FULL ANALYSIS

I. SUBSTANTIVE ANALYSIS

A. EFFECT OF PROPOSED CHANGES:

The Dori Slosberg Driver Education Safety Act (Section 1):

Present Situation

The Dori Slosberg Driver Education Safety Act provides that a board of county commissioners may require, by ordinance, that the clerk of the court collect an additional \$5 with each civil traffic penalty, which shall be used to fund driver education programs in public and nonpublic schools. The ordinance shall provide for the board of county commissioners to administer the funds, which shall be used for enhancement, and not replacement, of driver education program funds. The funds shall be used for direct educational expenses and shall not be used for administration. Each driver education program receiving funds pursuant to this section shall require that a minimum of 30 percent of a student's time in the program be behind-the-wheel training.¹

Proposed Change

The bill amends s. 318.1215, F.S., providing that a board of county commissioners may require, by ordinance, that the clerk of the court collect an additional \$7 with each civil traffic penalty, which shall be used to fund driver education programs in public and nonpublic schools.

Updating a Driver License or Motor Vehicle Registration (Section 2 and 4):

Present Situation

The required timeframe for updating a driver license or motor vehicle registration to reflect an address change or legal name change varies in Florida depending on the specific action and the residency of the individual.

A new resident to the state is required to obtain a Florida driver license within 30 days before operating a motor vehicle on the highways of this state.² A resident of the state who possesses a valid driver license must report to DHSMV the legal address or name change within 10 calendar days of the change.³

For motor vehicle registration, the owner of the vehicle must notify DHSMV of any change of address within 20 days after such change.⁴

Proposed Change

The bill amends s. 320.02(4) and ss. 322.19(1) and (2), F.S., making the required timeframe 30 days for updating a driver license or motor vehicle registration to reflect an address change or legal name change.

The change in timeframe does not apply to a Sexual Offender or Sexual Predator, to whom the current 48 hour notification requirement under ss. 775.21 and 943.0435, F.S. remains.

No Cost ID to Certain Juvenile Offenders (Section 3 and 5):

Present Situation

The law currently provides for a fee waiver for a replacement identification card to Florida born inmates being released from prison and to a person who presents evidence that he or she is homeless.⁵

¹ s. 318.1215, F.S.

² s. 322.031(1), F.S.

³ s. 322.19(1) and (2), F.S.

⁴ s. 320.02(4), F.S.

⁵ s. 322.051(9), F.S.

Proposed Change

The bill amends ss.322.051(9) and 322.21(1)(f), F.S., to provide a no-cost original, renewal, or replacement identification card to a juvenile offender who is in the custody or under the supervision of the Department of Juvenile Justice and receiving services. The issuance of the no-cost identification card to juvenile offenders shall be processed by DHSMV's mobile issuing units.

No Cost ID due to Medical Sanction of a Driver License by DHSMV (Section 6):

Present Situation

DHSMV, having good cause to believe that a licensed driver is incompetent or otherwise not qualified to be licensed, may, at any time upon written notice of at least 5 days to the licensee, require him or her to submit to an examination or reexamination. Upon the conclusion of the exam or reexam, DHSMV may suspend or revoke the driver license of the person or restrict the license. Anyone who refuses to submit to the required exam or reexam will have his or her driver license suspended or revoked.⁶

Proposed Change

The bill amends s. 322.221, F.S., to provide a no cost identification card to those who have had their driving privilege suspended or revoked by DHSMV, whom having good cause to believe that a licensed driver was incompetent or otherwise not qualified to be licensed after written notice of at least 5 days to the licensee, required him or her to submit to an examination or reexamination, and upon conclusion of the exam or reexam, suspended or revoked the driver license of the person, or restricted the license.

Anyone who refuses to submit to the required exam or reexam will have his or her driver license suspended or revoked and can also be provided an identification card without payment of the standard \$25 fee.

II. FISCAL ANALYSIS & ECONOMIC IMPACT STATEMENT

A. FISCAL IMPACT ON STATE GOVERNMENT:

1. Revenues:

The bill will have an indeterminate, but significant negative impact to the General Revenue (GR) Fund and the Highway Safety Operating Trust Fund (HSOTF). The Revenue Estimating Conference has not yet estimated the impacts of the bill.

However, the DHSMV has provided the following estimates:

There will be approximately 2,500 juvenile offenders annually who could be issued a no-cost identification card, and, at \$25 per card, the total revenue impact is estimated at \$62,500. Depending on the type of transaction (original, renewal, or replacement), the amount to which GR or the HSOTF will be impacted could vary; however, because the population is comprised of juveniles, it is assumed that most of the transactions will be for original identification cards, in which case the impact would be solely to General Revenue.

The impact of waiving the standard \$25 fee when issuing identification cards to individuals who have their driver license suspended or revoked due to a medical sanction is estimated by DHSMV to be \$459,625 to General Revenue in the first year (approximately 18,385 individuals at \$25 per card = \$459,625). The impact in subsequent fiscal years could be potentially greater as Florida's population increases.⁷

2. Expenditures:

Per DHSMV, the cardstock used to print an identification card costs \$1.97. The estimated cost to the department for issuing approximately 2,500 cards to juvenile offenders and 18,385 cards for those driver licenses medically suspended is \$41,143 annually. This cost will be absorbed within existing resources.

B. FISCAL IMPACT ON LOCAL GOVERNMENTS:

1. Revenues:

Additionally, the revision to s. 318.1215, F.S., which increases the additional fee that counties may collect for civil traffic penalties from \$5 to \$7, will have an indeterminate, but positive fiscal impact to local governments. These additional revenues must be used for driver education programs in public and nonpublic schools.

2. Expenditures:

None.

C. DIRECT ECONOMIC IMPACT ON PRIVATE SECTOR:

To the extent a juvenile offender or medically sanctioned individual would have purchased an identification card, under the bill, that individual will receive an identification card without payment of the standard \$25 fee.

D. FISCAL COMMENTS:

None.

III. COMMENTS

A. CONSTITUTIONAL ISSUES:

1. Applicability of Municipality/County Mandates Provision:

The bill does not require a municipality or county to expand funds or to take action requiring the expenditure of funds. The bill does not reduce the authority that municipalities or counties have to raise revenues in the aggregate. The bill does not require a reduction of the percentage of state tax shared with municipalities or counties.

2. Other:

None

B. RULE-MAKING AUTHORITY:

None

C. DRAFTING ISSUES OR OTHER COMMENTS:

None
