscal year, eligible tax credit applications for projects other than those that provide housing opportunities for persons with special needs or homeownership opportunities for low-income households or very-low-income households are received for more than the annual tax credits available for those projects, the Department of Economic Opportunity shall grant the tax credits for those applications on a pro rata basis.

3. Application requirements.—

a. An eligible sponsor seeking to participate in this program must submit a proposal to the Department of Economic Opportunity which sets forth the name of the sponsor, a description of the project, and the area in which the project is located, together with such supporting information as is prescribed by rule. terms of the application and indicate its receipt of the
contribution, and such verification must accompany the
application for tax credit. The person must submit a separate
tax credit application to the Department of Economic Opportunity
for each individual contribution that it makes to each
individual project.

c. A person who has received notification from the
Department of Economic Opportunity that a tax credit has been
approved must apply to the department to receive the refund.
Application must be made on the form prescribed for claiming
refunds of sales and use taxes and be accompanied by a copy of
the notification. A person may submit only one application for
refund to the department within a 12-month period.

4. Administration.—
a. The Department of Economic Opportunity may adopt rules
necessary to administer this paragraph, including rules for the
approval or disapproval of proposals by a person.

b. The decision of the Department of Economic Opportunity
must be in writing, and, if approved, the notification shall
state the maximum credit allowable to the person. Upon approval,
the Department of Economic Opportunity shall transmit a copy of
the decision to the department.

445.007 Local Regional workforce development boards.—
(1) One regional workforce development board shall be appointed in each designated service delivery area and shall serve as the local workforce development investment board pursuant to Pub. L. ```
exist in the region. The board shall include one nonvoting representative from a military installation if a military installation is located within the region and the appropriate military command or organization authorizes such representation. It is the intent of the Legislature that membership of a regional workforce board include persons who are current or former recipients of welfare transition assistance as defined in s. 445.002(2) or workforce services as provided in s. 445.009(1) or that such persons be included as ex officio members of the board or of committees organized by the board. The importance of minority and gender representation shall be considered when making appointments to the board. The board, its committees, subcommittees, and subdivisions, and other units of the workforce system, including units that may consist in whole or in part of local governmental units, may use any method of telecommunications to conduct meetings, including establishing a quorum through telecommunications, provided that the public is given proper notice of the telecommunications meeting and reasonable access to observe and, when appropriate, participate. Local Regional workforce development boards are subject to chapters 119 and 286 and s. 24, Art. I of the State Constitution. If the local regional workforce development board enters into a contract with an organization or individual represented on the board of directors, the contract must be approved by a two-thirds vote of the board, a quorum having been established, and the board member who could benefit financially from the transaction must abstain from voting on the contract. A board member must disclose any such conflict in a manner that is consistent with the procedures outlined in s. 112.3143. Each
member of a local regional workforce development board who is not otherwise required to file a full and public disclosure of financial interests pursuant to s. 8, Art. II of the State Constitution or s. 112.3144 shall file a statement of financial interests pursuant to s. 112.3145. The executive director or designated person responsible for the operational and administrative functions of the local regional workforce development board who is not otherwise required to file a full and public disclosure of financial interests pursuant to s. 8, Art. II of the State Constitution or s. 112.3144 shall file a statement of financial interests pursuant to s. 112.3145.

(2)(a) The local regional workforce development board shall elect a chair from among the representatives described in Pub. L. No. 113-128 105-220, Title I, s. 107(b)(2)(A) 117(b)(2)(A)(i) to serve for a term of no more than 2 years and shall serve no more than two terms.

(b) The Governor may remove a member of the board, the executive director of the board, or the designated person responsible for the operational and administrative functions of the board for cause. As used in this paragraph, the term “cause” includes, but is not limited to, engaging in fraud or other criminal acts, incapacity, unfitness, neglect of duty, official incompetence and irresponsibility, misfeasance, malfeasance, nonfeasance, or lack of performance.

(3) The Department of Economic Opportunity, under the direction of CareerSource Florida, Inc., shall assign staff to meet with each local regional workforce development board annually to review the board’s performance and to certify that the board is in compliance with applicable state and federal
law.

(4) In addition to the duties and functions specified by CareerSource Florida, Inc., and by the interlocal agreement approved by the local county or city governing bodies, the local regional workforce development board shall have the following responsibilities:

(b) Conclude agreements necessary to designate the fiscal agent and administrative entity. A public or private entity, including an entity established pursuant to s. 163.01, which makes a majority of the appointments to a local regional workforce development board may serve as the board’s administrative entity if approved by CareerSource Florida, Inc., based upon a showing that a fair and competitive process was used to select the administrative entity.

