A bill to be entitled
An act relating to licensure of internationally
trained physicians; amending s. 458.311, F.S.;
providing an effective
date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. Paragraphs (f) and (h) of subsection (1) and
subsection (7) of section 458.311, Florida Statutes, are amended
to read:
458.311 Licensure by examination; requirements; fees.—
(1) Any person desiring to be licensed as a physician, who
does not hold a valid license in any state, shall apply to the
department on forms furnished by the department. The department
shall license each applicant who the board certifies:
(f) Meets one of the following medical education and
postgraduate training requirements:
1.a. Is a graduate of an allopathic medical school or
allopathic college recognized and approved by an accrediting
agency recognized by the United States Office of Education or is
26 a graduate of an allopathic medical school or allopathic college
within a territorial jurisdiction of the United States
recognized by the accrediting agency of the governmental body of
that jurisdiction;
27 b. If the language of instruction of the medical school is
other than English, has demonstrated competency in English
through presentation of a satisfactory grade on the Test of
English as a Foreign Language Test of Spoken English of the
Educational Testing Service or a similar test approved by rule
of the board; and
28 c. Has completed an approved residency of at least 1 year.

2.a. Is a graduate of an allopathic foreign medical school
registered with the World Health Organization and certified
pursuant to s. 458.314 as having met the standards required to
accredit medical schools in the United States or reasonably
comparable standards;
2.b. If the language of instruction of the foreign medical
school is other than English, has demonstrated competency in
English through presentation of the Educational Commission for
Foreign Medical Graduates English proficiency certificate or by
a satisfactory grade on the Test of English as a Foreign
Language Test of Spoken English of the Educational Testing
Service or a similar test approved by rule of the board; and
2.c. Has completed an approved residency of at least 1 year.

3.a. Is a graduate of an allopathic foreign medical school
which has not been certified pursuant to s. 458.314;

b. Has had his or her medical credentials evaluated by the Educational Commission for Foreign Medical Graduates, holds an active, valid certificate issued by that commission, and has passed the examination utilized by that commission; and
c. Has completed an approved residency of at least 1 year; however, after October 1, 1992, the applicant shall have completed an approved residency or fellowship of at least 2 years in one specialty area. However, to be acceptable, the fellowship experience and training must be counted toward regular or subspecialty certification by a board recognized and certified by the American Board of Medical Specialties.

4.a. Is a graduate of an allopathic foreign medical school that is listed in the World Directory of Medical Schools produced by the World Federation for Medical Education and the Foundation for Advancement of International Medical Education and Research, in collaboration with the World Health Organization; that is accredited by an accrediting agency recognized by the governmental body of the foreign jurisdiction; but that is not certified pursuant to s. 458.314;

b. If the language of instruction of the foreign medical school is other than English, has demonstrated competency in English through presentation of a satisfactory grade on the Test of English as a Foreign Language of the Educational Testing Service or a similar test approved by rule of the board;
c. Has completed an approved residency or fellowship of at least 1 year in one specialty area, which must be counted toward regular or subspecialty certification by a board recognized and certified by the American Board of Medical Specialties; and
d. Has held an active physician license and practiced medicine in a foreign jurisdiction for at least 10 years immediately preceding the application for licensure under this section.

(h) Has obtained a passing score, as established by rule of the board, on the licensure examination of the United States Medical Licensing Examination (USMLE); or a combination of the United States Medical Licensing Examination (USMLE), the examination of the Federation of State Medical Boards of the United States, Inc. (FLEX), or the examination of the National Board of Medical Examiners up to the year 2000; or for the purpose of examination of any applicant who was licensed on the basis of a state board examination and who is currently licensed in at least one other jurisdiction of the United States or Canada, and who has practiced pursuant to such licensure for a period of at least 10 years, use of the Special Purpose Examination of the Federation of State Medical Boards of the United States (SPEX) upon receipt of a passing score as established by rule of the board. An applicant meeting the medical education and postgraduate training requirements in subparagraph (f)4. may meet the examination requirement of this paragraph.
paragraph by obtaining a passing score on an examination determined by the board to be substantially equivalent to, or more stringent than, the United States Medical Licensing Examination (USMLE). However, for the purpose of examination of any applicant who was licensed on the basis of a state board examination prior to 1974, who is currently licensed in at least three other jurisdictions of the United States or Canada, and who has practiced pursuant to such licensure for a period of at least 20 years, this paragraph does not apply.

(7) Upon certification by the board, the department shall impose conditions, limitations, or restrictions on a license if the applicant is on probation in another jurisdiction for an act that would constitute a violation of this chapter. The board may certify an applicant for licensure who has met the medical education and postgraduate training requirements under subparagraph (1)(f)4. and all other licensure requirements with a condition, limitation, or restriction, including, but not limited to, a probationary period of practice, a scope of practice limitation, or a supervision requirement, which shall be imposed by the department for a duration specified by the board.

Section 2. This act shall take effect July 1, 2017.