(d) Oversee the one-stop delivery system in its local area.

(5) CareerSource Florida, Inc., shall implement a training program for the local regional workforce development boards to familiarize board members with the state’s workforce development goals and strategies.

(6) The local regional workforce development board shall designate all local service providers and may not transfer this
authority to a third party. Consistent with the intent of the Workforce Innovation and Opportunity Investment Act, local workforce development boards should provide the greatest possible choice of training providers to those who qualify for training services. A local workforce development board may not restrict the choice of training providers based upon cost, location, or historical training arrangements. However, a board may restrict the amount of training resources available to any one client. Such restrictions may vary based upon the cost of training in the client’s chosen occupational area. The local workforce development board may be designated as a one-stop operator and direct provider of intake, assessment, eligibility determinations, or other direct provider services except training services. Such designation may occur only with the agreement of the chief elected official and the Governor as specified in 29 U.S.C. s. 2832(f)(2). CareerSource Florida, Inc., shall establish procedures by which a local workforce development board may request permission to operate under this section and the criteria under which such permission may be granted. The criteria shall include, but need not be limited to, a reduction in the cost of providing the permitted services. Such permission shall be granted for a period not to exceed 3 years for any single request submitted by the local workforce development board.

The local\ regional workforce development boards shall apply the procurement and expenditure procedures required by federal law and policies of the Department of Economic Opportunity and CareerSource Florida, Inc., for the expenditure of federal, state, and nonpass-through funds. The making or approval of smaller, multiple payments for a single purchase with the intent to avoid or evade the monetary thresholds and procedures established by federal law and policies of the Department of Economic Opportunity and CareerSource Florida, Inc., is grounds for removal for cause. Local\ Regional workforce development boards, their administrative entities, committees, and subcommittees, and other workforce units may authorize expenditures to award suitable framed certificates, pins, or other tokens of recognition for performance by units of the workforce system. Local\ Regional workforce development boards; their administrative entities, committees, and subcommittees; and other workforce units may authorize expenditures for promotional items, such as t-shirts, hats, or pens printed with messages promoting Florida’s workforce system to employers, job seekers, and program participants. However, such expenditures are subject to federal regulations applicable to the expenditure of federal funds. All contracts executed by local\ regional workforce development boards must include specific performance expectations and deliverables.
(10) State and federal funds provided to the local workforce development boards may not be used directly or indirectly to pay for meals, food, or beverages for board members, staff, or employees of local workforce development boards, CareerSource Florida, Inc., or the Department of Economic Opportunity except as expressly authorized by state law. Preapproved, reasonable, and necessary per diem allowances and travel expenses may be reimbursed. Such reimbursement shall be at the standard travel reimbursement rates established in s. 112.061 and shall be in compliance with all applicable federal and state requirements. CareerSource Florida, Inc., shall develop a statewide fiscal policy applicable to the state board and all local workforce development boards, to hold both the state and local workforce development boards strictly accountable for adherence to the policy and subject to regular and periodic monitoring by the Department of Economic Opportunity, the administrative entity for CareerSource Florida, Inc. Boards are prohibited from expending state or federal funds for entertainment costs and recreational activities for board members and employees as these terms are defined by 2 C.F.R. part 230.

(11) To increase transparency and accountability, a local workforce development board must comply with the requirements of this section before contracting with a member of the board or a relative, as defined in s. 112.3143(1)(c), of a board member or of an employee of the board. Such contracts may not be executed before or without the approval of CareerSource Florida, Inc. Such contracts, as well as documentation demonstrating adherence to this section as specified by...
CareerSource Florida, Inc., must be submitted to the Department of Economic Opportunity for review and recommendation according to criteria to be determined by CareerSource Florida, Inc. Such a contract must be approved by a two-thirds vote of the board, a quorum having been established; all conflicts of interest must be disclosed before the vote; and any member who may benefit from the contract, or whose relative may benefit from the contract, must abstain from the vote. A contract under $25,000 between a local regional workforce development board and a member of that board or between a relative, as defined in s. 112.3143(1)(c), of a board member or of an employee of the board is not required to have the prior approval of CareerSource Florida, Inc., but must be approved by a two-thirds vote of the board, a quorum having been established, and must be reported to the Department of Economic Opportunity and CareerSource Florida, Inc., within 30 days after approval. If a contract cannot be approved by CareerSource Florida, Inc., a review of the decision to disapprove the contract may be requested by the local regional workforce development board or other parties to the disapproved contract.

3. The remainder of the funds may be used for transportation assistance, child care assistance, or other assistance to enable a program participant to enter or remain in the program.

(c) The local regional workforce development board shall pay a participating employer an amount equal to one-half of the wages paid to a youth participating in the program. Payments shall be made monthly for the duration that the youth participant is employed as documented by the employer and confirmed by the local regional workforce development board.

Section 31. Subsections (2) through (7), paragraphs (b), (c), and (d) of subsection (8), paragraph (b) of subsection (9), and subsection (10) of section 445.009, Florida Statutes, are amended to read:

445.009 One-stop delivery system.—

(2)(a) Subject to a process designed by CareerSource Florida, Inc., and in compliance with Pub. L. No. 113-128 105-220, local regional workforce development boards shall designate one-stop delivery system operators.

(b) A local regional workforce development board may designate as its one-stop delivery system operator any public or private entity that is eligible to provide services under any state or federal workforce program that is a mandatory or
discretionary partner in the local workforce development area’s region’s one-stop delivery system if approved by CareerSource Florida, Inc., upon a showing by the local regional workforce development board that a fair and competitive process was used in the selection. As a condition of authorizing a local regional workforce development board to designate such an entity as its one-stop delivery system operator, CareerSource Florida, Inc., must require the local regional workforce development board to demonstrate that safeguards are in place to ensure that the one-stop delivery system operator will not exercise an unfair competitive advantage or unfairly refer or direct customers of the one-stop delivery system to services provided by that one-stop delivery system operator. A local regional workforce development board may retain its current one-stop career center operator without further procurement action if the board has an established one-stop career center that has complied with federal and state law.

(c) The local workforce development board must enter into a memorandum of understanding with each mandatory or optional partner participating in the one-stop delivery system which details the partner’s required contribution to infrastructure costs, as required by Pub. L. No. 113-128, s. 121(h). If the local workforce development board and the one-stop partner are unable to come to an agreement regarding infrastructure costs by July 1, 2017, the costs shall be allocated pursuant to a policy established by the Governor.

(3) Local Regional workforce development boards shall enter into a memorandum of understanding with the Department of Economic Opportunity for the delivery of employment services
authorized by the federal Wagner-Peyser Act. This memorandum of understanding must be performance based.

(a) Unless otherwise required by federal law, at least 90 percent of the Wagner-Peyser funding must go into direct customer service costs.

(b) Employment services must be provided through the one-stop delivery system, under the guidance of one-stop delivery system operators. One-stop delivery system operators shall have overall authority for directing the staff of the workforce system. Personnel matters shall remain under the ultimate authority of the department. However, the one-stop delivery system operator shall submit to the department information concerning the job performance of employees of the department who deliver employment services. The department shall consider any such information submitted by the one-stop delivery system operator in conducting performance appraisals of the employees.

(c) The department shall retain fiscal responsibility and accountability for the administration of funds allocated to the state under the Wagner-Peyser Act. An employee of the department who is providing services authorized under the Wagner-Peyser Act shall be paid using Wagner-Peyser Act funds.

(4) One-stop delivery system partners shall enter into a memorandum of understanding pursuant to Pub. L. No. 113-128, Title I, s. 121, with the local regional workforce development board. Failure of a local partner to participate cannot unilaterally block the majority of partners from moving forward with their one-stop delivery system, and CareerSource Florida, Inc., pursuant to s. 445.004(5)(e), may make notification of a local partner that fails to participate.
(5) To the extent possible, local regional workforce development boards shall include as partners in the local one-stop delivery system entities that provide programs or activities designed to meet the needs of homeless persons.

(6)(a) To the extent possible, core services, as defined by Pub. L. No. 113-128 105-220, shall be provided electronically, using existing systems. These electronic systems shall be linked and integrated into a comprehensive service system to simplify access to core services by:

1. Maintaining staff to serve as the first point of contact with the public seeking access to employment services who are knowledgeable about each program located in each one-stop delivery system center as well as related services. An initial determination of the programs for which a customer is likely to be eligible and any referral for a more thorough eligibility determination must be made at this first point of contact; and

2. Establishing an automated, integrated intake screening and eligibility process where customers will provide information through a self-service intake process that may be accessed by staff from any participating program.

(b) To expand electronic capabilities, CareerSource Florida, Inc., working with local regional workforce development boards, shall develop a centralized help center to assist local regional workforce development boards in fulfilling core services, minimizing the need for fixed-site one-stop delivery system centers.

(c) To the extent feasible, core services shall be accessible through the Internet. Through this technology, core services shall be made available at public libraries, public and
private educational institutions, community centers, kiosks, neighborhood facilities, and satellite one-stop delivery system sites. Each local regional workforce development board’s web page shall serve as a portal for contacting potential employees by integrating the placement efforts of universities and private companies, including staffing services firms, into the existing one-stop delivery system.

(7) Intensive services and training provided pursuant to Pub. L. No. 113-128 105-220, shall be provided to individuals through Intensive Service Accounts and Individual Training Accounts. CareerSource Florida, Inc., shall develop an implementation plan, including identification of initially eligible training providers, transition guidelines, and criteria for use of these accounts. Individual Training Accounts must be compatible with Individual Development Accounts for education allowed in federal and state welfare reform statutes.

(8)

(b) For each approved training program, local regional workforce development boards, in consultation with training providers, shall establish a fair-market purchase price to be paid through an Individual Training Account. The purchase price must be based on prevailing costs and reflect local economic factors, program complexity, and program benefits, including time to beginning of training and time to completion. The price shall ensure the fair participation of public and nonpublic postsecondary educational institutions as authorized service providers and shall prohibit the use of unlawful remuneration to the student in return for attending an institution. Unlawful remuneration does not include student financial assistance.
(c) CareerSource Florida, Inc., shall periodically review Individual Training Account pricing schedules developed by local regional workforce development boards and present findings and recommendations for process improvement to the President of the Senate and the Speaker of the House of Representatives.

(d) To the maximum extent possible, training providers shall use funding sources other than the funding provided under Pub. L. No. 113-128 105-220. CareerSource Florida, Inc., shall develop a system to encourage the leveraging of appropriated resources for the workforce system and shall report on such efforts as part of the required annual report.

(9)

(b) The network shall assure that a uniform method is used to determine eligibility for and management of services provided by agencies that conduct workforce development activities. The Department of Management Services shall develop strategies to allow access to the databases and information management systems of the following systems in order to link information in those databases with the one-stop delivery system:

1. The Reemployment Assistance Program under chapter 443.
2. The public employment service described in s. 443.181.
3. The public assistance information system used by the Department of Children and Families FLORIDA System and the components related to temporary cash assistance, food assistance, and Medicaid eligibility.
5. Enrollment in the public postsecondary education system.
6. Other information systems determined appropriate by CareerSource Florida, Inc.

(10) To the maximum extent feasible, the one-stop delivery system may use private sector staffing services firms in the provision of workforce services to individuals and employers in the state. **Local Regional** workforce development boards may collaborate with staffing services firms in order to facilitate the provision of workforce services. **Local Regional** workforce development boards may contract with private sector staffing services firms to design programs that meet the employment needs of the **local workforce development area region**. All such contracts must be performance-based and require a specific period of job tenure **before** prior to payment.

Section 32. Subsection (1) of section 445.07, Florida Statutes, is amended to read:

(1) Beginning December 31, 2013, and annually thereafter, the Department of Economic Opportunity, in consultation with the Department of Education, shall prepare, or contract with an entity to prepare, an economic security report of employment and earning outcomes for degrees or certificates earned at public postsecondary educational institutions.

(1) Subject to legislative appropriation, CareerSource Florida, Inc., shall establish a program to encourage **local** regional workforce development boards to establish one-stop
delivery systems that maximize the provision of workforce and human-resource support services to small businesses. Under the program, a local regional workforce development board may apply, on a competitive basis, for funds to support the provision of such services to small businesses through the local workforce development area’s one-stop delivery system.

(3) CareerSource Florida, Inc., shall establish guidelines governing the administration of this program and shall establish criteria to be used in evaluating applications for funding. Such criteria must include, but need not be limited to, a showing that the local workforce development regional board has in place a detailed plan for establishing a one-stop delivery system designed to meet the workforce needs of small businesses and for leveraging other funding sources in support of such activities.

Section 34. Subsection (3) of section 445.016, Florida Statutes, is amended to read:

445.016 Untried Worker Placement and Employment Incentive Act.—

(3) Incentive payments may be made to for-profit or not-for-profit agents selected by local regional workforce development boards who successfully place untried workers in full-time employment for 6 months with an employer after the employee successfully completes a probationary placement of no more than 6 months with that employer. Full-time employment that includes health care benefits will receive an additional incentive payment.

Section 35. Subsections (3), (4), and (5) of section 445.017, Florida Statutes, are amended to read:

(4) The local regional workforce development board shall screen each family on a case-by-case basis for barriers to obtaining or retaining employment. The screening shall identify barriers that, if corrected, may prevent the family from receiving temporary cash assistance on a regular basis. Assistance to overcome a barrier to employment is not limited to cash, but may include vouchers or other in-kind benefits.

(5) The family receiving up-front diversion must sign an agreement restricting the family from applying for temporary cash assistance for 3 months, unless an emergency is demonstrated to the local regional workforce development board. If a demonstrated emergency forces the family to reapply for temporary cash assistance within 3 months after receiving a diversion payment, the diversion payment shall be prorated over an 8-month period and deducted from any temporary assistance for which the family is eligible.

Section 36. Subsections (2) and (3) of section 445.021, Florida Statutes, are amended to read:

445.021 Relocation assistance program.—

(2) The relocation assistance program shall involve five steps by the local regional workforce development board, in cooperation with the Department of Children and Families:

(a) A determination that the family is receiving temporary cash assistance or that all requirements of eligibility for diversion services would likely be met.
(b) A determination that there is a basis for believing that relocation will contribute to the ability of the applicant to achieve self-sufficiency. For example, the applicant:

1. Is unlikely to achieve economic self-sufficiency at the current community of residence;

2. Has secured a job that provides an increased salary or improved benefits and that requires relocation to another community;

3. Has a family support network that will contribute to job retention in another community;

4. Is determined, pursuant to criteria or procedures established by the board of directors of CareerSource Florida, Inc., to be a victim of domestic violence who would experience reduced probability of further incidents through relocation; or

5. Must relocate in order to receive education or training that is directly related to the applicant’s employment or career advancement.

(c) Establishment of a relocation plan that includes such requirements as are necessary to prevent abuse of the benefit and provisions to protect the safety of victims of domestic violence and avoid provisions that place them in anticipated danger. The payment to defray relocation expenses shall be determined based on criteria approved by the board of directors of CareerSource Florida, Inc. Participants in the relocation program shall be eligible for diversion or transitional benefits.

(d) A determination, pursuant to criteria adopted by the board of directors of CareerSource Florida, Inc., that a community receiving a relocated family has the capacity to
provide needed services and employment opportunities.

(e) Monitoring the relocation.

(3) A family receiving relocation assistance for reasons other than domestic violence must sign an agreement restricting the family from applying for temporary cash assistance for a period of 6 months, unless an emergency is demonstrated to the local regional workforce development board. If a demonstrated emergency forces the family to reapply for temporary cash assistance within such period, after receiving a relocation assistance payment, repayment must be made on a prorated basis and subtracted from any regular payment of temporary cash assistance for which the applicant may be eligible.

Section 37. Section 445.022, Florida Statutes, is amended to read:

445.022 Retention Incentive Training Accounts.—To promote job retention and to enable upward job advancement into higher skilled, higher paying employment, the board of directors of CareerSource Florida, Inc., and the local regional workforce development boards may assemble a list of programs and courses offered by postsecondary educational institutions which may be available to participants who have become employed to promote job retention and advancement.

(1) The board of directors of CareerSource Florida, Inc., may establish Retention Incentive Training Accounts (RITAs) to use Temporary Assistance to Needy Families (TANF) block grant funds specifically appropriated for this purpose. RITAs must complement the Individual Training Account required by the federal Workforce Innovation and Opportunity Investment Act of 1998, Pub. L. No. 113-128 105-220.
(2) RITAs may pay for tuition, fees, educational materials, coaching and mentoring, performance incentives, transportation to and from courses, child care costs during education courses, and other such costs as the local regional workforce development boards determine are necessary to effect successful job retention and advancement.

(3) Local Regional workforce development boards shall retain only those courses that continue to meet their performance standards as established in their local plan.

(4) Local Regional workforce development boards shall report annually to the Legislature on the measurable retention and advancement success of each program provider and the effectiveness of RITAs, making recommendations for any needed changes or modifications.

Section 38. Subsections (4) and (5) of section 445.024, Florida Statutes, are amended to read:

445.024 Work requirements.—

(4) PRIORITIZATION OF WORK REQUIREMENTS.—Local Regional workforce development boards shall require participation in work activities to the maximum extent possible, subject to federal and state funding. If funds are projected to be insufficient to allow full-time work activities by all program participants who are required to participate in work activities, local regional workforce development boards shall screen participants and assign priority based on the following:

(a) In accordance with federal requirements, at least one adult in each two-parent family shall be assigned priority for full-time work activities.

(b) Among single-parent families, a family that has older
preschool children or school-age children shall be assigned priority for work activities.

(c) A participant who has access to child care services may be assigned priority for work activities.

(d) Priority may be assigned based on the amount of time remaining until the participant reaches the applicable time limit for program participation or may be based on requirements of a case plan.

Local Regional workforce development boards may limit a participant’s weekly work requirement to the minimum required to meet federal work activity requirements. Local Regional workforce development boards may develop screening and prioritization procedures based on the allocation of resources, the availability of community resources, the provision of supportive services, or the work activity needs of the service area.

(5) USE OF CONTRACTS.—Local Regional workforce development boards shall provide work activities, training, and other services, as appropriate, through contracts. In contracting for work activities, training, or services, the following applies:

(a) A contract must be performance-based. Payment shall be tied to performance outcomes that include factors such as, but not limited to, diversion from cash assistance, job entry, job entry at a target wage, job retention, and connection to transition services rather than tied to completion of training or education or any other phase of the program participation process.

(b) A contract may include performance-based incentive
payments that may vary according to the extent to which the
participant is more difficult to place. Contract payments may be
weighted proportionally to reflect the extent to which the
participant has limitations associated with the long-term
receipt of welfare and difficulty in sustaining employment. The
factors may include the extent of prior receipt of welfare, lack
of employment experience, lack of education, lack of job skills,
and other factors determined appropriate by the local regional
workforce development board.

(c) Notwithstanding the exemption from the competitive
sealed bid requirements provided in s. 287.057(3)(e) for certain
contractual services, each contract awarded under this chapter
must be awarded on the basis of a competitive sealed bid, except
for a contract with a governmental entity as determined by the
local regional workforce development board.

(d) Local regional workforce development boards may
contract with commercial, charitable, or religious
organizations. A contract must comply with federal requirements
with respect to nondiscrimination and other requirements that
safeguard the rights of participants. Services may be provided
under contract, certificate, voucher, or other form of
disbursement.

(e) The administrative costs associated with a contract for
services provided under this section may not exceed the
applicable administrative cost ceiling established in federal
law. An agency or entity that is awarded a contract under this
section may not charge more than 7 percent of the value of the
contract for administration unless an exception is approved by
the local regional workforce development board. A list of any
exceptions approved must be submitted to the board of directors of CareerSource Florida, Inc., for review, and the board may rescind approval of the exception.

(f) Local Regional workforce development boards may enter into contracts to provide short-term work experience for the chronically unemployed as provided in this section.

(g) A tax-exempt organization under s. 501(c) of the Internal Revenue Code of 1986 which receives funds under this chapter must disclose receipt of federal funds on any advertising, promotional, or other material in accordance with federal requirements.

Section 39. Section 445.025, Florida Statutes, is amended to read:

445.025 Other support services.—Support services shall be provided, if resources permit, to assist participants in complying with work activity requirements outlined in s. 445.024. If resources do not permit the provision of needed support services, the local regional workforce development board may prioritize or otherwise limit provision of support services. This section does not constitute an entitlement to support services. Lack of provision of support services may be considered as a factor in determining whether good cause exists for failing to comply with work activity requirements but does not automatically constitute good cause for failing to comply with work activity requirements, and does not affect any applicable time limit on the receipt of temporary cash assistance or the provision of services under chapter 414. Support services shall include, but need not be limited to:

(1) TRANSPORTATION.—Transportation expenses may be provided
to any participant when the assistance is needed to comply with work activity requirements or employment requirements, including transportation to and from a child care provider. Payment may be made in cash or tokens in advance or through reimbursement paid against receipts or invoices. Transportation services may include, but are not limited to, cooperative arrangements with the following: public transit providers; community transportation coordinators designated under chapter 427; school districts; churches and community centers; donated motor vehicle programs, van pools, and ridesharing programs; small enterprise developments and entrepreneurial programs that encourage participants to become transportation providers; public and private transportation partnerships; and other innovative strategies to expand transportation options available to program participants.

(a) Local Regional workforce development boards may provide payment for vehicle operational and repair expenses, including repair expenditures necessary to make a vehicle functional; vehicle registration fees; driver license fees; and liability insurance for the vehicle for a period of up to 6 months. Request for vehicle repairs must be accompanied by an estimate of the cost prepared by a repair facility registered under s. 559.904.

(b) Transportation disadvantaged funds as defined in chapter 427 do not include support services funds or funds appropriated to assist persons eligible under the Workforce Innovation and Opportunity Act Job Training Partnership Act. It is the intent of the Legislature that local regional workforce development boards consult with local community transportation
coordinators designated under chapter 427 regarding the
availability and cost of transportation services through the
coordinated transportation system before prior to contracting
for comparable transportation services outside the coordinated
system.

(2) ANCILLARY EXPENSES.—Ancillary expenses such as books,
tools, clothing, fees, and costs necessary to comply with work
activity requirements or employment requirements may be
provided.

(3) MEDICAL SERVICES.—A family that meets the eligibility
requirements for Medicaid shall receive medical services under
the Medicaid program.

(4) PERSONAL AND FAMILY COUNSELING AND THERAPY.—Counseling
may be provided to participants who have a personal or family
problem or problems caused by substance abuse that is a barrier
to compliance with work activity requirements or employment
requirements. In providing these services, local regional
workforce development boards shall use services that are
available in the community at no additional cost. If these
services are not available, local regional workforce development
boards may use support services funds. Personal or family
counseling not available through Medicaid may not be considered
a medical service for purposes of the required statewide
implementation plan or use of federal funds.

Section 40. Subsection (5) of section 445.026, Florida
Statutes, is amended to read:

445.026 Cash assistance severance benefit.—An individual
who meets the criteria listed in this section may choose to
receive a lump-sum payment in lieu of ongoing cash assistance
payments, provided the individual:

(5) Provides employment and earnings information to the local regional workforce development board, so that the local regional workforce development board can ensure that the family’s eligibility for severance benefits can be evaluated.

Such individual may choose to accept a one-time, lump-sum payment of $1,000 in lieu of receiving ongoing cash assistance. Such payment shall only count toward the time limitation for the month in which the payment is made in lieu of cash assistance. A participant choosing to accept such payment shall be terminated from cash assistance. However, eligibility for Medicaid, food assistance, or child care shall continue, subject to the eligibility requirements of those programs.

Section 41. Subsections (2) and (4) of section 445.030, Florida Statutes, are amended to read:

445.030 Transitional education and training.—In order to assist former recipients of temporary cash assistance who are working or actively seeking employment in continuing their training and upgrading their skills, education, or training, support services may be provided for up to 2 years after the family is no longer receiving temporary cash assistance. This section does not constitute an entitlement to transitional education and training. If funds are not sufficient to provide services under this section, the board of directors of CareerSource Florida, Inc., may limit or otherwise prioritize transitional education and training.

(2) Local regional workforce development boards may authorize child care or other support services in addition to
services provided in conjunction with employment. For example, a participant who is employed full time may receive child care services related to that employment and may also receive additional child care services in conjunction with training to upgrade the participant’s skills.

(4) A local regional workforce development board may enter into an agreement with an employer to share the costs relating to upgrading the skills of participants hired by the employer. For example, a local regional workforce development board may agree to provide support services such as transportation or a wage subsidy in conjunction with training opportunities provided by the employer.

Section 42. Section 445.031, Florida Statutes, is amended to read:

445.031 Transitional transportation.—In order to assist former recipients of temporary cash assistance in maintaining and sustaining employment or educational opportunities, transportation may be provided, if funds are available, for up to 2 years after the participant is no longer in the program. This does not constitute an entitlement to transitional transportation. If funds are not sufficient to provide services under this section, local regional workforce development boards may limit or otherwise prioritize transportation services.

(1) Transitional transportation must be job or education related.

(2) Transitional transportation may include expenses identified in s. 445.025, paid directly or by voucher, as well as a vehicle valued at not more than $8,500 if the vehicle is needed for training, employment, or educational purposes.
Section 43. Subsection (1), paragraph (b) of subsection (4), and subsection (5) of section 445.048, Florida Statutes, are amended to read:

445.048 Passport to Economic Progress program.—

(1) AUTHORIZATION.—Notwithstanding any law to the contrary, CareerSource Florida, Inc., in conjunction with the Department of Children and Families and the Department of Economic Opportunity, shall implement a Passport to Economic Progress program consistent with the provisions of this section. CareerSource Florida, Inc., may designate local workforce development boards to participate in the program. Expenses for the program may come from appropriated revenues or from funds otherwise available to a local workforce development board which may be legally used for such purposes. CareerSource Florida, Inc., must consult with the applicable local workforce development boards and the applicable local offices of the Department of Children and Families which serve the program areas and must encourage community input into the implementation process.

(4) INCENTIVES TO ECONOMIC SELF-SUFFICIENCY.—

(b) CareerSource Florida, Inc., in cooperation with the Department of Children and Families and the Department of Economic Opportunity, shall offer performance-based incentive bonuses as a component of the Passport to Economic Progress program. The bonuses do not represent a program entitlement and are contingent on achieving specific benchmarks prescribed in the self-sufficiency plan. If the funds appropriated for this purpose are insufficient to provide this financial incentive, the board of directors of CareerSource Florida, Inc., may reduce...
or suspend the bonuses in order not to exceed the appropriation
or may direct the local workforce development regional boards to
use resources otherwise given to the local workforce development
board regional workforce to pay such bonuses if such payments
comply with applicable state and federal laws.

(5) EVALUATIONS AND RECOMMENDATIONS.—CareerSource Florida,
Inc., in conjunction with the Department of Children and
Families, the Department of Economic Opportunity, and the local
regional workforce development boards, shall conduct a
comprehensive evaluation of the effectiveness of the program
operated under this section. Evaluations and recommendations for
the program shall be submitted by CareerSource Florida, Inc., as
part of its annual report to the Legislature.

Section 44. Paragraph (b) of subsection (2), paragraph (d)
of subsection (4), and subsections (6) and (7) of section
445.051, Florida Statutes, are amended to read:

445.051 Individual development accounts.—
(2) As used in this section, the term:
(b) “Qualified entity” means:
1. A not-for-profit organization described in s. 501(c)(3)
of the Internal Revenue Code of 1986, as amended, and exempt
from taxation under s. 501(a) of such code; or
2. A state or local government agency acting in cooperation
with an organization described in subparagraph 1. For purposes
of this section, a local regional workforce development board is
a government agency.

(4)
(d) Eligible participants may receive matching funds for
contributions to the individual development account, pursuant to
the strategic plan for workforce development. When not
restricted to the contrary, matching funds may be paid from
state and federal funds under the control of the local regional
workforce development board, from local agencies, or from
private donations.

(6) CareerSource Florida, Inc., shall establish procedures
for local regional workforce development boards to include in
their annual program and financial plan an application to offer
an individual development account program as part of their TANF
allocation. These procedures must include, but need not be
limited to, administrative costs permitted for the fiduciary
organization and policies relative to identifying the match
ratio and limits on the deposits for which the match will be
provided in the application process. CareerSource Florida, Inc.,
shall establish policies and procedures necessary to ensure that
funds held in an individual development account are not
withdrawn except for one or more of the qualified purposes
described in this section.

(7) Fiduciary organizations shall be the local regional
workforce development board or other community-based
organizations designated by the local regional workforce
development board to serve as intermediaries between individual
account holders and financial institutions holding accounts.
Responsibilities of such fiduciary organizations may include
marketing participation, soliciting matching contributions,
counseling program participants, and conducting verification and
compliance activities.

Section 45. Paragraph (a) of subsection (1) of section

revised as appropriate, and include:

(a) Provisions for maximizing appropriate state and federal

(2) Each district school board shall develop, in collaboration with local regional workforce development boards, economic development agencies, and postsecondary institutions approved to operate in the state, a strategic 3-year plan to address and meet local and regional workforce demands. If involvement of a local regional workforce development board or an economic development agency in the strategic plan development is not feasible, the local school board, with the approval of the Department of Economic Opportunity, shall collaborate with the most appropriate regional business leadership board. Two or more school districts may collaborate in the development of the strategic plan and offer career-themed courses, as defined in s. 1003.493(1)(b), or a career and professional academy as a joint venture. The strategic plan must describe in detail provisions for the efficient transportation of students, the maximum use of shared resources, access to courses aligned to state curriculum standards through virtual education providers legislatively authorized to provide part-time instruction to middle school students, and an objective review of proposed career and professional academy courses and other career-themed courses to determine if the courses will lead to the attainment of industry certifications included on the Industry Certified Funding List pursuant to rules adopted by the State Board of Education. Each
strategic plan shall be reviewed, updated, and jointly approved
every 3 years by the local school district, local regional
workforce development boards, economic development agencies, and

certification examinations if the rate falls below 50 percent;

(j) Strategies to recruit students into career-themed

opportunities for students who have been unsuccessful in

approved list of industry certifications based on high-skill,
high-wage, and high-demand job requirements in the local
regional economy.
